THE CIVIL SERVICE.

For State Board of Commissioners, see page 1052.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments and confidential subordinates), must be filled from applicants who have successfully passed an examination by a Board of civil service examiners, or from registered list of laborers.

A Board consisting of three members is appointed by the mayor, who also appoints the secretary and chief examiner.

Whenever a position is to be filled, the examining Board will notify the applicants on record, or such number of them as can be conveniently examined, to appear for examination, and appointments must be made by the appointing power from the list prepared by the commission.

Soldiers or sailors who served in the war of the rebellion, having any standing on the list, and otherwise equally competent, have the preference.

Every Lawyer in Rochester should know about The Lawyers' Co-operative Publishing Company

And this is why:

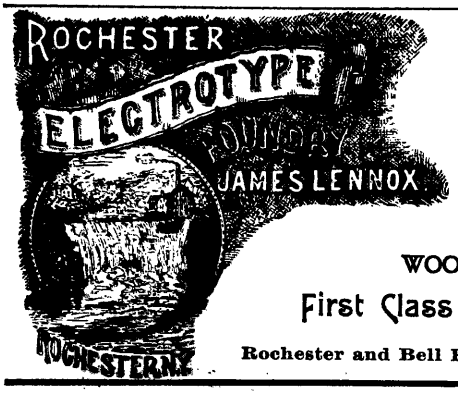
1. We sell all law books, new and second-hand, at the lowest market price. We publish a periodical list showing latest bargains in second-hand law books. Our catalogue shows our own books.

2. We publish the Lawyers' Reports, Annotated, "L. R. A." the most useful and valuable set of law books published—from any standpoint. Ask any Judge or librarian, get "Index to Notes."

3. We publish the only correct, the only complete, the only annotated edition of the U. S. Supreme Court Reports. It also costs less.

4. We sell the only annotated set of New York Court of Appeals Reports. U. S. Supreme Court Justice Peckham, while on the Court of Appeals, said, "To anyone about to purchase a set of these reports, I should say your edition was the most valuable,"—but it costs less. Also N. Y Com. Law, and Chancery Reports—the three full sets cost only $220.

5. General Digest, N. S., is the only fully annotated series of current digests of all cases, and will give you an authority on any question. We'll let you use a set a while free, if you want to test them.



Our entire library is open to your use, if you are near us. Call on it for information before going further.

STATEMENTS

FROM THOSE WHO OUGHT TO KNOW

"I have used your system in my court work for the past five years, and I find it all you claim it to be; quickly learned, rapidly written and easily read."

The Official Court Rept. Canandaigua, N. Y., and for the past three years Reporter of the State Senate, Albany, N. Y.

EXTRACTS FROM LETTERS OF OUR GRADUATES

"I find that I did the right thing, when I took up stenography under your direction."

Sten. at the Vulcan Steel Co., New York City.

"Be it known that I, being cognizant of the full workings and benefits of Underhill's College of Phonography, and recognizing the salary and distinction gained by reason of my connection with that Institution, do hereby grant and permit Professor B. S. Underhill, President of said College, full and free permission to use my name in any manner which seems best for the advantage of his school."

The ONLY ROCHESTER COMMERCIAL SCHOOL THAT HAS SUCCEEDED without employing house-to-house canvassers or door-knob solicitors

YOUNG MEN & YOUNG WOMEN

READ over this page, and re-read it; decide for yourselves whether or not you will attend such an Institute as ours, one run for highest results, or go to some school making great claims (on paper). The question is, what school will fit me for earning a fair salary? and not two or three dollars per week, or worse still, put me out where I shall have to work for experience? It is such pupils that injure the stenographic profession and make it difficult for legitimate schools to compete. However, we have never experienced much trouble with these large and illy conducted commercial schools.

The annual salaries of only four of these pupils aggregate $16,000. Do you want better proof than such facts?

EXTRACTS FROM LETTERS

A few words from those who ought to know—Our Graduates

"To tell the truth, I was not much surprised at not receiving a prompt reply, as I well remember how you used to hustle even during the summer months. I can only conjecture what it must be at this season. How you can give personal instruction to so large a class in all stages of advancement, and in a study the nature of shorthand, yet keeping the disposition I remember and seldom showing signs of annoyance, has often been a source of wonder to me."

Stenographer at Romain & Co., Packers, Long Island City, N. Y.

OUR GRADUATES.

"Chaffee calls three months' stenographers half-baked; but if this be true, six or eight months' stenographers must be over-baked, as I notice your pupils get positions quicker and at better salaries."

Stenographer at the Erie R. R. Co.'s Office, Elmira, N. Y.

"It excludes cumbersome strokes and presents in a complete intellectual growth the best thoughts, the briefest outlines, the most legible contractions it is possible to show with the Pitman Alphabet."

Stenographer at the Office of the U. S. Engineer, Newport, R. I.

OUR GRADUATES.

"Its simplicity measures its usefulness and marks it the treasury of united thought. The gathered knowledge of over half a century makes it the representative of unrivaled scholarship in the shorthand world."

Attorney for the Anti-saloon League of the State of New York.

"We deem it very proper, when one has secured a good thing, to acknowledge the fact, and give to him who was instrumental in aiding you all due honor."

Proprietor of Warren's Business College, Lyons, N. Y.

OUR GRADUATES.

"Kind Friend,—The shipment of shorthand books, including letter-writers and readers, is received. The shorthand books are, of course, what we waited for, and after a careful perusal of them, find we have been well paid for the wait, and also find that you have given us a magnificent work on shorthand. It is fine and unique, and it seems impossible that you could get out a book of this kind in the space of time taken. The books will not last long, from the demand already made here for them."

Proprietor of the Lockport Business Institute, Lockport, N. Y.

OUR GRADUATES.

"Harry Pierce, of Holley, N. Y., and a pupil of the Underhill School, has received his discharge from the Philippine Army, becoming a civilian. He is now employed as Stenographer in the Commissary Department."

Mr. Pierce did stenographic work in this city for several months.

Mr. Chas. Campin, who entered the Underhill School a few years since, from Orlando, Florida, is practicing stenography in Cuba, where he has been for several months.

The United States Laws expressly exempt Cider from the requirements of License, but specify that it must be made from the juice of apples, the fermented juices of all other fruits being regarded as Wines, and License required for selling them. The same applies to imitation Cider; if it has been fermented or shows the least amount of spirits, it is illegal to manufacture or sell it without License. We will furnish copies of the Law in support of this statement, also sworn proof when necessary that our Ciders are made from apples only.

Sparkling Crab-Apple Cider. (WHITE STAR BRAND). This cider is made from pure juice of sound, ripe apples. A good honest Cider at the lowest price possible. STIMULATING but not INTOXICATING.

Golden Russet Cider. (GOLD LABEL.) Extra dry, made from hand picked russet apples. It is heavy-bodied, rich, and of delicate flavor. As we bottle it, it is superior to any cheap Champagne.

Sparkling Vin de Pomme. (WHITE STAR BRAND.) The juice of sound, ripe apples, filtered and bottled fresh from the press, fermentation being arrested by sterilization. A delicious, sparkling beverage, and absolutely non-alcholic.

Malthop Phosphate. (WHITE STAR BRAND.) Made from choice quality of Malt and Hops, it contains all that is best in the finest Ales or Beers. It also contains a small quantity of Acid Phosphate, a most excellent tonic to nerve and brain. UNFERMENTED. NON-ALCOHOLIC. NO LICENSE REQUIRED.

Duffy "Gold Seal" Cider Vinegar is made only in this city and at our mills, formerly owned by The W. B. DUFFY CIDER CO. We guarantee this vinegar to be made from apple juice only and to comply with all laws regulating the sale of same.

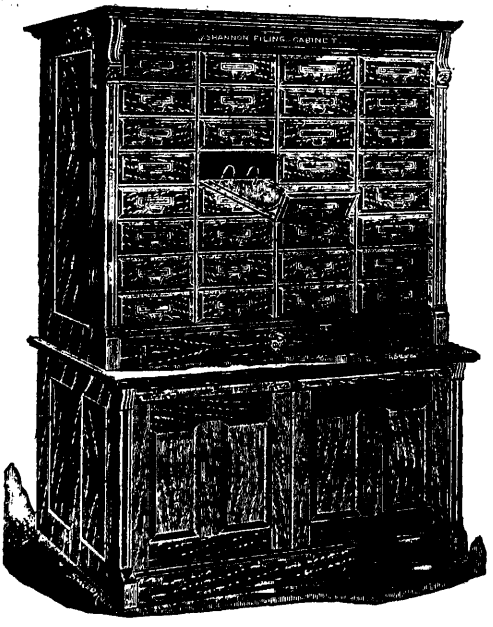
Rapid Roller Copier

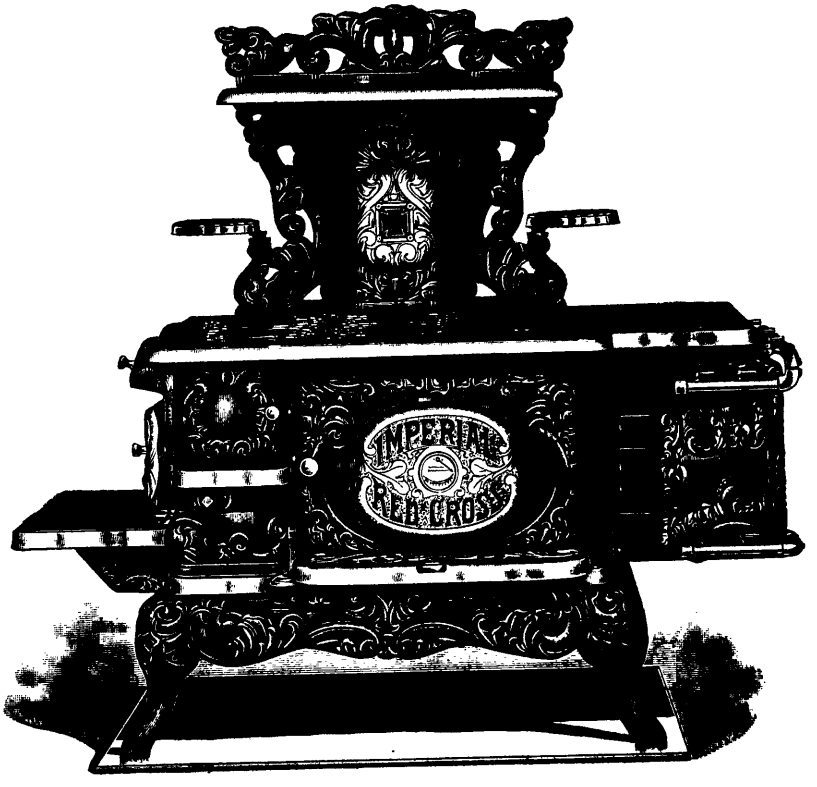


Makes perfect, uniform letter copies, and never blurs either the original or the copy. It will make copies from indelible pencil writing as perfectly as it does ink, or type written matter.

It is always ready for the next copying—you simply lay your letter down, turn a crank, and your copy is made.

No wet cloths to handle; no screwing down letter presses with never the same result twice. Copies made on the Roller Copier are cut off, and filed in the "Shannon" Files, right with the letters, then the whole correspondence, TO and FROM, is together, saving hours a month in looking up correspondence.

"Shannon" Files from 1 to 60 drawers.



We make all kinds of office labor-saving devices, Card Indexes, etc. : : : :
