Rochester Athenæum and Mechanics Institute.

38 South Washington Street.

THE ROCHESTER ATHENÆUM INCORPORATED 1880; MECHANICS INSTITUTE FOUNDED 1885; CONSOLIDATED 1891.

It is one of the primary objects of the Rochester Athenæum and Mechanics Institute to give to the young people who are employed in earning a livelihood, an opportunity to acquire a technical knowledge in the arts, during their evening hours, which will enable them to become more efficient in their several employments, or to enter others for which they may be better qualified, or which may be more to their taste.

The school was opened first with instruction in Drawing only, but other branches have been added which cultivate the esthetic as well as the practical side of life, as demand has arisen for them and opportunity occurred, until now there are classes in Architectural, Mechanical, Pen and Ink and Freehand Drawing, Designing, Clay Modeling, Manual Training, China Decorating, Water-color and Oil Painting, and Mathematics.

In 1892 a favorable opportunity occurred of securing the property now occupied for a permanent home for the Institute, and a beginning was made in Domestic Science by opening a cooking school. This was continued through the years 1893-4, with the addition of Plain Sewing, Dressmaking, Laundry Work, Home Nursing, and Millinery.

The classes are open to all, without distinction of nationality, sex, creed, or color; 1,354 pupils have attended the Institute during the year ending June 1, 1896; 588 of these were in the Department of Domestic Science; 816 in Department of Industrial and Fine Arts.

The expense of conducting the Rochester Athenæum and Mechanics Institute is met chiefly by voluntary contributions from the citizens of Rochester. The receipts for tuition amount to about one-half of the expense. Like similar institutions not yet endowed, it depends for support upon the generosity of those who are interested in providing the best possible opportunities for those who are anxious to acquire a practical education.

THE CIVIL SERVICE.

For State Board of Commissioners, see page 932.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments, and positions under the city treasurer, or the Board of Education), must be filled from applicants who have successfully passed an examination by a board of civil service examiners.

Two Boards, consisting of three members each, are appointed by the mayor, and not more than two members can be of the same political party.

Whenever a position is to be filled, the examining board will notify the applicants on record, or such number of them as can be conveniently examined, to appear for examination, and appointments must be made by the appointing power from the three on the list of the highest standing. Soldiers or sailors serving in the war of the rebellion, having any standing on the list, and otherwise equally competent, have the preference. The civil service does not affect removals from office. The civil service is classified as follows:

Schedule B, Part 1. Includes all officers and members of the Police and Fire Departments.
Schedule B, Part 2. Includes subordinate officers, clerks, and assistants not included in Part 1. Laborers and day workmen are not subject to examination.

Local Boards of Municipal Examiners. (*For City Appointments*).

Schedule B, Part 1.—J. Stuart Page, *Chairman;* Roy C. Webster, F. S. Hutchinson, A. Benedict.

Schedule B, Part 2.—Samuel P. Moulthrop, *Chairman;* Elbridge L. Adams, Alfred Elwood, A. Benedict.

Secretary of both Boards.—A. Benedict.

CONNECTICUT MUTUAL LIFE INSURANCE COMPANY.

1849--1896.

ASSETS, $62,759,765.95. SURPLUS, $7,096,256.43.

The CONNECTICUT MUTUAL renews its plea for pure life insurance: that men whose families need it buy the only thing a life insurance company can really give, **the full, absolute, and simple protection** needed; that they **cease to gamble** with it or to try to **make a speculation** out of it; and to all such the company offers its best and most sincere endeavor, illustrated by its unparalleled record of **fifty years.**

In the 50th Annual Statement of the Connecticut Mutual Life Ins. Co. of Hartford, Conn., President Greene shows that there has been paid to that Company in premiums $187,368,569 and that there has been "returned to policy-holders or their beneficiaries" $175,912,185, "being 93.88 per cent. of the entire premiums received." Notwithstanding this fact the Company now holds securely invested **for** policy-holders $62,759,766.

The "New Idea" Clothes Wringer.

It is the best and is warranted. Automatic in adjustment. No oil to stain clothing. Solid white rubber rolls vulcanized on shafts. Works equally well on thick or thin articles. Turns easier than the other wringers. Made of malleable iron, galvanized, which will not rust. It will outwear three ordinary wringers. Our Perfection Wash Bench is the best on the market, made of hard wood and folds up when not in use. Sold with or without the wringer. We also sell the Star Clothes Horse, the handiest clothes horse ever sold. No house hardly complete without these three articles.

The United States Laws expressly exempt Cider from the requirements of License, but specify that it must be made from the juice of apples, the fermented juices of all other fruits being regarded as Wines, and License required for selling them. The same applies to imitation Cider; if it has been fermented or shows the least amount of spirits it is illegal to manufacture or sell it without License. We will furnish copies of the Law in support of this statement, also sworn proof when necessary that our Ciders are made from apples only.

Sparkling Crab-Apple Cider. (WHITE STAR BRAND.) This Cider is made from pure juice of sound, ripe apples. A good, honest Cider at the lowest price possible. STIMULATING but not INTOXICATING.

Golden Russet Cider. (GOLD LABEL.) Extra dry, made from hand picked russet apples. It is heavy-bodied, rich, and of delicate flavor. As we bottle it, it is superior to any cheap Champagne.

Sparkling Vin de Pomme. (WHITE STAR BRAND.) The juice of sound, ripe apples, filtered and bottled fresh from the press, fermentation being arrested by sterilization. A delicious, sparkling beverage, and absolutely non-alcoholic.

Malthop Phosphate. (WHITE STAR BRAND.) Made from choice quality of Malt and Hops, it contains all that is best in the finest Ales or Beers. It also contains a small quantity of Acid Phosphate, a most excellent tonic to nerve and brain. UNFERMENTED. NON-ALCOHOLIC. NO LICENSE REQUIRED.

Duffy "Gold Seal" Cider Vinegar is made only in this city and at our mills, formerly owned by The W. B. DUFFY CIDER CO. We guarantee this Vinegar to be made from apple juice only and to comply with all laws regulating the sale of same.

SPECIMEN OF HALF TONE ENGRAVING MADE AT THE ART DEPARTMENT OF THE DEMOCRAT AND CHRONICLE, DIRECT FROM THE MEDAL.

Process Engraving has so greatly reduced the cost of illustrating that a craze has been created for this class of work, and anything in shape of a picture has been good enough, provided the customer obtained his cuts at a low figure. We believe that a reaction has set in; that people have become educated as to the merits of an engraving, and that the future will result in the survival of the fittest. In our Art Department we have adhered strictly to the policy which has made the Job Printing Establishment so successful, believing that good work and prompt service, combined with fair prices will ensure permanent success. We cannot afford to turn out a "sloppy" cut at any price.
