Information

in the mass seems like a dull proposition, but when we have a need of some person or thing nothing interests us more than getting information about that person or thing.

This directory looks like a big book to be walked around or fallen over or put out of the way, until you need some information that it contains—then it becomes the handiest thing around the place.

Has it ever occurred to you how much information you could get from this book, if you really knew how to use it?

There is a great mass of information here, arranged in a logical way that experience has shown most easily referred to. It does take a little study to know how to make full use, however, like anything else worth while.

A little study that opens up a new way to save time or increase accuracy is an asset to anyone. It may be you will find a lot of information you did not know was here before, that you would have spent a lot of time and trouble to find in other ways, and you will have increased your efficiency just that much. In buying, in selling, in shipping, correspondence, granting credit, sending bills, collecting money—

Accurate Information is worth all it costs.

UNDER ONE ROOF

Behind the scenes of Rochester's largest department store are many services that take the worry out of work for countless patrons. Supervised by experts, these Service Departments do scores of jobs in a craftsmanlike manner which has won appreciation throughout Western New York.

For instance: We upholster furniture expertly with any materials you select. We make draperies and curtains for every room in your home in the smartest styles that fashion dictates, offering estimates without obligations. Furniture is repaired or refinished so it looks like new, and at a cost which saves many dollars.

We offer every kind of Decorating Service from a single room to an entire home; cellar to attic. Our Interior Decorating staff is competent to help you select any home needs or plan out any interior decorating arrangement.

Our Costume Studio offers an unique service in making any type of garments for those who prefer other than the "ready-to-wear." Many wedding parties are entirely arranged at the Store, where we produce trousseaux; wedding gowns consummately lovely, charming frocks and hats for the bridal party.

These and scores of other services are yours for the asking in the Big Store which functions for all the family, all the time.
