THE CIVIL SERVICE.

For State Board of Commissioners, see page 1449.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments and confidential subordinates), must be filled from applicants who have successfully passed an examination by a Board of civil service examiners, or from registered list of laborers.

A Board consisting of three members is appointed by the mayor, who also appoints the secretary and chief examiner.

Whenever a position is to be filled, the examining Board will notify the applicants on record, to appear for examination, and appointments must be made by the appointing power from the list prepared by the commission.

Soldiers or sailors who served in the war of the rebellion, having any standing on the list, have the preference. Soldiers and sailors of Spanish-American war have no preference in appointment.

COLOR PLATE ENGRAVING AND COLOR PRINTING

¶ When commercial subjects are to be reproduced for advertising purposes it is not only essential that correct form and texture be shown, but that the greatest accuracy in color be obtained. To sell goods they must be presented in the ACTUAL COLORS of the ORIGINAL. The most successful catalogues—the ones that bring trade—are printed in colors. Our methods enable us to produce plates direct from the objects or from color drawings. No color problem is too difficult for us.
