D. W. LEARY'S ROCHESTER CITY DYE HOUSE,

Mumford St., opposite the Gas Works,

ROCHESTER, N. Y.

D. W. LEARY has located his DYEING ESTABLISHMENT at a point very central and convenient for business, on Mumford Street, opposite the Gas Works, and is prepared to execute a large share of the Dyeing which has heretofore been compelled to go to older houses, although located at an inconvenient distance from the business centre. His long experience in this city, together with the fact that he gives his undivided attention to his work, and

IS HIS OWN OPERATOR,

enables him to appeal to the public with the greatest confidence for a fair share of their patronage. He feels grateful for the very liberal patronage already extended to him, and hopes for its continuance and increase; and he pledges himself that all orders entrusted to him shall be

FAITHFULLY AND PROMPTLY EXECUTED.

As it has been intimated by some that he is connected with another establishment, in another part of the city, bearing a similar name, I would inform the public that I have no connection with it, and desire none.

As to the mean, dishonorable and crushing out spirit shown by a rival establishment, and its base charge of counterfeit signs, &c., I will have nothing to state, except that they seem like some of those contemptible methods usually adopted by those who are too avaricious and mean to allow quietly a fair and honorable competition in business, and that I seek by promptness and the good quality of my work, rather than such contemptible flings of a rival, to give character to my establishment. Goods received and returned by Express.

D. W. LEARY,

Proprietor Rochester City Dye House,

MUMFORD ST., OPPOSITE THE GAS WORKS, ROCHESTER, N. Y.

N. B.—Blacks colored every Thursday.
