

ROCHESTER HOUSE AND STREET DIRECTORY

Copyright, 1937, Sampson & Murdock Co., Inc., Boston, Mass.

Names of householders and business places arranged in numerical order upon their respective streets. The streets are arranged in alphabetical order; on streets that are not numbered numbers are used in place of a street number. Intersecting streets are shown in bold face.

Business places are denoted by business being given. In business blocks the occupants are arranged by room number where practicable.

When business and residence are at the same place, it is indicated by business being given followed by abbreviation b.

House numbers are in ordinary type, business numbers in bold face, room and apartment numbers in italic.

Street numbers begin at the end of the street nearest the centre of the city. Even numbers are upon the north or east side of streets. Odd numbers are upon the south or west side of streets.

After each street the car or bus line running through or nearest to it is named.

*Denotes streets improperly numbered.

A HOME OWNERS AND TENANTS DIRECTORY—A valuable feature showing which houses are owned by the occupants. The symbol, ©, following the name of a householder indicates that the house is owned by the person listed, or by some member of the family.

This information is as received by the canvasser. The publisher does not and cannot guarantee its correctness.

Abbreviations:—al, alley; av, avenue; bd, boulevard; ct, court; e, east; fr, from; h, house; n, north or near; pl, place; rd, road; s, south; sq, square; st, street; sum, summer residence; ter, terrace; w, west; wd, ward.
