THE CIVIL SERVICE.

For State Board of Commissioners, see page 1212.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments and confidential subordinates), must be filled from applicants who have successfully passed an examination by a Board of civil service examiners, or from registered list of laborers.

A Board consisting of three members is appointed by the mayor, who also appoints the secretary and chief examiner.

Whenever a position is to be filled, the examining Board will notify the applicants on record, to appear for examination, and appointments must be made by the appointing power from the list prepared by the commission.

Soldiers or sailors who served in the war of the rebellion, having any standing on the list, have the preference. Soldiers and sailors of Spanish-American war have no preference in appointment.

The NORTHWESTERN MUTUAL LIFE INSURANCE COMPANY

OF MILWAUKEE, WIS.

ORGANIZED 1857

You realize that during the years 1905 to 1908, investigations, far-reaching and thorough, have been made of the Life Insurance business. You know that since 1905 YOU have given more thought to Life Insurance,—the relative merits of the different Life Companies,—than ever before. SO HAVE OTHERS.

NET RESULT, 1906-1907.

New Insurance issued on paid-for basis by 36 Companies, $2,177,711,000
Net GAIN or INCREASE of Insurance in force, 36 Companies, 296,710,000

	INSURANCE GAINED	PER CENT. OF GAIN TO NEW ISSUE
Northwestern - -	$117,297,000	57.4

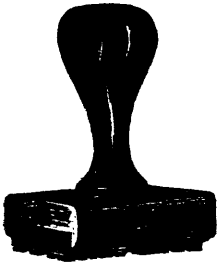
OUR entire establishment is located in the Aqueduct Building, foot of Graves and Aqueduct Streets, just a step from the Four Corners. Take the elevator to the fifth floor, our business offices, or to the sixth, our editorial library. Our facilities are at your disposal.



We carry a full line of all law books, new and second-hand, and have a specially attractive proposition in the form of Annotated New York Reports.—Chancery, Common Law and Court of Appeals, to date.

We are pleased to give any lawyer who calls a souvenir in the shape of a copy of the above picture of Melville W. Fuller, C. J.

YOUR ADVERTISING LITERATURE SHOULD ATTRACT THE EYE, hold the attention and make a favorable impression. Dump the contents of your waste basket and note the amount of printed matter that has failed in its mission. The text embodied may have been carefully prepared, the article mentioned high-class and the proposition an excellent one, but the most important—the appearance—you will find has been slighted. The expense of preparing, printing and mailing has been wasted. If you are planning a catalog, brochure, announcement, mailing card, circular, or any work intended to promote your business, consult the GENESEE PRESS. Some of the most effective advertisers in the world are among the patrons of this complete printing house. Each department is in charge of experts, assuring excellence of engravings, attractive yet dignified type arrangement, brilliant and clean press work. All orders, whether large or small, will receive the same careful attention as to detail.

ELECTRIC VEHICLES

WE make a specialty of taking care of Electric Vehicles, and solicit your patronage on the promise of exemplary service in not only keeping machines clean, but by paying special attention to caring for and charging the batteries. The only argument against electric machines is battery trouble, and nine-tenths of this is due to improper care and careless charging, which can be entirely eliminated. This department in both of our stations is under the supervision of experts on storage batteries and electric motors.

TELEPHONE YOUR TROUBLES

FOR the convenience of those who have trouble while out with their machines anywhere within the county, we hold a grip full of tools, all sizes of tires, a tow rope and a wrecking car in readiness. Almost every farm house has a telephone. You can save time by using it. We will come to your rescue at any hour day or night, and if your troubles are too great for quick road repair, the tow rope will get you home.

REPAIR DEPARTMENT

IN this department we take special pride, and have spent thousands of dollars to install the finest machinery obtainable, and we are prepared to make in our own shop any part of a gasoline engine, no matter what kind, thus avoiding the great loss of time usually experienced in ordering parts from a factory.

We employ skilled workmen and experienced machinists, and with the advantages of the latest and most accurate machinery are able to manufacture any part that is needed, from an axle or crankshaft to the most intricate part, just as good and in many cases better than the original. If you cannot get what you want elsewhere come to us. If we haven't it in stock we can make it on short notice.

THE McWADE SYSTEM OF SELLING GOODS BY MAIL

(TAUGHT BY CORRESPONDENCE)

This Course of Instruction is a result of years of experience and research. It will qualify any man to increase his earning capacity regardless of his present occupation.

IT SHOWS THE MERCHANT

how to increase his sales and decrease his selling expense **and offers him, absolutely, the only solution of the problem of meeting the mail order competition.**

IT SHOWS THE MANUFACTURER

how to sell his product direct to the consumer.

It is the only complete exposition of the science of selling by mail ever devised and the only Course indorsed by the largest makers of Office, Filing and Record Systems in the world.

If you wish to better yourself, or increase your business, or open a mail order department, or start a mail order business, we invite you to call at our office. **Do not spend one penny in the mail order business until you have seen us.**

If you do not wish to take up the course, *we can do this for you—*

Lay out your Follow-Up System.

Frame up your Form Letters and produce them in any quantity.

Write your Advertising Matter, Catalogues, Circulars, and Booklets, or revise those you now have so they will bring business.
