THE CIVIL SERVICE.

For State Board of Commissioners, see page 1004.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments and confidential subordinates), must be filled from applicants who have successfully passed an examination by a Board of civil service examiners, or from registered list of laborers.

A Board consisting of seven members is appointed by the mayor, one of whom is to be designated as secretary.

Whenever a position is to be filled, the examining Board will notify the applicants on record, or such number of them as can be conveniently examined, to appear for examination, and appointments must be made by the appointing power from the list prepared by the commission. The person standing highest must be appointed.

Soldiers or sailors serving in the war of the rebellion, having any standing on the list, and otherwise equally competent, have the preference.
