Rochester Athenæum and Mechanics Institute.

38 South Washington Street.

THE ROCHESTER ATHENÆUM INCORPORATED 1830; MECHANICS INSTITUTE FOUNDED 1885; CONSOLIDATED 1891.

It is one of the primary objects of the Rochester Athenæum and Mechanics Institute to give to the young people who are employed in earning a livelihood, an opportunity to acquire, during their evening hours, a technical knowledge in the arts, which will enable them to become more efficient in their several employments, or to enter others for which they may be better qualified, or which may be more to their taste.

The school was opened first with instruction in Drawing only, but other branches have been added which cultivate the æsthetic as well as the practical side of life, as demand has arisen and opportunity occurred for them, until now in the Industrial and Fine Arts Department there are classes in Architectural, Mechanical, Pen and Ink and Freehand Drawing, Designing, Clay Modeling, Manual Training, China Decorating, Water-color and Oil Painting, Mathematics and Electricity.

In 1892 a favorable opportunity for securing the property now occupied for a permanent home for the Institute occurred, and a beginning was made in Domestic Science by opening a Cooking School. This was continued through the years 1893–4, with the addition of Sewing, Dressmaking, Millinery, Laundry Work, and Home Science.

The classes are open to all, without distinction of nationality, sex, creed, or color; 1,700 pupils have attended the Institute during the year ending June 1, 1897; 830 of these were in the Department of Domestic Science; 870 in the Department of Industrial and Fine Arts.

The expense of conducting the Rochester Athenæum and Mechanics Institute is met chiefly by voluntary contributions from the citizens of Rochester. The receipts for tuition amount to about one-half of the expense. Like similar institutions not yet endowed, it depends for support upon the generosity of those who, with us, are interested in providing the best possible opportunities for those who are anxious to acquire an industrial and practical education.

THE CIVIL SERVICE.

For State Board of Commissioners, see page 971.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments and confidential subordinates), must be filled from applicants who have successfully passed an examination by a board of civil service examiners.

Two Boards, consisting of four members each, are appointed by the mayor, and not more than two members can be of the same political party.

Whenever a position is to be filled, the examining board will notify the applicants on record, or such number of them as can be conveniently examined, to appear for examination, and appointments must be made by the appointing power from the three on the list of the highest standing. Soldiers or sailors serving in the war of the rebellion, having any standing on the list, and otherwise equally competent, have the preference. The civil service does not affect removals from office. The civil service is classified as follows:

Schedule B, Part 1.—Includes all officers and members of the Police and Fire Departments.

NORTHWESTERN

Mutual Life Insurance Co.

RT. REV. WILLIAM STEVENS PERRY, Bishop of Iowa: "My experience with the Northwestern has been so satisfactory that I wish that all my insurance was in your company."

JUSTICE WILLIAM RUMSEY, of the Supreme Court: "The dividends from the Northwestern have been much larger in proportion than those of any other company in which I am insured."

SENATOR PETER PASCOE, of Lansing, Mich.: "All the life insurance I carry is with the Northwestern. From the Record of my policy I can readily prove that the Northwestern is far superior as a policy holders' company to any in existence."

APPLE PRODUCTS.

S. R. MOTT, Jr., Manager of ROCHESTER MILLS.

Telephone 491. 1 to 16 Moore Street, Rochester, N. Y.

The United States Laws expressly exempt Cider from the requirements of License, but specify that it must be made from the juice of apples, the fermented juices of all other fruits being regarded as Wines, and License required for selling them. The same applies to imitation Cider; if it has been fermented or shows the least amount of spirits, it is illegal to manufacture or sell it without License. We will furnish copies of the Law in support of this statement, also sworn proof when necessary that our Ciders are made from apples only.

Sparkling Crab-Apple Cider. (WHITE STAR BRAND.) This Cider is made from pure juice of sound, ripe apples. A good, honest Cider at the lowest price possible. STIMULATING but not INTOXICATING.

Golden Russet Cider. (GOLD LABEL.) Extra dry, made from hand picked russet apples. It is heavy-bodied, rich, and of delicate flavor. As we bottle it, it is superior to any cheap Champagne.

Sparkling Vin de Pomme. (WHITE STAR BRAND.) The juice of sound, ripe apples, filtered and bottled fresh from the press, fermentation being arrested by sterilization. A delicious, sparkling beverage, and absolutely non-alcoholic.

Malthop Phosphate. (WHITE STAR BRAND.) Made from choice quality of Malt and Hops, it contains all that is best in the finest Ales or Beers. It also contains a small quantity of Acid Phosphate, a most excellent tonic to nerve and brain. UNFERMENTED. NON-ALCOHOLIC. NO LICENSE REQUIRED.

Duffy "Gold Seal" Cider Vinegar is made only in this city and at our mills, formerly owned by The W. E. DUFFY CIDER CO. We guarantee this vinegar to be made from apple juice only and to comply with all laws regulating the sale of same.
