Too Late For This Issue?

Then arrange NOW to have your name properly listed and your business classified and cross indexed in the next edition of the AUBURN DIRECTORY.

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put "We are listed in the directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly listed under all headings in the directory that describe it's product, is wise

Investigate the City Directory, the book of many uses

Sampson & Murdock Co., Inc.

Directory Publishers Since 1846

Every Wasted Minute Costs You Money

Whether it's your time or that of an inexpensive clerk that is wasted by using an out of date directory, the loss is yours.

In the course of a year the time wasted usually costs far more than the price of a new directory.

Misdirected parcels or messages cause expense and annoyance.

Cut out this leak. Order a new directory at once. It will pay you bigger dividends for the money invested than you realize.

Your Business on Record All Over America

**Hundreds of Directory Libraries Can Give Your
Advertisement National Circulation**

Thousands of your potential customers are visiting the City Directory Libraries of the United States and Canada every month seeking sources of supply and other information. These library locations are advertised and publicized consistently and continually. These libraries are maintained by the Association of North American Directory Publishers through the courtesy of the members who keep them supplied with City Directories as part of their service to the public. Is your product or service properly registered in these

libraries so that those looking may readily obtain the information desired? This library system is a sound economic feature that brings your product or service within the reach of millions at a cost to you that is surprisingly low in comparison with proven results. A folder, descriptive of this huge system of City Directory Libraries, together with a privilege card entitling you to the benefits of free usage, is yours for the asking, on your business letterhead. Apply either to your local Directory Publisher or to

A Lasting Advertisement

**Insuring Maximum Coverage at Minimum
Cost Is Now Available**

City Directory Advertising lives as long as the book is current. It is readily at hand and can, through cross indexing of proper representation, be made easy to find and fully informative. Any business-man, desirous of effectively registering a service or product, in such a manner as will form a permanent advertisement, owes it to himself and his business to be thoroughly informed on City Directory Advertising.

Your City Directory is not alone a local medium. By a system of distribution through nearly 500 City Directory Libraries, your advertisement takes on a national aspect. Send for descriptive Library Folder and Privilege Card.

IRONDEQUOIT HOUSEHOLDERS

AND COMPLETE

STREET DIRECTORY

1930

COPYRIGHT, 1930, SAMPSON & MURDOCK CO. INC., ROCHESTER N. Y.

The Streets are arranged in alphabetical order.

Intersecting streets are shown at the actual numbers of beginning, crossing, or ending, in *italics*.

House numbers are compiled in order of location on the street, ciphers being used where numbers are lacking.

Numbers are printed in two columns, to show location on left or right side of street.

Place of business is indicated by the nature of business being stated after name; and where business is carried on at residence the abbreviation "h" (for house) follows the business.

Resident property owners are denoted by an asterisk * after name.

Post office follows description of street, in parenthesis. Mail is delivered in Irondequoit through the Rochester post office, by carrier or R. D 4, 5 or 7, or through Point Pleasant, Sea Breeze or Claverhouse post offices.

What is a Live Prospect?

He is a man with a lot of questions in his mind. He wants to know Where and What and Who and How and When.

Thousands of live Prospects are looking in directories daily to find out

Where they can buy something

What they can get for their money

Whom they can buy it from

How they can get it

The time to sell a prospect is when he is alive. Make this book your Salesman to live prospects.
