REMOVALS.—Against names showing removals from the city, the post office address is given, if into another State, both the post office and State are given.

DEATHS.—The date of death and age of all citizens whose names appeared in the Directory, dying during the past twelve months, are recorded against the name in the present book. The same has been done each year since 1876, so that the several volumes of the Directory, contain a mortuary list for that period, of great value for reference.
