***When you see our name on a Directory you may
be sure of these four things***

1st.—Every effort has been made to secure accurate information.

(We employ men of experience and ability and insist on accuracy)

2nd.—The price of the book is as low as the cost of production and a reasonable profit will allow.

(Compare prices with those of other directories from all over the country)

3rd.—The Advertising Department is a fair representation of the best business houses of the city.

(A glance over the advertising section will prove this statement)

4th.—The Advertiser gets more for his money than from nearly any other publication

(Our representative will gladly show you why)
