"Y and E"

Something more than a trade-mark—a symbol of work exceedingly well done.

# ROCHESTER

produces nothing which fills a more important place in the world of business than the Office Filing Systems which bear the "Y and E" trade-mark.

Cabinets in compact sections may be grouped, re-arranged or added, to—as desired.

"Y and E" Filing Cabinets and Office Devices have been adopted officially by the Louisiana Purchase Exposition, St. Louis. They were selected in preference to all other makes, and the offices of this tremendous organization—which is displaying the Greatest World's Fair in history—are fully systematized with "Y and E" equipment. The Exposition Company has bought and paid for every cabinet installed —just as any other corporation does.

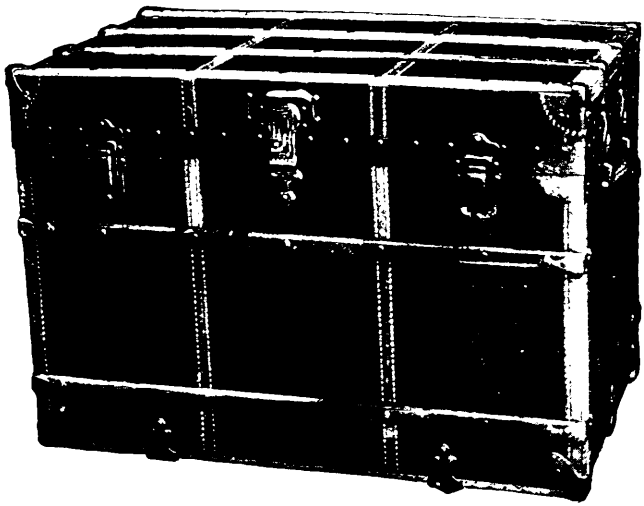
**A Deserved Compliment**

The following is from the *Newark Courier:* "Rochester has at last an advertising agency that it may be proud of. The Myers Agency is one of the most reliable institutions of the kind in the country. It is in the fullest sense trustworthy and whatever it does is well done."

The above is fully deserved as H. G. Myers has established himself as one of the highly successful and thoroughly reliable business men of the Flower City. We cheerfully voice the remarks of our contemporary.—*Newark Union.*



We don't "know it all" about advertising, in fact every added year's experience teaches us that there is something new to learn every day, but we do believe that *our 20 years experience* and *your knowledge* of your own business is sufficient basis for the belief that with our combined efforts an advertising campaign can be planned and outlined and advertising copy prepared that will be effective.
