A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

WHAT OUR DIRECTORIES CONTAIN

Halls, Blocks and Buildings	Courts, Officers, etc.

COMPILING DEPARTMENT

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over eighty years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation.

ADVERTISING DEPARTMENT

Put—"We are listed in the Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you

DIRECT MAIL DIVISION

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate—That's the kind we make. We will also multigraph, address, stamp and mail your letters. All you need to do is to tell us your general plan. We will work out the details. Ask us to tell you about this branch of our business.

***When you see our name in a Directory you may
be sure of these four things***

1st.—Every effort has been made to secure accurate information

(We employ men of experience and ability and insist on accuracy)

2nd—The price of the book is as low as the cost of production and a reasonable profit will allow.

(Compare prices with those of other directories from all over the country)

3rd—The Advertising Department is a fair representation of the best business houses of the city.

(A glance over the advertising section will prove this statement)

4th—The Advertiser gets more for his money than from nearly any other publication.

(Our representative will gladly show you why)
