STREET DIRECTORY.

The Street Directory gives the location of each street, and shows what other streets or places run from it or across it, with the number at which they intersect.

From this list the location of any number on a street can be easily ascertained. As, for instance, wishing to know at what part of State street No. 265 comes, look at State street and you find that Brown street runs from 255 left side, and Jay street from 293, showing that No. 265 comes on the left side of State street between Brown and Jay.

LEGAL HOLIDAYS.

It will be seen from the following act, that when a holiday occurs on a week day, the law treats it as a Sunday for all purposes connected with the payment, acceptance, or protest of bills of exchange and promissory notes. All notes maturing on such days, therefore, must be paid the day before, or, if that is Sunday, the Saturday previous. But when these holidays fall on Sunday, then the next day is also a legal holiday; but the law interposes in favor of the debtors, and allows payment of notes, etc., made after March 16, 1865, to be deferred to the Tuesday succeeding. The following is the bill passed March 18, 1865, chap. 1846:

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. The act entitled "An act to designate the holidays to be observed in the acceptance and payment of bills of exchange and promissory notes," passed April fourth, eighteen hundred and forty-nine, is hereby amended so as to read as follows:

§ 1. The following days, viz.: Any day appointed or recommended by the Governor of this State or the President of the United States, as a day of fast or thanksgiving, the fourth day of July, twenty-fifth day of December, commonly called Christmas day, the first day of January, commonly called New Year's day, and the twenty-second day of February, and when the said fourth day of July, twenty-fifth day of December, first day of January, or twenty-second day of February shall occur on Sunday, then the ensuing day thereto, shall, for all purposes whatsoever, as regards the presenting for payment or acceptance, and of the protesting and giving notice of the dishonor of bills of exchange, bank checks and promissory notes, made after the passage of this act, be treated and considered as the first day of the week, commonly called Sunday. And any bill of exchange, bank check or promissory note, made after the passage of this act, which but for this act would fall due and payable on any of the days herein mentioned, shall, when said day falls on Sunday, become payable on the Tuesday next succeeding such days.

§ 2. This act shall take effect on the first day of August next.

PATENTED **APRIL 20,** 1869.

MANUFACTURERS OF
EXCELSIOR HAIR FELT
Insoles,
FOR BOOTS & SHOES.
W. Williams,
Gen. Ag't and Treas.

RE-ISSUED **APRIL 26,** 1870.

Experience has demonstrated that our HAIR FELT INSOLE is superior to all others, and the most comfortable article for the feet ever invented, equally good in Summer and in Winter. Persons suffering from tender, perspiring or swelling feet, will obtain relief from their use, and no one regarding ease or comfort would ever be without them.

For sale by Boot and Shoe dealers generally. A liberal discount to the trade.

☞SPECIAL NOTICE TO THE TRADE.—We take this method to inform all concerned, that we have letters Patent dated April 20th, 1869, also a re-issue dated April 26th 1870, giving to us the sole right to manufacture Insoles, using a water-proof paper at the bottom with a form or stiffener of pasteboard and Felted Hair above, with cloth at the top. Also the use of a flexible shank stiffener, "either of wood or its equivalent," and in order to protect ourselves from unprincipled parties, we shall, from and after this date, hold responsible to us for damages to be recovered by prosecution, all parties making or selling goods conflicting with the above patent.

Which we shall endeavor to sell at prices as low as can be purchased at any house in the Western or Eastern market.

We feel confident of our ability to do this (as we possess facilities unsurpassed), also to furnish goods which for Durability, Style, Quality and Variety cannot be excelled. We have one partner constantly in the Eastern Market, which enables us to secure all desirable goods at lowest prices. We hope all dealers before making their purchases, will examine our stock of BOOTS and SHOES.
