WARNING!

"He Was a Stranger and He Took Me In"

Unknown solicitors representing various questionable publications take at least $100,000.00 from Rochester business and professional men annually.

These publications include many one time directories and business indexes which are unauthorized by organizations which the solicitor claims to represent. They are of no value to anyone except the promoter.

Included in a list of over one hundred on file in this office, are the following classifications:

- Travel and Hotel Directories
- Railroad Employees' Journals
- Buyers Commercial Register
- Sellers Reference Guides
- Buyers Classified Guides
- Trade Indexes
- Business Guides
- National Reference Guides
- N. Y. State Business Directories
- Industrial Directory
- Sheriff's & Police Officer's Directories

Before paying for advertising in out-of-town directories represented by strangers, verify your signature and check the source of the order. **Before You Sign**, Phone this office for a report on the publication. Our information costs you nothing and may save you much—if you

DON'T KNOCK—BOOST!

SELECTED

If you want to live in the kind of a town,
Like the kind of a town you like,
You needn't slip your clothes in a grip
And start on a long, long hike.
You'll only find what you left behind,
For there's nothing that's really new;
It's a knock at yourself when you knock your town,
It isn't your town—it's You—

You Cannot Sell

Your merchandise through newspaper advertising in homes where the newspaper you are using does not go.

That is why successful, growing, money-making stores use the Democrat and Chronicle.

To make money from your advertising, demand detailed A.B.C. Alert advertisers are now demanding catalogues that are more than a mere listing of their products; they want books that are sales forces—that present the same well-planned sales arguments that the star salesman uses. We are serving a large clientele with this effective type of sales medium; and we can be of help to you also.

PARTY LINE TELEPHONE RULES
When making a telephone call, remove the receiver and listen. If the line is in
use, replace the receiver immediately and wait for a few minutes before trying
again.

The length of a conversation should in no case exceed five minutes, and you are
requested to make it as brief as possible. Allow an interval of a few minutes to
elapse before calling another party, as someone on your line may be waiting to
make an emergency call.

Do not tolerate anyone to listen at your telephone when the line is in use.
