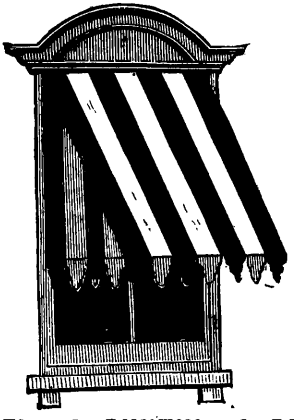
The United States Laws expressly exempt Cider from the requirements of License, but specify that it must be made from the juice of apples, the fermented juices of all other fruits being regarded as Wines, and License required for selling them. The same applies to imitation Cider; if it has been fermented or shows the least amount of spirits, it is illegal to manufacture or sell it without License. We will furnish copies of the Law in support of this statement, also sworn proof when necessary that our Ciders are made from apples only.

Sparkling Crap-Apple Cider. (White Star Brand.) This cider is made from pure juice of sound, ripe apples. A good honest Cider at the lowest price possible. Stimulating, but not Intoxicating.

Golden Russet Cider. (Gold Label.) Extra dry, made from hand picked russet apples. It is heavy-bodied, rich, and of delicate flavor. As we bottle it, it is superior to any cheap Champagne.

Sparkling Vin de Pomme. (White Star Brand.) The juice of sound, ripe apples, filtered and bottled fresh from the press, fermentation being arrested by sterilization. A delicious, sparkling beverage, and absolutely non-alcoholic.

Malthop Phosphate. (White Star Brand.) Made from choice quality of Malt and Hops, it contains all that is best in the finest Ales or Beers. It also contains a small quantity of Acid Phosphate, a most excellent tonic to nerve and brain. Unfermented. Non-Alcoholic. No License Required.



Duffy "Gold Seal" Cider Vinegar is made only in this city and at our mills, formerly owned by the W. B. Duffy Cider Co. We guarantee this vinegar to be made from apple juice only and to comply with all laws regulating the sale of same.

ANNOUNCEMENT

WE HAVE recently increased our facilities for making Advertising Novelties of every description and we are now ready to supply anything of the kind in leather, aluminum, celluloid, paper, etc.; also calendars, show cards, metal, card-board and cloth signs. We have received some very flattering comments on this years' line, and the orders that are coming in every day is direct evidence of its merits.

In making the line we have looked at the matter from the users side as well as ours. We have made every article with some point of utility and adaptability to some business. We have had in mind the advertising value there is in them.

We are sure it needs no argument to convince you that the novelty is more and more becoming a factor in advertising. You must remember the general public loves a gift. Besides it gives a certain prestige over your competitor—it makes you remembered and talked about. We would like to send a salesman to you if you are interested.

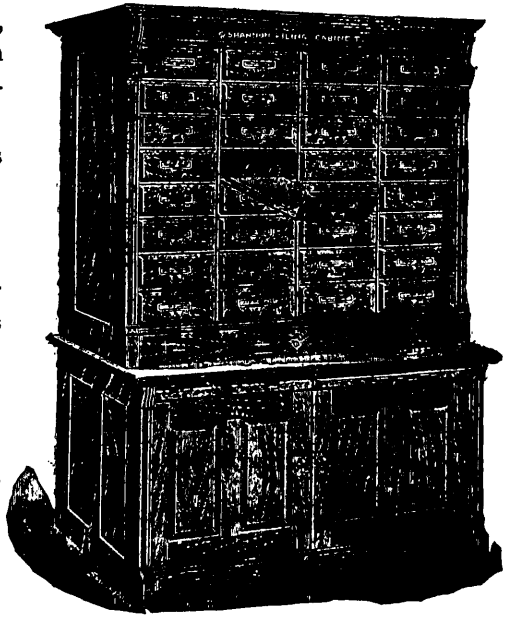
Rapid Roller Copier—



Makes perfect, uniform letter copies, and never blurs either the original or the copy. It will make copies from indelible pencil writing as perfectly as it does ink, or type-written matter.

It is always ready for the next copying—you simply lay your letter down, turn a crank, and your copy is made.

No wet cloths to handle; no screwing down letter-presses with never the same result twice. Copies made on the Roller Copier are cut off, and filed in the "Shannon" Files, right with the letters, then the whole correspondence, TO and FROM, is together, saving hours a month in looking up correspondence.

"Shannon" Files from 1 to 60 drawers.
