WARNING!

“He Was a Stranger and He Took Me In”

Unknown solicitors representing various questionable publications take at least \$100,000.00 from Rochester business and professional men annually.

These publications include many one time directories and business indexes which are unauthorized by organizations which the solicitor claims to represent. They are of no value to anyone except the promoter.

Included in a list of over one hundred on file in this office, are the following classifications:

Travel and Hotel Directories
Railroad Employees' Journals
Buyers Commercial Register
Sellers Reference Guides
Buyers Classified Guides

Trade Indexes
Business Guides
National Reference Guides
N. Y. State Business Directories

Rochester Suburban Directory

For the year 1934

INCLUDING THE TOWNS OF
BRIGHTON, GATES, GREECE and IRONDEQUOIT

A Supplement to the Rochester Directory

Containing

Alphabetical Section (White Pages) for each town, giving names, occupations and addresses of all persons over twenty years of age, business and post office addresses.

Business Directory (Page 425) of all firms or individuals in business or profession, under listing best describing their service or product.

Reference Department (Page 17) where more information than is possible to give under the headings is placed on file for buyer's reference. The value of this department cannot be estimated. It is an index of the best business interests of the town, and stands for them and the town in reference libraries all over the country, as well as on the desks of progressive business men. It is accessible to everybody, and the logical place to look for specific information. This probably explains why no other form of publicity is so generally endorsed by business men, as a glance at this department will show.

House and Street Directory (Pink Sections) A complete list of streets, giving location of intersections and enabling one to tell at once between what streets a given number lies, and the quickest way to get there. All business houses, individuals in business, and householders are listed in numerical order upon their respective streets. Resident property owners are designated, and Post Office address is given for each street. A feature of great value and convenience.

A NEW FEATURE: HOMES OWNED BY OCCUPANTS INDICATED BY SYMBOL®

(Note: this information is as given to our canvassers, and is not guaranteed by us. It should be of value as an indication, but not taken as legal proof of title.)

ROCHESTER SUBURBAN DIRECTORY

REFERENCE DEPARTMENT

Where more complete information than is possible to give under the classified listings is assembled for the convenience of buyers. It is a catalog of services offered by leading business interests of the community and is the logical place to look for specific information concerning them.

YOU LIKE to Patronize those Concerns Who are in Business to Stay.

It's human to expect that such business establishments always stand back of the wares they sell.

The advertising in this Directory is suggestive of the stability and permanency of the advertisers.

Frauds, fakes, get-rich-quick and other schemers have little use for directory advertising. It lives too long.

The modern city directory is a business institution. It occupies a place peculiarly its own. It is as necessary to the progress and development of a city generally as anything naturally would be which deals with such a fundamental as the citizens themselves.

**IF YOU ARE NOT ADVERTISING YOUR
BUSINESS IN THE DIRECTORY, MAY WE
EXPLAIN HOW AND WHY IT WILL PAY
YOU.**

EXPERT WATCH AND JEWELRY SERVICE**259 MAIN ST. E. opp. Sibley's****Phone Stone 710*****A Buyer Wants Information***

Does your copy tell him more than he already knew when he turned to the page bearing your advertisement? Purchasing agents often tell us they find a concern specializing on just what they are looking for by turning to these descriptive spaces, but that in many cases insufficient information is given.

Whatever helps the buyer to find what he wants means business for the seller. Anyone referring to a directory advertisement does so because he is already **interested**. Therefore space need not be used to attract **attention** or **create desire**.

Treat the reader as you would a person coming direct to you, inquiring about your service or product with the idea of doing business. Don't let your prospect turn away from your ad without finding out why you are equipped to serve him.

Notice of Renumbering Town of Brighton

Owing to the fact that some of the houses in Brighton are not numbered, and in other cases several houses have the same number, it is deemed necessary that some uniform system be established. In some cases this means that the present house number will need to be changed where the wrong number has been used, and in cases where the house has had no number, a number is designated.

The Post Office has requested that the following suggestions be observed by property owners in placing numbers.

Numbers should be placed in plain view from sidewalk, preferably about six feet above ground near to or over entrance and as close as practical to street where they are more likely to be lighted at night by street lights. Figures at least two inches or over in height are recommended in black on white, or similar contrasting colors.

On account of our house numbering being a problem for many years, I urgently ask you to co-operate with the above recommendations wherever possible.

Very truly yours,

SAMUEL A. COOPER, Supervisor
Town of Brighton
