THE CIVIL SERVICE.

For State Board of Commissioners, see page 1196.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments and confidential subordinates), must be filled from applicants who have successfully passed an examination by a Board of civil service examiners, or from registered list of laborers.

A Board consisting of three members is appointed by the mayor, who also appoints the secretary and chief examiner.

Whenever a position is to be filled, the examining Board will notify the applicants on record, to appear for examination, and appointments must be made by the appointing power from the list prepared by the commission.

Soldiers or sailors who served in the war of the rebellion, having any standing on the list, have the preference. Soldiers and sailors of Spanish-American war have no preference in appointment.

Local Board of Municipal Examiners. (*For City Appointments*).

Mutual Life Insurance Co.

ASSETS JANUARY 1, 1907 - - $221,101,714
INSURANCE IN FORCE - - $819,252,279

Notwithstanding the fact that a larger amount of new business was written in 1906 than in any previous year and the transactions in all departments of the Company's activities were larger than ever before, the expense rate was the lowest in any year of the Company's history and lower than any other Company in the United States has reached during any year of the last ten up to and including 1905.

These savings result in large dividends and consequent low cost of insurance.

The Northwestern's new policy is the best, most flexible, most equitable, most attractive and most comprehensive policy ever issued by any company.

THE GENESEE PRESS

Designers, Illustrators & Printers *of* High Class Business Literature

IF you are thinking of sending out a piece of advertising, whether it be a catalogue, brochure, or an announcement, bear in mind that its purpose is to attract and convince the prospective purchaser. From it strangers, who may be large buyers, get their impressions of your goods, your methods, your enterprise—or lack of it. If your publicity has not the proper presentation it fails in its mission, is a waste of money, and perhaps will be the cause of losing future orders for your house. If you are in doubt as to the presentation of your printed matter, and wish something that will stand as a representative for you, combining with it dignity and selling force, consult us. We can help you out. We will submit dummies, giving you an idea how the finished work will look, and also greatly help you in the arrangement of the text and illustration. Our facilities are complete for producing the best in engraving and printing, as is attested by our long list of discriminating and effective advertisers, who demand the best, and which includes some of the largest buyers of printing in the world

Samples & estimates on quality printing cheerfully furnished
Our representative will call, if you so desire, and talk it over

ELECTRIC VEHICLES

WE make a specialty of taking care of Electric Vehicles, and solicit your patronage on the promise of exemplary service in not only keeping machines clean, but by paying special attention to caring for and charging the batteries. The only argument against electric machines is battery trouble, and nine-tenths of this is due to improper care and careless charging, which can be entirely eliminated. This department in both of our stations is under the supervision of experts on storage batteries and electric motors.

TELEPHONE YOUR TROUBLES

FOR the convenience of those who have trouble while out with their machines anywhere within the county, we hold a grip full of tools, all sizes of tires, a tow rope and a wrecking car in readiness. Almost every farm house has a telephone. You can save time by using it. We will come to your rescue at any hour day or night, and if your troubles are too great for quick road repair, the tow rope will get you home.

REPAIR DEPARTMENT

IN this department we take special pride, and have spent thousands of dollars to install the finest machinery obtainable, and we are prepared to make in our own shop any part of a gasoline engine, no matter what kind, thus avoiding the great loss of time usually experienced in ordering parts from a factory.

We employ skilled workmen and experienced machinists, and with the advantages of the latest and most accurate machinery we are able to manufacture any part that is needed, from an axle or crankshaft to the most intricate part, just as good and in many cases better than the original. If you cannot get what you want elsewhere come to use. If we haven't it in stock we can make it on short notice.

THE "Y AND E" IDEA

To devise the simplest solution of any record-keeping problem

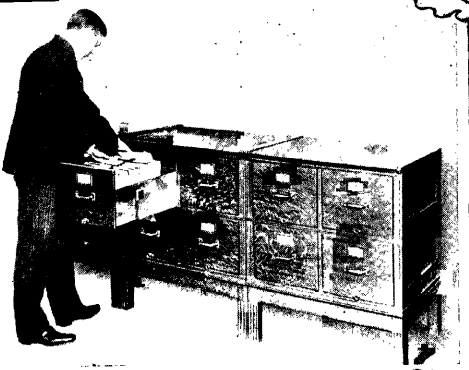
and to provide the cleverest strongest and handsomest Cabinets for Correspondence and Record-Filing

OFFICE FILING PROBLEMS — 2

¶ The General Manager of a road you know well put this problem to us—probably you have had to face the same proposition:

¶ You have on your desk a lot of letters about various "matters pending";

¶ You've got to keep them within reach until all correspondence about these subjects is closed;



¶ Some require attention every day—some only once a week—others less frequently.

¶ PROBLEM: HOW MAY YOU CLASSIFY AND FILE ALL LETTERS WITH EACH CORRESPONDENT—OR UPON

Wouldn't you like to use a method which makes it EASIER to keep letters and records carefully CLASSIFIED than to have them littering your desk?

EACH DIFFERENT SUBJECT—FOR FOLLOWING SYSTEMATICALLY—AUTOMATICALLY—WITHOUT SPECIAL THINKING; AND IF THE MATTER IS CLOSED UP BEFORE THE NEXT DATE FOR ATTENTION, HOW MAY YOU LAY YOUR HAND INSTANTLY UPON THE COMPLETE CORRESPONDENCE?

May we mail you—to your house address if you prefer—"Y and E" Vertical Booklet No. 510 describing in detail A SIMPLE "Y and E" SOLUTION?

Stack of six "Y and E" Vertical Filing Cabinets on Leg Bases—Sectional construction. This particular Outfit is used for filing Agency and Branch correspondence and has a capacity of 60,000 letters.

THE "Y AND E" IDEA To SIMPLIFY Office Routine

"Y and E"

by substituting AUTOMATIC Methods for Special Thinking

OFFICE FILING PROBLEMS — 4

"Y and E" Methods SIMPLIFY

After relying on his ledgers for years to tell him Who his customers were and What they purchased, a large manufacturer installed a "Y and E" Card Index System in order to give his Sales Department ready access to this information.

To his great surprise, this "Y and E" Method enabled him to solve a most perplexing problem, viz., the Equalizing of his Dull and Rush seasons. It was simple enough. The same customers had been buying just about the same kind and amount of goods every year, but always waited to place *extra* orders until the rush came. It was easy to persuade the dealer *to order early* after seeing the record of his purchases for previous years.

Here was a weak spot in the selling scheme—never discovered until this information was *detached and classified by "Y and E" Card Index.*

Of course, it's possible YOU may have organized your work perfectly. Still there's the chance—always—that "Y and E" Methods—or "Y and E" Filing Cabinets (perhaps even Handy Card Outfit at $1.00, postpaid)—may simplify effort and expense in your business or profession.

So you'd better let us send you complete "Y and E" Card Index Catalog No. 1147 whether you buy or not.

Double Stack of "Y and E" Sectional Cabinets on Leg Bases, including 5 x 3, 6 x 4, and 8 x 5 Card Index Sections, new Vertical Letter File Section (only 17 inches deep), and Cupboard Section for storing stationery and supplies.

"THE OLDEST ADVERTISING AGENCY IN ROCHESTER" MEANS THE MOST EXPERIENCE

FOUNDED BY THURLOW WEED.

SATURDAY EVENING, AUG. 19, 1905.

If you conduct a local retail store, let us tell you how to bring trade from the surrounding country within a radius of 100 miles of Rochester.

If you are a manufacturer the experience gained through an expenditure of over three million dollars in National advertising and marketing is at your command.

See H. G. Myers on country weeklies. Consult F. A. Partenheimer on magazine or national newspaper campaigns. We can tell you which accurately — no experimenting.

Performance Rather Than Promises.

The above is the motto of The Myers Advertising Agency of Rochester, a concern that is making itself felt in the advertising world by proving to its patrons that the maxim is not a misnomer. On their list of space users are some of the largest and best known advertisers, and Rochester is fortunate in having such an agency among its business institutions. Mr. F. A. Partenheimer, formerly advertising manager for several large and prosperous establishments of this country, and favorably known by the newspaper fraternity, is connected with the company and gives his personal attention to building up all classes of business by publicity through the medium of the press. H. G. Myers is president and E. W. Hills secretary and treasurer of the company. Correspondence is solicited from those who contemplate a campaign of advertising, either large or small, and a representative will call and tell you frankly the best possible means of enlarging your business throughout the whole country or in a specific territory.
