SAVE TIME—SAVE MONEY

ON SOLICITATIONS

Follow this effective guide to control solicitations:

1. **Refuse all solicitations by telephone.**
2. **When solicited personally, refuse to contribute to any cause until you call the Bureau for a report, or,**
3. **Hand the solicitor our questionnaire form. (Ask us for a supply of these forms.) If filled in, forward to Bureau.**
4. **On all advertising solicitations for which you subscribe, pay only on delivery of publication to you.**

What will this accomplish? It will take your name off the "sucker" list, protect you from fraudulent and spurious promotions, reduce solicitation expense, give you the satisfaction of **knowing where** your money is really going.

THE BUREAU HAS NOTHING TO SELL

The voluntary membership of the Bureau includes Newspapers, Broadcasting Stations, Banks, Financial Institutions, and other business firms including Manufacturers, Retailers, Insurance, Professional and Service groups.

Business interests and the public depend upon the Bureau for FACTS.

The Bureau is NOT connected with ANY LOCAL ORGANIZATION OR PUBLIC OFFICE.

Make your advertising dollars doubly effective

City Directory Advertising assures you of results when the buyer is ready to buy.

Large amounts are expended annually in newspaper, billboard, radio, and direct mail advertising to create a desire for goods. Response is not immediate. Many people want the goods but are unable to buy at the time. The effect of a great portion of your advertising expenditure is lost.

City Directory advertising recovers this loss. It is there, where the buyer can find you, when he is ready to buy.

Your firm and its products should be prominently displayed.

Be sure your business is represented in the next issue

POWER OF ADVERTISING

The **City Directory** is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you!

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.

There's a Good Service Man Right in Your Own Neighborhood

You can save money, time and inconvenience by keeping your electric and gas household appliances in good working order. Right in your own neighborhood there's a dealer who maintains a good service department and who'll do your repair work efficiently and economically. Call him when something goes wrong. When you give a repair job to a dealer in your own neighborhood you'll not only get good service but you'll help to conserve the time, gasoline and wear on tires that are required for lengthier service trips.

KEEP YOUR HOUSEHOLD APPLIANCES IN GOOD WORKING ORDER

Daily Reading DIRECTORY For The Family

It is by design, not chance, that the contents listed in the front page index of the Rochester Times-Union touch all the fundamental interests, emotions and instincts of every reading member of the family. Into the home goes a COMPLETE newspaper — accurate, up-to-the-minute news of the day — columnists, comics, cartoons, women's pages, vigorous editorials and a variety of daily features which advance the interests of our readers.

ROCHESTER TIMES-UNION

Read By Over 100,000 Families

AS IN 1917, SO IN 1942

(Excerpts from Marshall Lynn's official report of 1917)

"... and from no source have I received more help than from the German people. "The German Daily (The Rochester Abendpost) has done very valuable service in bringing the attention of its readers to the attitude of the government—and urging with able argument, all of the German people to unqualified loyalty to this government."

THE ABENDPOST IS AGAIN ALIVE TO THE DUTIES AND RESPONSIBILITIES RESTING UPON IT AT THIS TIME. IT IS RENDERING VALUABLE SERVICE TO EVERY BRANCH OF THE GOVERNMENT THROUGH ITS COLUMNS.

TELEPHONE SERVICE

PROTECT YOUR INVESTMENT

In business, every effort is made to prevent loss by fire. Sprinkler systems, trained fire squads, handy fire hoses all play their part; insurance nearly always covers actual damage. But the inconvenience, the loss of customers and interruptions in production can be avoided by the speed with which fire is prevented from growing, by the telephone.

A number of extension telephones throughout a plant or an office is an important asset to any business, when emergencies like fire arise. Quick communication then is absolutely necessary. The business — or the home — protected by the telephone is more secure against loss.
