A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

Too Late For This Issue?

Then arrange NOW to have your name properly listed and your business classified and cross indexed in the next edition of the Rochester Directory.

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put "We are listed in the directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly listed under all headings in the directory that describe it's product, is wise

A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

The Sign Over the Door

Is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it would it interest you?

THE CITY DIRECTORY

Is where people look for you when they want to do business. You should make it easy for them to find you, by putting such information as a buyer wants, in the Directory properly indexed under all headings where he might look for you.

To be properly registered costs less than to be left out

HOW TO MAKE THIS BOOK SERVE YOU !

The City Directory may be used to great advantage in supplementing and rounding out your newspaper publicity. Put—"We are listed in the directory" in your copy. Tie up all your advertising to the directory with the above phrase. Then see to it that you are properly represented under all the business listings applicable to your business. The phrase will stick long after the newspaper has been mislaid and people will get in the habit of looking for your name when ready to purchase goods which you carry. Thus will the interest aroused by your newspaper display be extended and preserved for your future benefit.

HOW TO MAKE THIS BOOK SERVE YOU !

The City Directory may be used to great advantage in supplementing and rounding out your newspaper publicity. Put—"We are listed in the directory" in your copy. Tie up all your advertising to the directory with the above phrase. Then see to it that you are properly represented under all the business listings applicable to your business. The phrase will stick long after the newspaper has been mislaid and people will get in the habit of looking for your name when ready to purchase goods which you carry. Thus will the interest aroused by your newspaper display be extended and preserved for your future benefit.

Life Insurance Service

The true function of a life insurance representative is not that of a salesman, but of a trusted counselor. Specialized knowledge of insurance is required and the ability to study problems from the viewpoint of the insured.
This is the attitude toward life insurance in which representatives of the Phoenix Mutual are steeped.
Your life insurance deserves skilled and trustworthy counsel, which we are equipped to give.

He Who Runs Can't Read

7:30 a. m.—The hated alarm clock rings.

7:35 a. m.—The family is thinking about getting up.

7:40 a. m.—Dad is shaving.

8:10 a. m.—Dad is hunting for his collar button and calling out that "he'll be ready for breakfast in a minute."

8:30 a. m.—Bids a hurried good-bye to the family—picks up the morning paper from the front porch—glances at the headlines as he hustles down-town.

6:00 p. m.—Reaches home—picks up EVENING PAPER and carries it INSIDE.

6:45 p. m.—Has lighted his jimmy pipe, settled down to read the paper.

7:30 p. m.—The family joins him, begs for part of the paper, and eventually reads the whole paper thoroughly.

NOTE: He who runs CAN'T read. Morning "headline hoppers" are thorough readers in the EVENING. Every member of the family reads your EVENING advertisement.

The morning paper is a "front page" paper.

The EVENING advertisement exposes itself to READERS.

The MORNING advertisement HIDES ITSELF from runners.

Concentrate your advertising in evening papers. Get your store news read IN THE HOME when the family is AT LEISURE.

HOW TO MAKE THIS BOOK SERVE YOU!

The City Directory may be used to great advantage in supplementing and rounding out your newspaper publicity. Put—"We are listed in the directory" in your copy. Tie up all your advertising to the directory with the above phrase. Then see to it that you are properly represented under all the business listings applicable to your business. The phrase will stick long after the newspaper has been mislaid and people will get in the habit of looking for your name when ready to purchase goods which you carry. Thus will the interest aroused by your newspaper display be extended and preserved for your future benefit.

Good Printing is Planned

THESE are some of the elements that enter into a good product: Apt illustrations, good engraving, correct typography, clean-cut press work and suitable and expressive papers.

These units must be assembled with a definite idea in mind as to their suitability.

All of this work is done under one roof and exacting supervision, which assures a high standard of quality and prevents annoying delays.

Nature Uses Color

By courtesy of the Eastman Kodak Company
Plates and Printing by the Genesee Press

NATURE uses Color with a lavish hand. She understands how to appeal to the human family. She knows all of our moods and fancies. Advertisers may well learn a lesson from the workings of nature. Use Color to arrest attention, mold favorable public opinion for your products, and, finally, to influence buying. But color work should be done correctly, artistically and effectively. A wealth of knowledge and experience in color engraving and printing is at the disposal of our customers.

The Home of Good Directories

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put—"We are listed in the Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise.

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate,—That's the kind we make. Ask us to tell you about this branch of our business.

Ask Sampson & Murdock Company
about the City Directory, the book of many uses.

HOW TO MAKE THIS BOOK SERVE YOU!

The City Directory may be used to great advantage in supplementing and rounding out your newspaper publicity. **Put—"We are listed in the directory"** in your copy. Tie up all your advertising to the directory with the above phrase. Then see to it that you are properly represented under all the business listings applicable to your business. The phrase will stick long after the newspaper has been mislaid and people will get in the habit of looking for your name when ready to purchase goods which you carry. Thus will the interest aroused by your newspaper display be extended and preserved for your future benefit.

The Sign Over Your Door

Is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it would it interest you?

THE CITY DIRECTORY

Is where people look for you when they want to do business. You should make it easy for them to find you, by putting such information as a buyer wants, in the Directory properly indexed under all headings where he might look for you.

To be properly registered costs less than to be left out.

POWER of ADVERTISING

The **City Directory** is the power that generates information for the buyer that he may know who deals in the product he wishes to to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.
