## The Return Circuit in Advertising

*The circuit must be completed before the bell will ring  
The Buyer must find the Seller before a Sale is made*

---

**Creative Advertising**—in newspapers, magazines, billboards, etc., tends to suggest wants and to create desire.

Before a sale results the initiative must pass from Seller to Buyer.

When this happens the Buyer begins actively to seek where he can best supply his wants.

**This Directory** is a logical place to look (at least our subscribers tell us they use it for this purpose) and the Reference Advertising herein has assisted many sales.

---

Have you made it easy for Buyers to find **You?**
