INTRODUCTION

R. L. POLK & CO., publishers of more than 750 city, county, state and national Directories, present to subscribers and the general public, this, the 1942 edition of the Rochester City Directory.

Confidence in the growth of Rochester's industry and wealth, and in the advancement of their civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Rochester to the world.

The enviable position occupied by R. L. POLK & CO.'S Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty co-operation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Rochester Directory will fulfill its mission as a source of authentic information pertaining to the city.

Five Major Departments

The five major departments are arranged in the following order:—

THE MISCELLANEOUS DEPARTMENT, on white paper, pages 7 to 39, presents lists of city, county, state and federal officials, post office information, schools and institutions, with officers, courts holding sessions in the city, population tables, statistical review, and manufacturing, trade and civic surveys.

THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns, on white paper, is included in pages 49 to 968. This is the only record in existence that aims to show the name, marital status, occupation and addresses of each adult resident of Rochester, and the name, official personnel, nature and address of each firm and corporation in the city.

THE BUYERS' GUIDE beginning opposite page 968, printed on tinted paper in a separate series of pages from 1 to 68, contains the advertisements of leading banking, manufacturing, business and professional interests of Rochester. The advertisements are indexed under headings descriptive of the business represented. This is reference advertising at its best, and merits a survey by all buyers eager to familiarize themselves with sources of supply. In a great commercial and industrial center like Rochester, the necessity of having this kind of information immediately available is obvious. General appreciation of this fact is evidenced by the many reference users of this City Directory service.

THE CLASSIFIED BUSINESS DIRECTORY is included in pages 969 to 1077, on yellow paper. This department lists the names of all business and professional concerns in alphabetical order under appropriate headings. This feature constitutes an invaluable and indispensable catalog of the numerous interests of the community. The Directory is the common intermediary between buyer and seller. As such it plays an important part in the daily activities of the commercial and professional world. More buyers and sellers meet through the Classified Business Directory than through any other medium.

THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, on pink paper, covers pages 1081 to 1346. In this section the names of the streets are arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. A feature of this section is the designation of tenant-owned homes.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Rochester.

The Rochester Directory Library

Through the courtesy of the publishers of the Rochester City Directory, a Directory Library is maintained in the Public Library, for free reference by the general public. This is one of more than 500 Directory Libraries installed in the chief cities of the U. S. and Canada by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

Write name and address plainly and completely. Place name and address of sender on all matter. Prepay postage fully on all letters and parcels.

Always address mail for city delivery to street and number and request correspondents to do likewise.

Use designation North or South, East or West when it is a proper part of the address and save delay in delivery.

Insure valuable parcels. Wrap parcel post carefully in heavy paper and tie knots securely.
