## Northwest Kiwanis Gives Awards To Seven As "Good Neighbors"

Seven men, selected for service to their communities, were honored at last week's meeting of Northwest Kiwanis. They were named "Good Neighbors of the Year" and were presented framed certificates by the Kiwanis Club in special ceremonies at the new Schrafft's Motel attended by numerous town officials of Greece as well as a large turnout of Kiwanians.

Chairmen of seven district committees were introduced by Robert H. Johnson, program chairman, and each in turn presented a "Good Neighbor," citing the reasons for his selection.

Francis Cramer cited Charles Sufleski, a Kodak foreman, for his work with the Greece Youth Athletic Association. Thomas Pritchett presented the award to Detective William Gray for two life saving accomplishments, 20 years with the Red Cross, 25 years as an exempt fireman and many years of aiding needy families and directing youth work in Greece.

Rev. Robert Rowsam praised Robert Menzie, who is employed at Eastman Kodak, for his efforts in behalf of the Citizens' Tax League of which he has been secretary since 1935. Howard Williams cited Edward Gordon, John Marshall High teacher, for going to South Vietnam at his own expense to help install wells and to start a rabbit breeding project there for food purposes. (He is going back next year when he retires, Gordon revealed). He regards that country's survival as a "must" if the whole of Southeast Asia, including Japan and Australia is not to go communistic.

Howard Genano honored attorney Leonard Marafioti for his services as chairman of the board of management of Maplewood Y.M.C.A., as a Scoutmaster and Sunday School teacher. Herbert Schmitz cited Joseph Korbel, employed by H. B. Chemical Co., for his work with boys, especially the 40 and 1 Little League and Boy Scouts.

Dr. Paul LaLonde, dentist, was also chosen as a "Good Neighbor," but had to receive his award a week earlier since he was leaving for another period of work as a dental missionary in Africa. It was for this work that he was honored.

The certificates were signed by Gerald Bradley, Northwest Kiwanis president last year, and

## Dinner To Honor Supervisor Neilon

The Ninth Ward Republican organization is sponsoring a testimonial dinner for Supervisor Robert P. Neilon on Tuesday evening, Feb. 11. It will be held at the Redman's Club, Lexington Ave. at 6:30 p.m.

Committees are: General chairman, Edwin Blodgett; co-chairman, John Romano and Sally Sullivan; tickets, Harold Dorsey; guest speaker, Judge Norman H. Selke; publicity, Gerald Sutfin, Tom Reddy and Ben Miller.

Tickets have been distributed to sector captains and district leaders. All friends of the supervisor and all ward residents are invited to attend.

## C of C Installs Pike As Its President

Dewitt Pike, vice president of Rochester Gas and Electric Corp. was installed as the 76th president of the Rochester Chamber of Commerce at a dinner Monday night at the Chamber. He is the fourth member of the company to be elected to this office.

## Fish Fry Jan. 24

A fish fry, open to the public, is being planned for Friday, Jan. 24, at Wesley Methodist Church, Dewey at Christian Ave. Reservations should be phoned to NO 3-6267 by Jan. 22. Tickets are adults \$1.25, children 75 cents.

Gerard P. Hahn, Jr., club secretary. Each of the honored men was congratulated by Ray Slingerland, the new Kiwanis president.

THE NEW PROGRAM CHAIRMAN, Lloyd Lembcke, signed up two of the "Good Neighbors" as club speakers, Mr. Menzie for last Tuesday and Mr. Marafioti for next Tuesday.

## Still Seeking No. 30 Funds

The plea for financial contributions by the No. 30 School District Association (printed in last week's issue) brought "considerable response" according to Joseph Petrelli, association treasurer, but the fund is still short and more donations are urgently needed. The association has hired a lawyer and has vowed to press for rescinding of the Board of Education's shift of some 127 Negro pupils from School 3 to School 30.

A committee has been making personal solicitations, but is unable to reach all homes in the school area, says Petrelli. He is receiving contributions at his home, 26 Karnes St., on behalf of the association.

## Church To Choose New Councilmen

Annual congregational dinner will be held at Lutheran Church of the Redeemer Sunday at 6:30 p.m. At the meeting following the dinner seven councilmen will be elected to complete the board of 24; a new constitution will be adopted to comply with the new Lutheran Church in America; the proposed budget for 1964 will be voted on; and a vote will be taken on extending a call to the Rev. David Kaiser as assistant pastor.

Sunday schedule: Church worship 9 and 10:45 a.m., Sunday School 9 and 10:45 a.m. Infants cared for during both services. The pastor's new member class will meet in the parish house from 2 to 3 p.m.

Monday, Jan. 20, Cub Scout Pack at 7 p.m.; Sunday school teachers meeting at 7:30 p.m.; Friendship Circle at 8 p.m.

Tuesday, Jan. 21, Greece Circle meeting at 8:30 p.m.

## Dr. Rock To Tell School Problems

Dr. William Rock, director of planning and research for the Rochester School District, will speak on "Improving educational opportunities for all our students" at a meeting for parents sponsored by the John Marshall Community Association. The meeting, first of two, will be held at the high school in Ridgeway Ave. on Monday, Jan. 27, at 8 p.m. The second meeting will be in March.

All people in this area who are interested are welcome, according to J. Elmore Jones, who heads the association. Purpose, he states, is to "acquaint the people with the social and educational problems which arise in our community and to give them some insight into the way in which these problems are being met by our representatives."

## Auto Licenses At Firehouses

The Automobile License Bureau is opening temporary sub-stations for the issuance of 1964 automobile plates, as is its usual custom. Two firehouses in this area are being used for the purpose, at Dewey and Bryan (Engine No. 20) and Ridge Rd. near Kodak Park (Engine No. 10). These will be open Jan. 21 through 31 daily, except Sunday, from 2 to 8 p.m.

## Grinnan Is Named U-R Club Manager

Warren (Terry) Grinnan has been named manager of the new faculty club and restaurant at the University of Rochester. The club, which will cater to teachers and administration officials exclusively, will open for the first time in the near future, in a new building on the River Campus.

Grinnan, son of Mr. and Mrs. Frank Grinnan of Ridge Rd. W., served last year as manager of Braemar Country Club.

## Special Education Is PTA Subject

Calvin Lauder, acting coordinator of Instructional Services of the Board of Education, will be the guest speaker at the Jan. 21 meeting of Kodak Park School #41 P.T.A. at the school, 279 Ridge Rd. W., at 8 p.m. His topic will be "Special Education Program in the Public Schools," pertaining to ungraded classes, School #5, Edison Tech - and other special classes.

Refreshments will be served in the school cafeteria. Hosts to be parents of the 3rd grade children.

## Wanzer To Speak At "Y" Banquet

Bobby Wanzer, former Rochester Royals basketball star, will be guest speaker at the Maplewood Y.M.C.A.'s seventh annual Leaders' Recognition Banquet on Wednesday evening, Jan. 22.

Leaders who have contributed volunteer hours to the "Y" physical education program will receive awards and the program will also include an induction ceremony involving new members of the four different leaders' clubs represented, and a film program.

Last year 55 boys and men were trained as physical education leaders in Maplewood Y.M.C.A.'s leadership program which includes four nationally registered clubs.

The week of Jan. 19 through 26 is National Y.M.C.A. Week, and Maplewood Branch will have "Parents' Observation Week" during this period. Parents are invited to observe all boys' gym and swimming classes Monday through Saturday.

### Cub Pack 109 In Distress

"Help save our Cub Pack" is the urgent appeal broadcast this week by leaders of Pack 109 which meets at No. 34 School. "If we don't get some fathers and mothers to volunteer at least an hour a week our group is on the verge of disbanding," they say.

They point out that Gerry Miller, who is acting Cubmaster and chairman of the committee, has been trying his best to keep the Cub Pack together without any father help. And he has to leave in March and as of now there is no definite replacement in sight. (His wife has been a den mother for four years and has four boys of her own.) Three other den mothers are working hard to keep their dens going, according to one of them, Mrs. Barbato, but they need help.

Pack 109 would like to have a

Pack meeting in January, but without more volunteer assistance will be unable to have it; and this goes for a Blue and Gold dinner tentatively set for next month to celebrate Scouting's birthday. Mothers and fathers willing to help should call Mr. Miller, GL 8-2142. His home is 125 Bidwell Terr.

**Writer Disputes No. 30 "Facts"**

TO THE EDITOR:  
I would like to comment on statements made by Mrs. Grace Schaap of Sherman St. which appeared in the Jan. 9th issue of The Vicinity Post and Tenth Ward Courier. Mrs. Schaap states that "Mr. Goldberg chose to inform the #30 School, host school parents of 5th and 6th grade students which was an act of courtesy above and beyond the requirements of his job, for which he should be highly commended."

The information meetings, which Mrs. Schaap chose to label an "act of courtesy" on the part of Mr. Goldberg, is regarded as merely one of the steps toward being successful in a plan of transfer. It is the parents attending who are to be commended because they gave up their time knowing it perhaps was just another meeting of indoctrination and their objections would be misunderstood.

Mrs. Schaap also states that "it is customary to transport students within the system when an overcrowded condition exists as was the case in 1962-63 when School #34 sent pupils to #43 School." However, this was hardly a good comparison, because she failed to mention that this was a temporary arrangement while additions were made to #34 school. The classes were housed in separate rooms at #43 School and the transfer caused hardships to all

**Dressmaking Classes Set At 3 Schools**

Registrations are now being taken for classes in dressmaking being conducted for women in the public schools under auspices of the Board of Education. Beginners as well as advanced students receive instruction in general sewing and tailoring. The teacher, Mrs. Herta VonBargen, will take registrations by phone at OS 1-5495. One class at No. 30 School, Otis St., on Wednesdays from 1 to 3:30, started yesterday. Another class starts today (Thursday) at No. 41 School in Ridge Rd. W.; and a third class starts next Tuesday, Jan. 21 at No. 43 School, Mt. Read Blvd.

involved. A lack of understanding and a failure to recognize the views of the majority can only lead to ill feelings and these ill feelings "spill" into the schools. The end result could only mean a heightening of tensions, unrest and added problems we want so much to alleviate.

Mr. Donovan, an attorney and new president of the New York City Board of Education, in a recent issue of Newsweek seemed to sum it up so well: "I insist it be a Board of Education—not a Board of Integration or Board of Transportation."

MRS. ANN CELENTO  
104 Maltby St.

**Banks Lower Rate On Life Insurance**

A general reduction in premium rates on new savings bank life insurance policies has been announced by Community Savings, Monroe County Savings, and Rochester Savings Banks.

The new lower rates, effective Jan. 1, 1964, mean a reduction of 12% on a \$10,000 Straight Life Policy at age 35 according to Alfred T. Hall, upstate vice president for Savings Bank Life Insurance Managers Forum.

The rate cut is the result of the recent adoption of a new mortality table and a change in the interest rate on reserves, he explained.

The bill permitting New York State savings banks to issue and underwrite insurance was passed, after a heated legislative battle, in 1938, during the term of then Governor Herbert H. Lehman, who called the bill "one of the important enactments of my administration."

## Do you know?

Watches are not cleaned on account of dirt! Contrary to popular belief, watches are seldom cleaned on account of dirt. The movement must be taken entirely apart and each part cleaned carefully in order to remove the dry or rancid oil. If one should add fresh oil to the jewel bearing, without removing the old oil, it would become a gummy mess, void of lubrication qualities and within a short period become stiff as before, due to the germ rot of the old rancid oil.

After all parts are cleaned, dried and polished, the movement is then assembled and a minute drop of fresh sperm oil is carefully applied to the jewel bearings and winding parts . . . And don't forget, it pays to have your watch cleaned at least once a year.

### All Savings To Get 4 1/4% At Community

Community Savings Bank has declared its intention to pay at the anticipated rate of 4 1/4% per year on all savings, retroactive to last Dec. 1.

Community Savings has been paying the 4 1/4% rate on one-year savings since Sept. 1, 1963. Some \$97, 816 additional was paid on Dec. 1, to Community depositors for the September through November quarter because of the higher rate.

### Grace Methodist

"Christianity Deals With . . . (3) Worry," is the theme of the sermon next Sunday morning with the pastor, Rev. Clement B. Yinger, giving the third in a series of talks dealing with the many problems and weaknesses which all have to face. The service of divine worship begins at 11 a.m. Nursery care will be provided during this service as well as the hour of the Church School beginning at 9:45. The Sacrament of Baptism will be administered to infants.

Adult classes meet at 9:45 in the Fellowship Hall to hear Dr. John Thirtle speak on Charles Darwin and "The Origin of the Species," a discussion on "Books That Changed Our Minds."

Methodist Youth Fellowship meets at 6 p.m. Sunday in the church parlor. Rev. and Mrs. David C. Brown will make a report on their recent vacation trip to Bermuda, illustrated with slides.

The study group, "Between the Testaments" meets at 4 p.m. Sunday in the church parlor, the theme being "Zaccharian and Daniel."

# THE HIGH ROAD

L.W. PRENTISS

### Winter Driving

The automobile has become so much a part of the life of the typical American family that most of us feel handicapped when the family car is out of commission even for a few hours. When a severe winter storm brings highway travel to a halt, the individual family's frustration is multiplied many thousandfold.

The inconvenience of being snow-bound is bad enough, but the hazards of driving on icy or snow-covered roads are even worse. States, counties and municipalities are meeting the public demand by extending and improving their winter maintenance programs.

The fight against the elements is well worth the cost. In Ohio, for example, researchers calculated that every dollar spent for snow and ice removal in that State—using snow-plows, chemicals and abrasives—returned more than \$2 in benefits to highway users in the form of lower operating costs, time savings and the reduction of accidents. There are also extensive indirect benefits to retailers and other businessmen when good winter maintenance makes "business as usual" possible.

Despite all that is being done by States, counties and municipalities to improve the effectiveness of winter maintenance operations, extra caution is still recommended when cold weather

strikes, and this is true even in the areas where snowfall is a rarity. Icing conditions can be tricky. For example, water freezes faster on bridge decks because these surfaces are exposed to the air from beneath as well as from above. This means that a bridge may be icy at times when the road at either end is merely wet.

To do your part in avoiding accidents and inconvenience in driving on ice or snow, I suggest that you follow these "ten commandments."

1. Remove ice and snow from windshield and windows before you start, and keep them clear.
2. Start easy. Apply power gradually to avoid spinning the wheels and digging in.
3. Stop easy. Let the engine slow you down. Anticipate stops and avoid quick braking that causes skidding.
4. Drive slowly and avoid braking on curves.
5. Keep plenty of distance between you and the car ahead.
6. Keep your gas tank at least half filled.
7. Invest in snow tires and put them on before the first snow.
8. Avoid chance of carbon monoxide poisoning by checking exhaust pipe and muffler for leaks.
9. If you must use alcohol, use it only in the radiator.
10. If your car has dual transmission, drive in D2.

## Y.M.C.A.

Three YMCA staff promotions have been announced by Henry G. Ellis, general secretary, including advancement of Charles Royce, executive secretary at Maplewood "Y" who now becomes secretary at Central "Y".

A veteran of 36 years on the staff of the local Y, Robert W. Christ has been promoted to be assistant general secretary on the Metropolitan staff.

John H. Herald has been appointed assistant general secretary on the Metropolitan staff with responsibility for financial and business affairs. He has been executive secretary of the Central Branch YMCA for the past five years.

For the past seven years, Royce has been executive of the Maplewood branch on Driving Park Ave. A 1938 graduate of Springfield College, he has previously served YMCAs in Connelsville, Wilkes Barre and Lewiston, Pennsylvania. One of his earliest Y posts was that of boys' work secretary at the Arnett Branch, here in Rochester. He lives with his wife Margaret and two sons, Bruce and Charles, Jr. at 77 Elmgard Street.

Successor to Royce at Maplewood has yet to be announced.

**The Family Doctor**

Do you have "Tired Blood"? If you think you do, go first to your physician. Don't fall for the "tired blood" sales pitch you may hear in reference to some non-prescription iron compounds.

The "Tired Blood" sales pitch has been termed outright quackery by competent medical authorities. The non-prescription compounds supposed to cure "tired blood" usually do have two or three ingredients including iron but it is generally true that the dosage is too small to be effective in cases of true iron deficiency anemia. The iron content of a given mixture might even be harmful. It could raise a patient's blood count sufficiently to confuse the diagnosis if you do consult your physician later.

A 56 year old salesman, who had begun to feel rundown, took a "tired blood" compound for eight months, hoping for a correction of his condition. Finally, when no improvement came, he consulted his physician. An exploratory operation revealed that the man suffered from a cancer in the small intestine which could have been removed eight months earlier but was too far advanced by the time he sought his physician's advice for his "tired blood" symptoms. The patient died in the hospital.

The average person is in no position to diagnose the presence of anemia, much less determine whether it is an iron-deficiency, pernicious anemia or other form of anemia or some completely unrelated medical problem or disease.

**Sacred Heart Team Wins Two More**

Sacred Heart Grammar School basketball team won a pair of games over the weekend, extending its unbeaten streak to 11 straight this year and 20 straight wins over the past two years. Blessed Sacrament School was defeated 54 to 24, and at Holy Cross it was a close 32-24 victory for Sacred Heart.

Dan Frank with 12 points and Ron LaForce with 10 led the Blessed Sacrament victory while Bob Meek and Capt. Greg Whitney led the scoring attack against Holy Cross with 14 and 7 points respectively.

The wins extends the Cathedral quints' eight year record to 155-21.

**Club Auxiliary Sees Films On Cancer**

Italian American Sports Club Auxiliary held its first meeting of the year Jan. 10, with films on cancer.

Charles M. Dispenza, immediate past president of the American Cancer Society, introduced Dr. Vito Laglia who answered questions at the close of the film on cancer. Cigarette smoking appeared to be the biggest concern of the questioners. A meeting and refreshments followed.

Frances Lombardini chose a committee to nominate officers for the coming year. Voting will take place in February at the club, 395 Emerson St.

Aides For Home**

More Gray Ladies and Gray Men are needed at the County Home to help residents of the home with simple crafts program, carry on quiet recreation with them, and write letters for them.

One particular need is for volunteers to assist in feeding patients in the infirmary. This has been found to have special appeal for retired men and women volunteers. Both day-time and evening volunteers are needed.

Interviews will be held at the Red Cross Chapter House, 276 Clinton Ave. S. Interview dates are: Mondays, Jan. 20 and 27; Tuesdays, Jan. 21 and 28; Wednesday, Jan. 22; and Thursday, Jan. 23; from 1 to 3 P.M. and evenings by appointment. For more information or to make an appointment, call the Red Cross at HA 6-6100.

## Cathedral Five Citizens Committee Petitions Win 13th Straight Shift of City School Pupils

Sacred Heart Cathedral Grammar School basketball team won its 13th straight game of the season and 22nd over the past two years by defeating Mother of Sorrows School 51-18 in a C.Y.O. league game played at the auditorium court, Chestnut St. Bob Meek led the win with 22 points.

A week ago, Sunday, Jan. 19, the Sacred Heart five won their most significant game of the season by defeating the previously undefeated St. Thomas School. The 30-20 victory was witnessed by an overflow crowd of 600 at the C.Y.O. auditorium court. Greg Whitney and Ron LaForce led the scoring attack for the winners with 11 and 9 points respectively.

The wins extend Sacred Heart's eight year record to 159-21.

## Holy Rosary Group To Meet

Rosarians of Holy Rosary parish will hold their monthly meeting on Monday, Feb. 3, Father Richard Orlando will conduct services in Church beginning at 7:45 p.m.

Following a short business meeting in the hall, Father Edward Zimmer of Sacred Heart Cathedral will show slides of his trip to Rome.

## Home Demonstration

The Rochester Home Demonstration Department, Lake View Unit, will hold their weekly meeting Tuesday, Feb. 4 at the Maplewood Y at 10 a.m. "Dressmaking-Lined Dress" and related sewing projects will be concluded.

A business meeting will be held at 1 o'clock with Mrs. Bernard Farrell, chairman, presiding.

"Are you living in a push-button kitchen, using yesterday's meal planning routine?" asks the Home Demonstration Unit. At the Feb. 11 meeting "Meal Planning for Moderns" will be presented by Mrs. Martin Chesler and Mrs. Al Stiller.

Included with this project will

No. 43 School Citizens Committee has made a concrete effort to support what they have termed the "neighborhood school concept in the Rochester system." The committee has obtained over 300 signatures on a petition "opposing any changes whether it be called 'Over-Crowding,' 'Open Enrollment' or the 'Princeton Plan'."

The committee feels the number of signatures is significant because only a handful of parents gathered the signatures in a matter of few hours. They also point out that the canvas was not a house to house effort and consequently not everyone was reached.

Workers reported an overwhelming eagerness by area residents to sign the petition, and that they received only three refusals to sign. Refusals, the committee points out, were for reasons other than those related to the issue.

Copies of the petition are being sent to school board members, councilmen, senators, etc., so that they may know the attitude of the citizens they represent and be made aware that the No. 30 School problem is not an isolated one in the city.

Parents feel, according to the committee, that those responsible for any changes which abolish the neighborhood school concept stop implementation of any plans until final court decisions are handed down.

It is the hope of the group that school officials and board members who have chosen to disregard views of the receiving school parents, will become aware of the fact that the climate is one of general discontentment.

Among the areas covered by the No. 43 School Citizens Committee were Isabelle, Maltby, Belknap, Glide and Avery Streets, Rockview Terr., Sunset and Abbott Streets.

Also covered were Mt. Read Blvd., Bergen, Jay, Maple and Fairgate Streets, Lyell Ave. and Wetmore Pk.

## Mrs. Schaap Prefers Personal Answer

TO THE EDITOR:

Since the No. 30 housing issue is in court process, I believe that the decision should be awaited and therefore I have replied to Mrs. Ann Celento by direct mail.

Mrs. Grace Schaap

Editor's Note: Mrs. Schaap refers to the letter written by Mrs. Ann Celento of Maltby St., which appeared in the last issue of the Tenth Ward Courier, Jan. 16.

## Deacons Banquet At Grace Church

# 21 MILLION DOLLARS

*Here are just a few of the  
highlights in our 1964  
construction forecast:*

ITEM 1—A new gas line will be installed from Walworth to Alton, connecting with the 16-inch line constructed last year to Alton from the New York State Natural Gas line near Auburn.

ITEM 2—Another line—helpful to the Xerox Company and others—will be looped from Walworth to Webster.

ITEM 3—The 115,000-volt electrical transmission line connecting Rochester with the Genesee Valley will be completed. This will interconnect with the transmission line of New York State Electric and Gas.

ITEM 4—Our Station 80 on the West Henrietta Road will be enlarged to handle power from a second circuit interconnection on the New York State Power Authority's 345,000-volt transmission line.

*This isn't the end, of course. There will be more construction as you continue to demand more power. It's our job to keep ahead of your demands!*

### Nursing Classes Now Available

When there is illness in your home, you should give your family the best of care without disrupting the order of your household.

Mrs. H.C. Arnold, Chairman of Red Cross Nursing Services in Rochester and Monroe County, has announced a new series of Home Nursing Classes which teach the essentials of care of the sick at home.

The Home Nursing Course is taught in weekly sessions of two hours each. There will be afternoon classes from 1 to 3 and evening classes will meet from 7:30 to 9:30, Monday through Thursday. All classes will be conducted in the Red Cross Chapter House, 276 Clinton Avenue South.

Improvised and inexpensive homemade nursing aids to make illness in the home more comfortable for both patient and nurse are demonstrated. How to maintain good health in the family, particularly for children and the aged is stressed.

Registrations for the classes are being taken now. Call the Red Cross at HA 6-6100. There is no charge for Red Cross training courses.

### Drum Corps At War Memorial

The Starlighters of Frankfort, an outstanding junior drum and bugle corps, will compete in "Soundoff '64," fourth annual drum corps extravaganza at the Rochester Community War Memorial, Saturday, February 29, at 8 o'clock.

Sponsored by Emerald Cadets and Rice-Hallick Post, VFW, five colorful junior corps will vie for prizes and honors in various categories of drum corps fitness. New routines and music will be demonstrated, in preparation for the ensuing competitive season.

### Sentry Safety Council

Hot Cold, Flu Facts!

Statistics prove about 50 percent of the entire population suffers some sort of respiratory ailment between September and April of each year. No drug will cure flu or the more than 100 varieties of colds! These contagious diseases are caused by viruses passed from person to person. In an effort to reduce ailments Americans suffer each year, the Sentry Safety Council of Sentry Insurance companies has compiled these health tips:

- Avoid people with colds or flu.
- Wash hands often, always before eating. Teach children to keep fingers out of mouth.
- Don't cheat on sleep.
- Eat well-balanced meals.
- Drink plenty of liquids to tone up system, help elimination.
- Guard against getting chilled.
- Exercise sensibly. Don't overdo shoveling snow, or in a gym.
- When you have a cold, stay home and rest the first day.
- Always cover your mouth when sneezing or coughing. A sneeze can blast thousands of germ-laden droplets 12 feet.
- Use disposable tissues and place in waste containers.
- Blow your nose lightly warns the Sentry Safety Council. Forcing spreads infection.
- Soap is an effective germ killer. Keep your home clean.
- Don't rely solely on home remedies. Indiscriminate use of drugs can hide early warning signals of serious illness. Aspirin and approved nose drops give relief. Call your doctor if fever, chills or headache persists more than 24 hours.

Finally, the Sentry Safety Council says be thoughtful of others by keeping your germs to yourself and you will guard your own health... *thoughtfulness is contagious, too!*

### Hearing Problem Of Children

All too often a child who is labeled "bad" when he appears inattentive or "just doesn't seem to mind" isn't being bad at all. He just didn't hear when mother or teacher told him to do something.

Impaired hearing is often difficult to detect. A child doesn't know when he's hard of hearing. Therefore, the early discovery and prevention of hearing impairments in children depends largely upon the alertness of those around him.

Observant parents, should and often do, discover the more severe hearing handicaps in infants and pre-school children. They can notice the child's response or lack of response to sound.

Certain communicable diseases, excessive adenoid tissue and diseased tonsils, impacted wax, foreign bodies in the ear, neglected running ears, chronic nasal discharge, or severe blows over the ear may affect hearing.

Possible indications of hearing problems are: failure to respond to sound, inattention, unusual listening posture, excessive day dreaming, undesirable behavior problems, peculiarities of speech or voice, poor school work, unusual tension or nervousness.

Many problems of hearing impairments in early adult life could be prevented if the defect is discovered and treated in childhood.

**"Y" Achievement Award Given**

Robert Steele has been named recipient of the first Maplewood Y. M. C. A. Youth Achievement Award. The 17 year old Marshall High senior lives at 147 Driving Pk. Ave. The award was presented at a dinner in his honor at the branch.

Young Steele has devoted hundreds of hours of service to the "Y" and was cited for his outstanding leadership qualities marked by dependability and devotion to duty.

A plaque engraved with his name will be placed in the lobby for all to see.

**Lincoln Rochester Sets Record Highs**

Lincoln Rochester Trust Company reported last week that during 1963 it established record highs in operating earnings, deposits and loans and in the volume of assets under administration in the bank's trust department.

Wilmot R. Craig, LR president, stated in his annual report to stockholders that "the bank's resources, exclusive of the Trust Department's assets, exceeded \$540,000,000 at the close of the year. This is \$31,606,470 higher than the previous year."

Continuing the trend which has characterized commercial banking in recent years, savings and other time deposits increased at a greater rate than demand deposits. On Dec. 1, 1963, demand deposits amounted to 55% of total deposits compared with 58% on Dec. 31, 1962.

Lincoln Rochester's deposit growth made possible continued response to the needs of bank customers for loans. Growth was recorded in loans to individuals, businesses and municipalities.

During 1963, individual Lincoln Rochester mortgage borrowers were offered the opportunity of insuring at relatively low cost the payments due on their mortgages during periods of disability due to accident or sickness and, in the event of loss of life, to insure payment of the whole balance of their loans.

The bank continued in 1963 its branch buildings improvement program. Under this continuous program branch banking offices are kept modern and equipped for customer needs and convenience.

## Teacher Retired From School 34

Mrs. Minna Reiss, a third grade teacher at No. 34 School, has retired after 30-years of teaching service. Mrs. Reiss will receive recognition at the regular meeting of the school's P.T.A., to be held tonight (Thursday), Feb. 13 at 7:30 p.m. in room 106.

Refreshments will be served after the meeting.

Parents of new students from school No. 2 are extended a special "get acquainted" invitation.

The program speaker for the meeting will be Robert Boorman, principal, who will talk on the subject of "Discipline."

Mrs. Reiss, who will be presented with an award at the meeting, was previously honored with a tea on Tuesday, Feb. 4, after school hours.

The former third grade teacher was presented with a corsage from the grade mothers, and a pictorial tree, which contained the pictures of her present third grade class. The tree was assembled by Mrs. Venner and Mrs. Nudo, two of the class members' mothers.

The tea was attended by present class members and the grade-mothers.

## School 41 P.T.A. To Mark Anniversary

Kodak Park School #41 will observe the 66th anniversary of the founding of the Parent Teacher Association with a luncheon in the school cafeteria on Ridge Rd. West.

To be held Friday, Feb. 14, the luncheon will start at 1:30 p.m. Cost is \$1.25. Mrs. Albert Cupo is chairman of the affair.

## Democratic Club To Hold Meeting

The regular meeting of the Ninth Ward Democratic Women's Club will be held Monday, Feb. 17, 8 p.m., at the Dewey Ave. Branch Library.

James Powers, a member of the Democratic Council of Chile, will be guest speaker. He will show slides of his recent trip to Latin America. Hostesses will be Mrs. Betty Connolly and Mrs. Helen Partice.

## Christ Presbyterian Church Pastor To Take Up New Duties In Camden

The Rev. Lawrence V. W. Black, pastor of Christ Presbyterian Church, has announced that he will be leaving Rochester to give leadership to the newly established "task force" for the Camden Metropolitan Ministry of the Presbytery of West Jersey in Camden, N.J. The congregation will meet following the Sunday worship service to act on the dissolution of the pastoral relationship.

Last Sunday for the Rev. Black will be March 15. He will assume his new duties with the "task force" in early April. Goal of the effort will be to discover ways of ministry which will declare the Lordship of Jesus Christ, share the burdens of urban life in Camden, and work for justice and righteousness through the involvement of the Church in the crucial human issues of community, family and individual life in Camden. Importance of the work is due to the comprehensive urban renewal and rehabilitation program in Camden.

Mr. Black came to Rochester in September of 1957 as pastor of North Presbyterian Church, in '59 North Church was merged with the Presbyterian Church of the Evangel to become Christ Presbyterian Church. In addition to his ministry at the church, Mr. Black has served on many boards and committees. Among them are the Inner City Board of the Rochester area Council of Churches of which he has been chairman since its inception, the Clergy Advisory Board of the Planned Parenthood Association, the City Needs Committee of the Presbytery as well as the Department of Church Extension and National Missions and Long Range Planning Committee.

Other membership includes that on the sub-committee on Family Problems Related to Alcoholism of the Health Association of Rochester and the Police Advisory Board of which he is secretary.

Rev. Mr. Robert Booher, assistant pastor, will carry the pas-

toral duties of the church until a pastor is found.

At the annual meeting of Christ Church Elders were elected for the "Class of 1966" as follows: Mrs. Dorothy Tripp, 6 Clarence Pk.; Mrs. Anna Maranda, formerly of Fulton Ave.; John Findlay, 575 Ramona St., and Sam Russo, 604 Ridgeway Ave.

Mrs. Tripp and Mrs. Maranda were ordained on Feb. 2 and the entire class installed on that date.

## Lappan Given Navy Commission

George J. Lappan graduated from the U.S. Naval Officer Candidate School, Newport, R.I., Feb. 7. He was commissioned Ensign and assigned to damage control school for ten weeks in San Francisco, and then assigned to the missile cruiser "Chicago" at San Diego, Calif.

Ensign Lappan graduated from Nazareth Hall Cadet School, McQuaid High, LeMoyne College and received his master's degree from Syracuse University. He is the son of Mr. and Mrs. Wilfred Lappan of 66 Clay Ave.

## Nursery School Enrollment Open

Enrollment for the second semester of Guided Observation (preschool nursery) for three and four year old children at Kodak Park School No. 41 are being accepted.

The program is offered one-half day each week, and is for mother and child.

For enrollment or information concerning the program, parents may call Mrs. Robert N. Schuler at UN 5-7574.

Richard and John Philipson, sons of Mr. and Mrs. John Philipson of Driving Pk. Ave., left Feb. 7 to spend 10 days in Miami Beach. They will stop at the Hotel Sorrento and then visit relatives at Cape Kennedy.

## Sacred Heart Quint Win Three More

The undefeated Sacred Heart Cathedral Grammar School basketball team won three games during the past week.

Last Monday night at Aquinas Institute the Cathedral quint defeated Nativity School of Brockport 70-21. The team crushed St. Ambrose School 78-18 at St. Ambrose on Friday night and closed out the week with a 29-22 win over the neighborhood rival, Holy Rosary school at the C.Y.O. auditorium court.

The week's wins pushed to 18 the consecutive win record for this season, and the figure also

## Hat Party At Grace Methodist

The Woman's Society of Christian Service of Grace Methodist Church is having a Hat Party on Friday, Feb. 21. It will be held from 1 to 9 p.m. in the Fellowship Hall of the church, 121 Driving Pk. Ave. Co-chairmen of this affair are Mrs. Harvey Lockwood of Alameda St. and Mrs. Newton Ward of Broezel St.

The latest styles and colors in hats will be presented at \$3.95 and \$4.95, from the selection of the Hat Box in Huntingdon Valley, Pa. Tickets are available at the door at 25¢. Refreshments will be served.

## New Leaders For Cub Pack 109

New leadership has been secured for Cub Pack 109 from #34 School. Newell Whiting is cubmaster, Martin Oyer, assistant cubmaster and Webelos leader, and will have as his assistant Bob Sturgess.

Due to the generosity of these men in accepting responsibility for the Cub Pack, the Blue and Gold Dinner, slated for Wednesday, Feb. 26, will go on. Plans for the dinner had been withheld because of the lack of leaders for the pack.

represents the most victories in any single season. The three game push moved to 27 the number of straight victories over the past two years and ties the previous high mark compiled during the 1957-58 seasons.

Sacred Heart needs victories in their remaining two games against St. Monica next Sunday and St. John's of Greece on Feb. 23 to chalk up its first undefeated season since beginning the sport eight years ago. During the past seven years Sacred Heart has won three tournament titles and two league championships while compiling a 164-21 record.

## Local Sportsman Gives Challenge

John D. Potter believes that small game hunting is doomed in the state unless sportsmen take action to curb private game clubs.

Potter, of 11 Thorn St., presents to Tenth Ward Courier sportsmen a challenging letter:

"How many of you hunters know about the following laws concerning the 'Sportsman Game Farm' laws?

"1. Members of such clubs do not need a state Hunting License if they hunt on club property;  
"2. Hunting season on such property begins when the season opens for ordinary hunters but lasts until March of the following year;

"3. Members of such clubs can shoot both sex of the pheasant birds while on such property;

"4. Such property does not have to be posted as ordinary posted property according to present law.

"Do you think such laws are fair to the ordinary hunters? The only way to change such laws is to write to members of our state government in Albany. Such clubs are increasing every year. Soon there will be no open land to hunt on if you are not a club member."

## Lake View Unit To Meet At 'Y'

"Meal Planning for Moderns" will be brought to a conclusion at the Tuesday, Feb. 18 meeting of the Rochester Home Demonstration, Lake View Unit, at the Maplewood 'Y'.

Everyone is advised that this date has also been set aside for "catch-up" day on unfinished projects.

Members have been invited to share their interesting trips with them. Slides and movies of summer vacations have provided entertainment during the winter months.

## Family Supper At Grace Methodist

Family Night supper and program is scheduled at Grace Methodist Church from 5:30 to 7:30 p.m. on Sunday, Feb. 16. Glenn Rockcastle will be guest speaker.

A former member of Grace Church, Rockcastle was for many years a teacher at Monroe High School. Hearing of the need for buildings at a mission station in the Philippines, Mr. and Mrs. Rockcastle spent six months there working and teaching others to work on the project. There experiences will be related in story and pictures.

Each family is requested to bring their own sandwiches, beverage and dessert will be provided. Reservations are being taken at the church office.

Rev. Clement Yinger will continue his Sunday preaching series on the theme: "Christianity Deals With... Ill Temper." The sermon will be heard at the 11 o'clock service of Divine Worship.

Each Monday morning from 10 to 11 o'clock a Lenten Fellowship under sponsorship of the WSCS, will be held in the Church Parlor. "The Message of The Epistle to The Philippians" is being studied with the Rev. David Brown as resource person.

Speaker for the Wednesday Lenten Service at 8 p.m. in Grace Church will be Dr. David A. MacLennan, senior minister of Brick Presbyterian Church. His sermon theme will be "Good News for The Trapped."

**SUBSTITUTE FOR SUNLIGHT**

A stand like this equipped with built-in fluorescent lamps to substitute for sunlight makes sprouting and growing seeds possible in any part of the house. Note sturdy growth here.

Remember when a sunny window sill was an absolute "must" for the gardener who wanted to start seeds indoors of his favorite varieties of flowers and vegetables? Now fluorescent lamps, specially designed for aiding plant growth, take the place of sun.

This means that the darkest corner of your basement can become your seed starting area when proper lamps have been installed. The lamps you need have a special phosphor coating which, activated by electricity, gives off light rays high in the red and blue wave lengths absorbed by plants during growth.

Your equipment can be as simple as chains hung from the ceiling to suspend the lamps over a table below. Or it can be as elaborate as a stand with fluorescent fixtures built in, like the one pictured.

Many different types of such "plant growers" are available. Your favorite garden supply dealer, or perhaps your favorite seed catalog, may offer several.

Starting seedlings under fluorescent lamps is not much different from starting them on that sunny window sill. The chief difference is that you can regulate the amount of light, the length of "daylight" and the distance of the seedlings from the light source.

Seeds sprout rapidly under fluorescent lamps. Because you can keep the seedlings fairly close to the lamps when they are small, they will not become spindly trying to reach towards the light. The distance from the lights can be increased as the seedlings grow.

Lamps designed for growing plants will not burn seedlings with their heat, for they are "cool" lamps.

Even almost perfect growing conditions, so far as light is concerned, will not, however, relieve you of watering and otherwise caring for your seedlings. Absolutely nothing can be substituted for personal attention.

IMMEDIATE SERVICE on Crystals, Stems, Crowns  
Popular Models Only

*Do you know?*

Watches are not cleaned on account of dirt! Contrary to popular belief, watches are seldom cleaned on account of dirt. The movement must be taken entirely apart and each part cleaned carefully in order to remove the dry or rancid oil. If one should add fresh oil to the jewel bearing, without removing the old oil, it would become a gummy mess, void of lubrication qualities and within a short period become stiff as before, due to the germ rot of the old rancid oil.

After all parts are cleaned, dried and polished, the movement is then assembled and a minute drop of fresh sperm oil is carefully applied to the jewel bearings and winding parts . . . And don't forget, it pays to have your watch cleaned at least once a year.

## School Transportation Arrangements Protested: Council Gets Petition

The campaign of School Transportation Protesters and No. 40 School District Association which was carried to School Superintendent Herman R. Goldberg and to the City Council Tuesday night will be pressed to a conclusion, states Mrs. Robert Ziegler, 883 Ridgeway Ave., spokesman for the groups. The fight is for "free transportation of school pupils or the same fare for all," she says.

A militant group of school parents met Sunday afternoon at the Terrace Garden meeting hall in Ridgeway Ave. and heard testimonials from a number of No. 40 School parents about the injustice of the transportation scheme as set up by the Board of Education in its open enrollment program.

The petition to the City Council was read and met with apparent unanimous approval. Many of those present also promised to send telegrams to Albany to encourage passage of the Assemblyman Russo's bill aimed at keeping the "neighborhood school" concept.

Angelo Monteleone, who is one of the committee for a similar group at No. 30 School, was one of the speakers. The aim of his group, he says, is "we don't want transportation, we want education for our children."

Monteleone also claimed that the compelling reason in sending the No. 3 School children to No. 30 School was to get State Aid. No. 17 School which also has room available for the No. 3 overflow, is only 1 1/4 miles and thus would not have made possible application for State Aid. No. 30 School was over 1 1/2 miles, as he pointed out, and the State is paying most of the bus bill.

### People Aroused

This statement brought many of the people to their feet to protest

use of State funds for bus transportation subsidies. Some continued on Page 6

## "Fabric Finishes" Is Unit Topic

LakeView Unit of Rochester Home Demonstration will meet on March 3 with an exciting topic of "Fabric Finishes" under the leadership of Mrs. W. White and Mrs. D. Phillips. A kit of illustrative materials will be used in discussing this topic.

At 12:30 p.m. a business meeting is scheduled. No meeting is scheduled for March 10.

## Rep. Ostertag Is Resigning

Congressman Harold C. Ostertag, who has represented this district since 1950, has announced that this will be his last term in office. He made known his decision to retire to Republican leaders within the last week and a possible successor in the person of Barber B. Conable of Batavia, a state legislator, has already been advanced by the GOP. Ostertag, who is 67, and apparently in good health, said that after a long period in the public service he felt it was time to retire.

## Communion Breakfast Set By Rosarians

The Rosarians of Holy Rosary Church will hold their annual Communion breakfast in the school hall on Sunday after the 8 o'clock Mass.

Msgr. Richard Burns will be the guest speaker. Helen DeLong (GL 8-4972) is chairman. Tickets are \$1.25.

## Public Meeting Next Monday To Discuss The "Neighborhood School Concept"

Persons interested in maintaining the neighborhood school concept in the city school system are invited to a meeting which will be held next Monday, March 2, at 8 p.m. in the Avery Bowling Hall, Lyell Ave. Northwest area parents are especially urged to attend.

The meeting is being sponsored by the No. 43 School Citizens Group, headed by a five member panel, who have been holding regular meetings to "re-evaluate school transfer plans."

This group maintains that open enrollment as now set up in the city is contrary to the accepted definition of "open to all." The controlled methods of handling open enrollment is discriminatory against those who might wish to participate and are not allowed to, they maintain.

A spokesman for the five panelists stated: "We are continually being stripped of our best reasoning and logic by news media, clergymen, P.T.A. and civic groups and we may be losing faith in the very people whose purpose is to lead us into the righteous path."

### Sympathy for Negro

"If some responsible people in the community wish to submit to the demands of Civil Rights groups does this necessarily mean that everyone must support this submission? Please be aware that many who oppose the plan are sincere people who have heartfelt sympathy for the Negro problem. Let us keep an open mind for the misunderstood flock and not make snap decisions as to the sincerity of those who oppose."

"We, of course, are in sympathy with the children in the inner city dwellings who are unfortunate victims of sub-standard dwellings, morals, health habits, etc. However, we do not feel our children or schools should be used to solve these problems."

## Sacred Heart Basketball Team Gets Its First Undefeated Season

The undefeated Sacred Heart Cathedral basketball team, coached by Harry (Packy) McFarlin, Jr., won the Rochester C.Y.O. title by defeating St. John's of Greece, 49-13, last Sunday afternoon at the C.Y.O. Auditorium Court. The win was the 22nd straight and marked the Cathedral team's first undefeated season. Its eight year record is 168 wins and 21 losses.

The Sacred Heart starting five, comprised of Ron LaForce, Jay McMillen, Greg Whitney, Doug Farrell and Bob Meek, averaged 54 points a game, while limiting the opponents to 19. In ten games, they scored 50 points or more, FUNERAL FLOWERS beautifully arranged by Flower Fashions Florist, 630 Ridge Road W., UN 5-7270. - Adv.

and four times scored 70 or more, while defensively their opponents scored 24 points or less in 20 of the 22 games played.

During the past eight years, Sacred Heart has won the league championship three times and the diocesan tournament twice, but this is the first undefeated season in the history of Sacred Heart basketball.

**Two Savings Bankers Selected For School**

Frank J. Crisafulli, manager of the Waring Road branch of Community Savings Bank, and Roland C. Moore, assistant secretary and assistant manager of Rochester Savings Bank's Ridgeway office, have been selected as members of the Graduate School of Savings Banking at Brown University, Providence, R.I. They will attend the school operated by the National Association of Mutual Savings Banks June 7-19. They will join a class of 90, composed of officers from savings banks located in 11 states.

The Graduate School of Savings Banking provides instruction in all aspects of savings bank management. Classes are held for two-week sessions over a three-year period, with between-sessions projects completed by the students. Moore, who resides at 215 Rugby Ave., is a 1934 graduate of the University of Rochester. Crisafulli is a 1958 graduate of Heidelberg College. He resides at 25 Avery St.

"Just Twenty-Plus Me" starring Jane Powell, with Bob Melvin, famous comedian, the Top Twenty and Jack Lee's nationally famous orchestra, comes to the Auditorium Theatre on March 5, 6 and 7 with a matinee on the 7th at 2:30 p.m.

This new musical is being presented here under the auspices of the Rochester Broadway Theatre League as its fourth and last attraction of the 1963-64 season. "Just Twenty-Plus Me" is a bouyant, exciting new musical production, interwoven throughout with special material written by the three time Academy Award winner, Sammy Cahn, who has penned songs and material for many of Hollywood's top stars.

The versatile Miss Powell, who has starred in more than 20 films, recently appeared on the Judy Garland, Ed Sullivan and Andy Williams TV shows. Bob Melvin of "Got A Minute" fame has appeared many times on the Garry Moore and Jack Paar show.

## Colonel Tarbox, Now At West Point As Instructor, Here For Luncheon

Colonel Robert M. Tarbox, commanding officer of the First Regiment, United States Corps of Cadets at West Point, returned to his native Rochester Friday as the guest speaker at the ninth annual Eagle Scout Recognition Day luncheon.

Colonel Tarbox is a 1935 alumnus of Jefferson High School. His parents, Mr. and Mrs. George M. Tarbox, lived on Emerson St. before moving to Staten Island. His brother, John Tarbox, is an assistant vice president of Security Trust Company. While a student at Jefferson High, Colonel Tarbox was a Star Scout and later an assistant Scoutmaster.

He entered the U. S. Military Academy two years after graduation from high school through an appointment from the Regular Army in which he was serving at the time. Upon his graduation from West Point in 1941, he was commissioned in the Corps of Engineers.

In 1948 he received a master of science degree in civil engineering from the University of California at Berkeley. He graduated from the Army Engineer School in 1950 and the Command and General Staff College in 1954.

His military career includes service in Guam from 1944 to 1947, for which he was awarded the Bronze Star medal; with the Middle East Engineer District in Tripoli and Libya from 1950 to 1954; in the office of the Army's Chief of Research and Development the next three years; and with

the 36th Engineer group in Korea from 1958 to 1959.

Upon his return from Korea, Colonel Tarbox was assigned to the office of the Chief of Engineers, Department of the Army, until the summer of 1962 when he went to West Point to assume his present position in the Department of Tactics.

Colonel and Mrs. Tarbox, the former Audrey R. Bullis, also of Rochester, reside at West Point with their two sons, Robert M., Jr. (20), and David G. (14). Mrs. Tarbox is the daughter of Mrs. Gertrude M. Bullis of 570 Emerson St.

## "Cardiacs Return"

More and more companies are returning most cardiac cases to their jobs, even to some strenuous duties such as climbing and ditch-digging. Most of these concerns would have retired the workers or given them lighter duties only a few years ago. The ever-increasing practice of rehiring cardiacs is due in large measure to educational programs developed by the American Heart Association of which your local chapter is a member. During Heart Month why not get acquainted with the program and activities of the Monroe County Heart Chapter.

PAUL DILELLA, a John Marshall student, and PATRICIA BROWN of Jefferson High were Blue Ribbon finalists in the Scholastic Art Exhibit recently held at Sibley's. A local key award went to SANDRA SCALONE of John Marshall.

## Those Dogs Again Draw Comment

TO THE EDITOR:

I would like to add my bit to the person who wrote in about the dogs barking and coming right on your heels. I was glad the lady wrote in, as I was thinking of it.

It happens on all the streets from Lakeview Park on down. I have tried them all to get to Lake Ave., and it seems there are dogs on every street.

I agree that you have to watch your step for the ice, which is bad enough. Then when out bounds a huge dog it just startles you and certainly gives you a fright.

I do wish something can be done about it, for the benefit of the people who don't have cars. Thank you sincerely.

**Protest Transportation Arrangements**

Continued from Page 1  
ments:  
"I help pay those State bills through my income tax . . . The State is me and you and all of us . . . They want us to believe that this is free money, not taxpayers' money when they refer to State Aid."

Some of the complaints raised at the meeting were these:  
The 25 cent fare means a cost of \$2.50 a week per pupil. This applies to those within the 1 1/2 mile circle, which is unfair because it does not take into account the actual walking distance from home to school, but rather the direct "as the crow flies" distance. (Some children who actually live further from the school-house than others who ride free are compelled to pay bus fare.)  
Tax money should not be used

to provide free transportation for students who, under the open enrollment plan, are attending schools in other parts of the city.  
The 10 cent fare for all students should be re-instated instead of forcing the majority of citizens to spend a considerable amount of their incomes for transportation to educational facilities while a select minority is entitled to free transportation.  
No Favoritism  
One widowed mother of three explained that while it was a hardship for her to pay the bus fare she didn't want her children to have free transportation if "all the kids don't get it."

**New Owner Takes Over Dewey Beauty Salon**

A new-owner is taking over this weekend at the Chez Françoise Beauty Salon, 1182 Dewey Ave. He is Michael Nickolini. Also to be associated with the shop is a hair coloring specialist "Miss Anne." Both are now taking appointments. A grand opening under the new ownership is planned in the near future.

**Campaign Set For Easter Seals**

Lowell H. MacMillan, general chairman of the 1964 Easter Seal Appeal in Monroe County, has announced that the campaign starts on March 1 and continues through Easter Sunday, March 29. It provides the principal source of support for the rehabilitation services for the crippled children and adults in Monroe County. Locally, the services have included support of the Handicapped Children's Camp of Monroe County, Rotary Sunshine Camp, Rochester Hearing and Speech Center, and recreational and referral services.

In accepting the chairmanship McMillan said: "Progress in methods of rehabilitation make it possible to restore an ever increasing number of handicapped to active, useful lives. It is our responsibility as Americans to see that services are available for our less fortunate fellow men so they can overcome their physical handicaps resulting from accident, disease or birth injury."

"With the cooperation and support of business leaders, men's and women's organizations and our young people, it is my hope that our efforts will be successful enough to permit an expansion of our local services for the disabled. I earnestly plead for the help of everyone in meeting this challenge."

## Fight Continues On School Issue

The neighborhood school concept principle and the fight against transporting school children from one district to another continues on several fronts in the Northwest area of the city. There have been several meetings during the past ten days and at least two more are announced within the next week.

The "School Transportation Protestors," one of the sponsors of the petition recently presented to the City Council, has called a meeting for Sunday afternoon at the Terrace Gardens, 1151 Ridgeway Ave. It will be held at 3 o'clock.

"All persons or groups who are interested in continuing in the fight, solely against the present transportation laws are welcome," say the leaders. These include Fred Fuss, Mrs. Robert Ziegler and Mrs. Norbert Kiessel.

The No. 30 School District Association has scheduled another meeting to be held next Tuesday, March 17, at 7:30 p.m. in the Avery Bowling Hall, Lyell Ave. "Current problems of School No. 30 are to be discussed; also how to preserve and keep our neighborhood school concept," says the association announcement.

A NO. 40 SCHOOL district group headed by Vincent DiSano has retained William Clay, Rochester attorney, to start a court action in the form of an injunction against the Board of Education. Public support for the group is being sought and DiSano states contributions to help finance the court fight may be sent to "No. 40 School District Association, 533 Clay Ave."

### Al Sisson Travelogue

The public is invited to a travelogue in Grace Methodist Church Fellowship Hall on Tuesday, March 17. Al Sisson will present "Scenic New Hampshire" at 8 p.m. under sponsorship of Faith and Grace Circles of the church.

## 'Y' Tennis Club Plans Open House

Maplewood Y.M.C.A. Tennis Club will hold its first event of the new tennis season on Wednesday, March 18 at 8 p.m., when it will present the second annual Tennis Club open house at the branch, 25 Driving Pk. Ave. Guests of honor will include:

Philip Michlin, former Canadian champion; Roy Hock, Eastern Lawn Tennis representative; William Toporcer, R.I.T. tennis coach; Peter Lyman, Rochester District men's champion; Miss Elizabeth Derry, Rochester District women's champion; Leonard Treash and Frank Okey, Rochester District doubles champions; Dr. James Manning and Mrs. Peggy White, Rochester District mixed doubles champions.

The program will include films of Maplewood Tennis Club activities, a tennis fashion display, guided tours of the newly renovated "Y" facilities, a display of the new Don Budge Rallier tennis machine, and refreshments.

Free Tennis Club guest passes will be given to all who attend. Information will also be available on Maplewood Branch Y.M.C.A.'s new progressive tennis and swim program for 1964 for the whole family.

People not presently connected with the Maplewood branch who plan to attend are asked to call BA 5-8100 before March 18.

## Canon Cowdery Lenten Speaker

The Rev. Canon Arthur R. Cowdery, rector of St. Thomas Episcopal Church will be the speaker at a combined Lenten service for Grace Methodist and Wesley Methodist Churches. It will be held next Wednesday, March 18, at 8 p.m. in Wesley Church. Canon Cowdery's subject is "Truth and Mockery at the Cross."

## John Marshall Association To Hear Police Lieutenant and Minister

Second meeting of the John Marshall Community Association on the subject of "Knowing Your Community," next Monday will feature a discussion of juvenile problems in the John Marshall area. Two speakers, Lt. Andrew Sparacino and the Rev. Lawrence Black, will outline the problems which exist among the teen-age population and how they are being handled.

After their talks, the meeting will be opened to questions and

discussion of the issues raised. The meeting will be in the Marshall auditorium Monday (March 16) at 8 p.m.

Lt. Sparacino is well-known to the Rochester community for his work with youth. His experience makes him unusually equipped to give an authoritative outlook on these problems. Rev. Black has had a wide experience among some of the less-privileged youth on the edge of the inner-city area. This will be the last chance for people in this area to hear him, as he is leaving to do similar work in the New Jersey area.

Election of officers for the coming year also will be on the program that evening.

The officers of the association would like to encourage a broader base of financial support. Any interested member of the community is welcome to join. The dues of 50 cents per family per year barely cover the costs of mailing meeting notices to members of the community, says J. Elmore Jones, president.

## Democrats List Chief Lombard

The First Ward Democratic Men's Club will meet tonight (Thursday) at 8:30 at the Italian American Sports Club. Police Chief William Lombard will be the guest speaker. All residents of the First Ward are invited.

These officers were elected at the February meeting: Ralph Annucci, president; Bill Dady, vice president; Pete Marciano, second vice president; George Yuska, secretary; Joe Samborski, treasurer; Victor DelMonache, sergeant-at-arms.

## Discussion Set On Inner City

Christ Presbyterian Church, 5 Locust St., will be the scene of the weekly meeting of Plumbco Young Adult Fellowship on Sunday at 7 p.m.

Following a short business meeting, there will be a discussion of the problems facing residents of the Inner City area, and the Third Ward in particular. Rev. Herbert White, director of the Inner City Board of the Rochester Area Council of Churches will lead the discussion. This will be followed by devotions and refreshments.

Any young adult between 18 and 35 is welcome to attend.

## 41 PTA To See Phys Ed Show

Children of No. 41 School will put on a health and physical education demonstration, led by their teacher, Martin Sauerhafer, at the P.T.A. meeting, Tuesday, March 17 at the School, 279 Ridge Rd. W. at 8 p.m.

A short business meeting will include election of officers for the coming year. Refreshments will be served in the cafeteria by the parents of the second grade children.

## WATCH REPAIRING

WATCHES scientifically repaired and electronically cleaned . . . all work guaranteed

IMMEDIATE SERVICE on Crystals, Stems, Crowns  
Popular Models Only

### Do you know?

Watches are not cleaned on account of dirt! Contrary to popular belief, watches are seldom cleaned on account of dirt. The movement must be taken entirely apart and each part cleaned carefully in order to remove the dry or rancid oil. If one should add fresh oil to the jewel bearing, without removing the old oil, it would become a gummy mess, void of lubrication qualities and within a short period become stiff as before, due to the germ rot of the old rancid oil.

After all parts are cleaned, dried and polished, the movement is then assembled and a minute drop of fresh sperm oil is carefully applied to the jewel bearings and winding parts . . . And don't forget, it pays to have your watch cleaned at least once a year.

**Suggests: Educate Choir To Sing Board of Education 'Seven Words'**

TO THE EDITOR:  
All this necessary to-do on the part of citizens for equal bus rates proves it is the distinct failure on the part of our delegated authority in educational matters. If majority rules on Open Enrollment, fine; whether I agree with that point or not I live by the Democratic ruling (if it is that), but for our enlightened(?) members of the delegated authority to not foresee and rule favorably on this bus rate mess is their mistake—not ours—so why should we pay?  
That is like using State Tax Funds to set up a State Park and then charge "admission fees" not to the visitors of the park, but to anyone who does not use the state facilities!

On Passion Sunday (March 15) the Dewey Avenue Presbyterian Church Choir will sing "The Seven Words of Christ" by DuBois, under direction of Herbert W. Bloom. This work will be presented at the regular Sunday morning worship service at 10:45. The church is located at Dewey Ave. and Seneca Pkwy.

Soloists will be Miss Mary Foster, soprano; Richard Tyrrel, tenor and Dr. Calvin Dash, baritone. Nelson B. Carter will be at the organ.  
"All of those who are interested are invited to attend this inspiring musical worship service," says Mr. Bloom.

What we need most of all could be simply a better educated Board of Education!

'Y' Announces  
Poster Contest

A poster contest, featuring the third annual Maplewood Y.M.C.A. "Circus" is now on, closing Apr. 11. John Duggan of 1102 St. Paul St., "Y" handicrafts instructor and a full-time teacher at Greece Olympia High School, is in charge of the program.

The contest is open to all boy members 8 through 14 years of age. Trophies will be presented to the first place winners in three divisions - 10 and under, 11-12 and 13-14. Drawings in pencil, crayon and watercolors will be accepted.

The "Circus," which features a gym show, a water show and a carnival, will take place on Apr. 18.

BASEBALL  
FOR BOYS

NORTHWEST YOUTH

A call for volunteer managers, coaches and sponsors went out this week following the first executive meeting of the season by Northwest Youth Association boys' baseball committee. Persons interested in helping are asked to contact officers of the association or to call Pat Donofrio, GL 8-8361 or Mary Cavuto, FI 2-5115. The letter calling for registration by the boys goes out next week and the supervising personnel will soon be needed, says Donofrio.

40 and 1 PROGRAM

The 40 and 1 Baseball Program will benefit from a fish fry being held tomorrow (Friday) from 5:30 to 8 p.m. in Dewey Ave. Presbyterian Church Hall, Dewey at Seneca Pkwy. Fathers and mothers are serving the dinner, tickets for which are \$1.50 for adults and 75 cents for children. Reservations are requested to Mrs. Edward Riley, CL 4-7069. Proceeds will be used to buy needed equipment for the boys.

**NEW YORK STREET IN 1904 RECREATED AT WORLD'S FAIR**

THIS WAS THE YEAR (1904) THAT WAS "Little Old New York," recreated at the Rheingold Pavilion at the New York World's Fair. It will be an exact replica of a New York street at the turn of the century.

The type of community that was great-grandpa's delight has been recreated authentically on the flats of Flushing Meadow.

Focal point of the area is a congenial tavern and outdoor cafe designed for all the family to enjoy. It is an enticing part of "Little Old New York," the Rheingold Pavilion, now nearing completion on the site of the 1964 World's Fair.

The quaint community, which includes a Georgian-type mansion housing a fashionable restaurant, is a modern-day reproduction of what part of the city was like in 1904.

"Little Old New York" boasts handsome brick and stucco buildings typical at the turn of the century. They line a cobblestone street of the era and face a restful village green decked with park benches for the relaxation of visitors.

Diligent research went into the building of "Little Old New York." A team of designers and

architects scoured the Metropolitan Museum of Art, delved through Fifth Ave. Library records and hunted through shops for old prints. They went through downtown streets block by block to search out traces of how the original construction had been done.

With most emphasis at the Fair on jet-age design, "Little Old New York" stands out in sharp contrast to the Fair's modernistic and futuristic displays. Everything possible has been done to present a true picture of the atmosphere of the time.

Shops between the tavern and the Town House will be filled with exhibits, displays and souvenirs of the period.

Only 13,000 sq. ft. of the total 50,000 acquired by Rheingold will be used for the buildings. The remainder is devoted to a park-like village green, complete with flowers, trees, a bandstand and 600 seats.

OUT IN FRONT — A familiar position for famous runner Paavo Nurmi, Finland's Olympic track star of forty years ago. He is shown winning a 4-mile race at Stamford Bridge, England, in 1931, from J. M. B. C. Caie.

THERE WERE NO TAKERS to President Johnson's offer to photographers to race visiting Paavo Nurmi. Nurmi was in America to receive awards for his racing performances in past Olympics.

PAAVO NURMI takes time off from his racing exploits to visit the 1939-40 World's Fair—where he wrote his name in the cement at the 'Court of Fame' of the F. & M. Schaefer Brewing Co.'s exhibit.

Here Paavo Nurmi again signs in at the 'Court of Fame' at Schaefer Center at the 1964-1965 New York World's Fair. Twenty-five years before, the 'Flying Finn' performed the same ritual at the F & M Schaefer Brewing Co.'s pavilion in 1939.

### Wins High Honor In Alexandria

Mrs. Kelvin J. Dowd, formerly Cecilia Muktarian of Willow St., is the new president of the Federated Women's Club of Brookville Valley Club in Alexandria, Va. She formerly had been recording secretary for two years.

Mrs. Dowd was born and educated in Rochester at Jefferson High School and R.B.I. where she received her degree as a registered medical secretary. She is the daughter of Mr. and Mrs. Gregory Muktarian and has twin brothers, Greg and Herbert.

Her husband is a systems engineer with International Business Machines Corp. Married in October 1955, they have two sons, Kelvin II, 7, and Douglas, 5. Their home is at 5314 Taney Ave., Alexandria, Va.

Mrs. Dowd's main interests are in community improvement and the Mental Health Assn. of Alexandria. She is also interested in a "revitalization of ever decreasing national patriotism," she states.

#### Grace Methodist

The Sacrament of Baptism will be administered to infants and children at the 11 o'clock service Sunday morning at the Grace Methodist Church. Continuing the series of Lenten sermons, Rev. Clement B. Yinger, pastor, will speak on the theme: "Christianity Deals With . . . Materialism."

The Lenten Fellowship, meeting each Monday at 10 a.m. during Lent, will discuss "The Message of the Epistle to the Philippians." This group is supported and sponsored by the WSCS and all interested persons, men and women, are invited to attend.

Girl Scout Troops 255 and 320 meet on Tuesday evening at the church and Boy Scout Troop 27 meets on Thursday evening.

A dinner for members of the Confirmation Class and their parents will be held on Friday, March 20, at 6:15 p.m.

### Library Services Outlined

Where in the world can you find so much at so little cost? Your free public library has something for every member of your family. Visit your local branch this week and find out how you and your family can make the best use of its resources and services such as these:

The Business, Science and Technology Department exists for business men's needs.

You need travel only as far as the nearest branch library to find exotic and tempting recipes to delight your guests.

Amateur photographers who want better pictures with less effort can get more out of their cameras by borrowing photographic information at their local libraries.

Are you making the most of your investment in your library? This week, why not see that every member of your family has his own library card and starts using it?

In these troubled times, many find strength in religious books. Borrow them free.

For fact finding in a hurry, dial your Rochester Public Library telephone information service LO

2-8880, Extension 21.

Winter-time is hobby time. Whether your hobby is woodworking, stamp collection, photography, or fly tying, you will find information and new ideas at your nearest public library.

### Teen Age Dance

The Sertoma Club of Rochester has announced plans for its Second Annual Teen Age Dance Band Contest, scheduled for the War Memorial on the evening of Tuesday, March 31.

As with the original event, which drew a crowd of almost 5000 young people last year, the Contest will be open to any and all teenage instrumental or instrumental-vocal groups in Monroe County.

Prizes will include banners and trophies, and a \$5000 cash prize to the winning band. Proceeds from this event will go to the Sertoma Charitable Fund, which will eventually be used for the purchase of a summer Day Camp for mentally retarded children.

**Funeral Directors In Agreement With Bill Proposed By Legislature**

"We are thoroughly in agreement with the bill proposed by Attorney General Louis J. Lefkowitz requiring funeral directors to furnish a written statement showing the price of the funeral and an itemized list of the services and merchandise to be furnished for such a price and a statement of the cash advances and expenditures to be advanced," says Donald L. McCabe of Warsaw, N.Y., president of the New York State Funeral Directors Association.

The following is a statement of Mr. McCabe:

"The rules of professional conduct of our association require a clear and definite understanding that wherever possible the agreement with clients should be reduced to a written memorandum. Many years ago, our membership adopted funeral arrangement forms setting forth in full detail the costs, services and merchandise involved. Since then, we have been urging the public to expect a detailed memorandum of the arrangements.

"Every well-regulated funeral establishment keeps a detailed record of all funeral arrangements. There is no reason in the ordinary situation why the funeral director should not furnish a copy as the Attorney General's bill requires. There are exceptions—

as when arrangements are made on the telephone and particularly with people located at a distance. In such cases, the arrangements should be confirmed in writing at the earliest opportunity.

"Immediately after Mr. Lefkowitz announced in November that he was initiating an inquiry into funeral service, our Association offered its fullest cooperation. We have met with his staff several times since. Many of our members have voluntarily opened their books and records to them.

"We hope that the Attorney General's investigation will find little, if any, excesses or wrong-doing; but whatever his inquiry discloses,

he will find us ready to cooperate in correcting any violation of law or good professional conduct, and in bringing any willful wrongdoers to task."

The depository will provide added convenience for merchants in the area who wish to make night deposits, and the move is "in keeping with the bank's pledge to offer every possible service to its customers as soon as the facilities are operable, at the new site," according to J. Wallace Ely, president.

**SECURITY RIDDLE:** Why are U. S. Savings Bonds like old friends? Because they become more valuable with the passing of time! Unlike old friends, however, bonds can be replaced if lost or destroyed. Make friends with U. S. Savings Bonds yourself -- and hold onto them!

**Junior Red Cross Enrollment**

The annual Junior and High School Red Cross Enrollment for Service is now being conducted in the public, parochial, and private schools of Rochester and Monroe County, according to Rodney L. Peterson, chairman of the local Red Cross Chapter's Junior and High School Red Cross and principal of Clara Barton School No. 2.

"Education for social responsibility is a vital and integral part of the school curriculum," said Mr. Peterson. "Indeed, it is as important for a child to be able to relate to his fellowman as it is for him to be able to master the three 'r's'. One of the prime objectives of the Junior and High School Red Cross organization is to provide opportunities in which young people will be able to mature high ideals with respect to becoming socially responsible individuals."

**Opportunity To Serve**

Junior and High School Red Cross membership is maintained through the local Red Cross Chapter. Enrollment means opportunities for youth to serve others locally, nationally, and internationally, and to develop skills, leadership ability, and service responsibility. Many of the Junior and High School Red Cross programs are part of the regular school work. Most of these programs and others are carried into the community or carried forward entirely under Chapter supervision.

Last year, about 55 local institutions, hospitals, nursing homes, settlement houses, Association for Retarded Children, Day Care Center for Handicapped Children, Rochester Chapter of the National Hemophilia Foundation, United Cerebral Palsy Association, and homes for the aged, were served by 1,251 student volunteers who gave a total of 28,160 hours of direct volunteer service. Students in home economics, industrial and fine arts classes make articles for children and other patients in these hospitals and institutions. School dramatic and musical groups furnish entertainment.

Members serve the nation as a whole by providing service to area Veterans' Administration hospitals at Bath and Canandaigua. They provide comfort and recreation items and holiday decorations and provide entertainment. In times of disaster they may also assist boys and girls in other parts of the United States as well as locally with small items, or through contributions to the American Red Cross Children's Fund.

Last year, a \$2,500 contribution from the Junior and High School Red Cross Service Fund was made to aid children in emergency situations. Clothing was provided for the victims of the India-China border dispute and school supplies were provided to assist in the rehabilitation following the typhoon in Guam.

**Voice Recordings Made**

In the Voice-to-Home Project, all foreign exchange students at-

tending schools in Rochester and Monroe County are given the opportunity of sending a voice recording to their parents each month during the school year.

Volunteer service has been greatly expanded; 246 students gave a total of 14,048 hours of service through Red Cross during the months of July and August. These students serve in nursing homes, local hospitals, homes for the aged, work on local Bloodmobile units, Settlement House day camps, Home Service, Blood Laboratory, and Safety Services. They serve as Nurse's Aides, Hospital Aides, Staff Aides, and Water Safety Aides.

Contributions from the students at the time of the enrollment are deposited by the teacher-sponsor with the Rochester-Monroe County Chapter and make up a Chapter High School and Junior Red Cross Service Fund. The chapter has the responsibility of receiving and dispersing all these funds for High School and Junior Red Cross purposes only.

**Local Girl Helps Promote Seal Drive**

Jo Ann Keyser of Augustine St., a veteran 15-year-old camper, was chosen by the Crippled Children's Society of Monroe County to present Mayor Frank Lamb with the first 1964 sheet of Easter Seals to open the Easter Seal campaign now in progress. She is pictured above with the mayor. This is one of many acts Jo Ann has done over the past years to benefit her fellow handicapped friends.

Although handicapped since birth with a defect of the spine which effects the lower part of the body in the form of a paralysis, she has a wonderful outlook on life and has been a tremendous moral booster to other children less fortunate than she. Jo Ann cheers up these children when they are low and encourages them to do things for themselves.

Jo Ann has a great deal of drive and undertakes to do things that one would think could not be done by someone with a handicap such as hers. She is an excellent swimmer and diver and participates in all phases of camp life. Jo Ann would challenge anyone to a race (using a wheel chair), and you can be sure Jo Ann will be the winner. Personality plus and always cheerful is this youngster.

Jo Ann was voted by the Rotary Sunshine Camp staff, Camper of the Year 1959, an award given to a girl and boy who has strived to do more for himself and gain self confidence. Jo Ann fulfilled this requirement and more and, while doing it, won the hearts of all who came to know her. A ray of sun-

shine she is.

Jo Ann welcomes this opportunity to show appreciation for the part the Easter Seal Society has played in her life.

**Church To Serve Chicken Dinner**

MR. and MRS. Anthony Coccia, Edwin Fulford, Alfred Vierra, Vincent Bonacci, Albert Rich, Joseph Zupan, Frank Angelone, Angelo Reale, Edwin Sintzenick, Frank Biondi, Ernest Nordone, Fred Martone, Louis Arioli, Antonio DiPonzio, Pat Bianchi, Anthony Cimino, Vincent Mancuso, Domenic Femiano, John Gentile, Nicholas Galetto, Angelo Zumbolo, Ralph Allocco and Joseph Conti.

**Cub Pack 12 Holds Blue, Gold Dinner**

"Hang on to your boy's 'growing up' time as long as you can" was the farewell message of Cubmaster Louis Slusser as he turned the leadership of Pack No. 12 over to a new man during the annual Blue and Gold Dinner of the Pack on Feb. 27.

"Be a part of your son's world as long as you can," he continued. "Be more than a pal, be a father." (Slusser is assuming his old position as assistant Scoutmaster of Troop 12 and Robert Miller of Clay Ave. is taking over as Pack 12 Cubmaster).

Following a spaghetti supper served by den mothers under supervision of Mrs. Lucille Gold-

seth, the Bow Kings and Queens gave a display of archery and a program of music was presented by John Tachin and Company. Two new members were inducted by Slusser and other awards were presented by John Mack. It was announced that Joe DeSantis will continue as chairman of the Pack committee.

Guests present included Rev. Kent Keller, Dr. and Mrs. Stanley Gutelius, Mr. and Mrs. Harry Colby, Mr. and Mrs. Ed Fisk, Mr. and Mrs. Fred Newman and Charles Slusser, Troop 12 Scoutmaster.

We live in an age of progress. Our scientists are probing the far reaches of space and soundless depths of the sea. Our medical scientists, too, are probing deep — deep into the causes, the methods of treating, and the means of preventing the heart and blood vessel diseases. Already rheumatic heart disease can be prevented; high blood pressure can be controlled in most cases; many inborn heart defects can be corrected; and many heart attack and stroke patients are being rehabilitated and returned to useful, productive lives. Yes, progress against heart disease has been great, but there is still a long way to go. Your Heart Chapter is fighting heart disease through scientific programs of research, education, and community service — programs supported by contributions to the Community Chest and through heart memorials.

495 EMERSON STREET Clearwater 4-5200  
VOL. 37 NO. 12 ROCHESTER, N.Y., THURSDAY, MARCH 26, 1964

## 10th GOP Sets Party Date

At a meeting held March 20, Thomas F. Riley, Tenth Ward leader, announced plans for the Tenth Ward Republicans' annual party. It will be held Monday, May 25 at Crescent Beach.

Riley appointed Donald Benson chairman of this 41st annual fund raising affair. The following committees were also formed: Ads—John Ritz, tickets—Peter Rotolo, memberships—"Al" Beeley and James Kennard, live wires—John Mastrella, and publicity—Thomas P. Riley.

According to Riley, "this party has always been the highlight of our year's program and this year we are planning the best ever. It will be a real tribute to our new ward supervisor, Jerry Clifford."

## 9th Ward Leader Names Assistants

Monthly meeting of the Ninth Ward Democratic Club was held Wednesday, March 18, at Sellitto's Restaurant. Executive committee-man Thomas Connolly appointed Ronald Dekdebrun as his deputy leader.

He also named four section leaders: Harold "Jeff" Wilkins, Edward Brennan, Frank Leonard, and Stuart VanAuken. Donna Burke was appointed publicity chairman.

A short talk was given by state committeeman Anthony Pizzuro. Frank Leonard was appointed chairman of the forthcoming Ninth Ward dinner.

## Sports Club Plans Supper Dance

The Italian American Sport Club Women's Auxiliary is planning a spring tureen supper and dance for Saturday, Apr. 18 at the club at 7 p.m. Tickets are being sold for \$2.00 per person. Music will be by the Three Tones.

# Come to Church this Easter

### Lutheran Redeemer

Sunday schedule: 7:30 a.m. Communion service; 9 and 10:45 Easter Festival services; 9 and 10:45 Sunday School. Infants cared for during both services.

Communion will be administered at the 7:30 service on Easter. Pastor Schaertel will preach on the topic "The Living Hope" at the 9 and 10:45 services.

Special dates: Holy Thursday, Communion service at 7:30 p.m. Good Friday, Communion services at 10 a.m. and 7:30 p.m.

### Grace Presbyterian

The Sacrament of the Lord's Supper will be celebrated tonight (Maundy Thursday) at 8. New members will be received and the pastor's Communion meditation will be entitled, "The New Commandment."

On Good Friday a service of worship will be conducted at 1 p.m. when the pastor will preach on "It Is Finished."

On Easter Sunday morning worship will be conducted at 11. Nursery accommodations will be provided for infants. Ample parking is available at the Lyell - Mt. Read Shopping Center. The pastor will preach on the subject, "Christ Is Risen."

An invitation is extended to people in the community to attend these Holy Week services.

### Service Tonight

There will be a service of Holy Communion at 8 tonight (Thursday) in Dewey Avenue Presbyterian Church. Included in the order of service will be the Ancient Order of Tenebrae, or the service of the extinguishing of lights.

On Easter Sunday morning there will be identical services at 9 and 10:45. The combined choirs will take part in the Easter festival services. Mr. Jeandheur's sermon will be entitled "The Gift."

### Grace Methodist

Rev. Ernest Gibson will be the speaker at an early Easter Sunday service at 7 p.m. at Grace Methodist Church. His theme is: "He Descended Into Hell." This service is under sponsorship of the Methodist Youth Fellowship, but is open to the public.

From 10 to 10:30 Easter morning Clarence Warrington, minister of music, will give an organ recital of outstanding religious music by the masters of musical composition.

This will be followed by the service of divine worship beginning at 11. Both senior and junior choirs of the church will take part in the program. Rev. Clement B. Yinger, minister, will speak on "Christianity Deals With . . . Death," the concluding sermon in the current series.

### Wesley Methodist

Worship services at Wesley Methodist Church on Easter Sunday will be at 8:30 and 10 a.m. (identical services). The minister, Rev. George M. Davis, will preach on "This Is The Victory."

A coffee hour for college students home for the Easter vacation will be held in the Fellowship Hall at 9:30 a.m. Sunday.

There will be no church school classes at 11 and children through 3rd grade will attend classes at 8:30 and 10.

Tonight (Maundy Thursday) at 7:30, Holy Communion service will be held.

On Good Friday at 10 a.m. worship service for primary and junior children will include "The Life of Our Lord" through pantomime, reading and assistance by the Junior Choir. Children through grades 7, 8, 9 are invited. Also on Friday (noon to 3 p.m.) Three Hour Service will be held at the Church of the Ascension, Wesley Church will join with other churches of Northwest Rochester for this

## Holy Rosary Communion Breakfast

The annual mother and daughter Communion Breakfast of Our Lady's Guild of Holy Rosary Church will be held on Sunday, Apr. 5, following the 8 o'clock Mass. It will be held at the Red Men's Club, 1001 Lexington Ave.

The cost of the breakfast is \$1.00 mother and daughters over 12. For daughters, 12 years and under, the cost is 50 cents.

Any member not contacted by her band leader may make reservations by calling Mrs. Paul Georger at GL 8-1472, no later than March 31.

Dan Morgan of the Notre Dame Retreat League will be the guest

speaker. Mr. Morgan is better known as Manager Dan of "The Funny Company" TV program.

Evelyn Dady will be toastmistress.

## Missing Laundry Found By Courier

An embarrassed Lexington Ave. man called the Courier right after last week's issue appeared. He solved the mystery of the missing laundry referred to in the anonymous letter signed "Fit to be tied." He took the laundry by mistake.

It seems that the man's wife left the week's washing in one of the machines at the Driving Park laundromat and apparently being in a hurry went on home and dispatched her husband to pick it up. You guessed it. He got the wrong machine.

The missing laundry is now at the laundromat and may be picked up by its rightful owner from the laundromat attendant who is on duty mostly during the evening hours.

The Courier would have notified the letter writer immediately, but unfortunately no name or address was indicated on the letter. He or she may rest assured, however, that this instance demonstrated that people can be trusted, especially in the Tenth Ward.

## Fish Fry Apr. 10

A fish fry on Friday, Apr. 10, will be held in the Fellowship Hall from 5 to 7 p.m. at Wesley Methodist Church. Tickets are \$1.25 for adults; 75¢ for children. Choir members and Mrs. John Stocking at UN 5-4742, are taking reservations.

**Taxes Are Here To Stay**

Taxes are here to stay. Everything we buy, whether it's a loaf of bread or an automobile, includes in its price taxes, both direct and indirect. The survival of our social economy depends on equal sharing of this burden among all citizens.

That's why you see advertisements in the national magazines, over the signature of the Investor-owned Electric Light & Power Companies, calling attention to the fact that 80 per cent of the people in the United States are paying more than their own fair share of this tax burden.

Why only 80%? Because approximately 80% of the people in our country buy electric power from investor-owned electric companies, while the other 20% buy from federal electric companies which pay no income tax at all to Uncle Sam. The share they would have paid, therefore, must be borne by the 80%.

That is one of the principal reasons why this investor-owned vs. government electric power controversy exists. If the tax burden were shared equally, a large part of that controversy would be eliminated. Taxes that are avoided are not eliminated, but only passed on to others.

## Life-Sustaining Liquid

Blood from a Red Cross Regional Center sustains life for a patient while doctors perform a chest operation. Along with the skill of the surgeon and the anaesthetist, blood is essential to the success of surgery today.

## When Blood Needed—Only Blood Will Do

By Mrs. Thomas P. Riley

A February 13th news article attracted much local attention here recently. It concerned a 6 month-old infant with a rare, dangerous reaction from a routine smallpox vaccination. Treatment, which must be administered as quickly as possible, involves a blood product known as VIG (vaccine immune globulin).

The 5 ccs of VIG, which saved this baby's life were flown to Rochester from the New York Red Cross Regional Blood Center. The supply is very scarce and great care is taken in its distribution. Since the VIG program began, about two years ago, it

has been used in two other cases here.

This is just one instance where someone's blood saved a life. Here in Rochester alone many such instances occur constantly. 850 pints of blood are needed every week to meet all blood needs. Will you help in this intensely important program?

An opportunity for you to contribute to this life-saving organization is approaching on April 28th when the First, Ninth and Tenth Wards Bloodmobile will be visiting Sacred Heart Cathedral from 1 to 7 p.m. If anyone has any questions and would like to donate their blood please feel free to call me, (Mrs. Thomas P. Riley) at GL 8-3958.

## Thanks Courier For M.O.C. Aid

TO THE EDITOR:

Once again I would like to say thanks for all your help this past year. As ways & means chairman for M.O.C. No. 5, it sure helped to make my year a success. And I've had the good fortune to be elected commander of M.O.C. No. 5, so that means this year will be my year to further our Pup Tent.

This year we have been on the move, making two visits to Canandaigua V.A., two to Batavia, our annual visit to Bath, four visits to the State Hospital, and one each to Industry, Newark State School and the Jewish Home.

I also am anticipating a visit this year to Craig Colony in Sonyea, another appearance at Industry in the fall and the doors are always open wherever there are handicapped or shut-ins who seek a little entertainment.

The Jane Philipson Varieties has expanded to over 50 members and they are still bringing audiences to the edge of their seats wherever they go. This is why we hope for successful round and square dances to keep our troop on the move.

Thanks again on behalf of myself and all the members for your continued support and interest in those less fortunate than ourselves.

RICHARD JOHN PHILIPSON

**Two School Cases  
Now In Courts**

Two court actions are being started against the Board of Education in the school controversy, both involving Tenth Warders residing in the No. 40 School area.

The School Transportation Protestors, who have members in this area, are fighting the "inequality" in the new school bus setup and the No. 40 School District Association is mostly interested in a return to the neighborhood school concept.

Both groups have retained lawyers and are seeking public contributions to pay expenses.

**Hi-Y Groups In  
Mock Assembly**

Richard J. Gienger, 17 Flower City Pk., was the "governor" and some 30 or more other boys from Hi-Y branches of Maplewood YMCA took part in the Genesee Valley Hi-Y Youth and Government Assembly last Saturday at the Hall of Justice in the Civic Center.

The assembly, which duplicates the processes of the state legislature, produced a number of bills, some of which will be forwarded to Albany for a similar statewide mock assembly in December.

Young men from this area who took part in the local assembly were Richard Bopp, 192 McCall Rd.; Hugh Cunningham, 585 Seneca Pkwy.; Michael Hottos, 26 Finch St.; Gary Hunter, 1108 Lake Ave.; James McGuire, 68 Dunsmere Dr.; George Parsons, 14 Fairview Hgts; Wallace Pickworth, 192 Knickerbocker Ave.

Also John Pierce, 385 Clay Ave.; James Plouffe, 254 Bidwell Terr.; Michael Semans, 295 Lakeview Pk.; J. Timothy Smith, 105 Langford Rd.; Gary Stenner, 85 Tacoma St.; Michael Upson, 877 Dewey Ave.; Robert West, 28 Bryan St.; David Andross, 121 Gorsline St., and Franklin Acito, 625 Dewey Ave.

**Scuba Classes  
Starting at Y**

Scuba classes will be offered at the Central Branch Y.M.C.A., 100 Gibbs St. starting Apr. 6. There will be a men's only class on Monday nights and a coed class on Wednesday evenings, both from 7:30 to 10:30 p.m. The course consists of 15 hours of lecture and 15 hours of practical work in the water.

Scuba tanks and regulators will be supplied by the Y.M.C.A., but the student must supply his own fins, mask, and snorkel.

Further information is available from Jon Owen, at the Physical Education Department, BA 5-8100.

High School Girls**  
The Rochester - Monroe County Chapter, American Red Cross and the Career Clubs of the Women's Auxiliary of the Monroe County Medical Society will train high school girls, 16 years of age and over, who would like to serve as Red Cross volunteer nurse's aides in local hospitals during the summer months and on weekends during the school year.  
Classes will be trained at Genesee, Highland, and Strong Memorial hospitals after the closing of school in June. The course will consist of 20 hours of basic nursing skills, followed by 20 hours of hospital ward practice in giving patient care under supervision.  
Interviews for interested girls will be held at the Red Cross Chapter House, 276 Clinton Avenue South during Easter week, March 30 through April 3, from 9:30 a.m. to 4 p.m. Appointments may be made by calling Red Cross Nursing Services at HA 6-6100.

**Registration Now  
For Kindergarten**  
Kindergarten Registration Week in the public schools of Rochester will begin on April 6 and end April 10. Children who will be five years of age on or before Nov. 30, 1964 are eligible to enter kindergarten at the opening of school in September 1964.  
All children should be registered in April if their fifth birthday is on or before Nov. 30, 1964. They should take with them a birth record or baptismal certificate, evidence of vaccination, and any other information that may be helpful to the school.  
Children who are registered in April will be given first consideration for placement in September 1964.

**37th District Cited As National Model**

The 37th Congressional District (this area) comes closest to the average population base recommended by the Bureau of the Census for apportionment of Congressional Districts, says Rep. Harold C. Ostertag. Based on the 1960 census, the Bureau reported that Congressional Districts should be apportioned on the basis of one district for each 410,481 people. The 37th District had a 1960 population of 410,432, or only 49 below the recommended figure.

The Census Bureau is also the source of many other interesting facts about the district cited by Ostertag in a recent news letter. "For example, two-thirds of the people live in urban areas and one-third in rural areas," he states. Only 28,928 of our people actually live on farms, however.

"One-fourth of our people are of foreign stock; that is, either born abroad or the off-springs of foreign born. The largest number—32,000—are of Italian descent; next ranking are persons of Canadian, German and British descent, each with a little over 15,000. There are about his same number of Negroes living in our District, also, comprising 3.9 per cent of the population.

"As to education, the Census figures reveal the median years of schooling of people in our area is 10.8 years. Forty per cent of the people have gone through high school and 6.3 per cent have completed college. The median schooling figure is slightly above the national average; the other two figures are a little below the national average. On income, the Bureau reports the median income of residents of our area is \$6,513 a year. That figure is almost \$1,000 higher than the national average.

**New Episcopal Home Planned**

Plans for a new and expanded Episcopal Church Home have been submitted to architects for preliminary drawings, according to Ivar N. Hultman, president of the Board of Directors. The plans call for 120 units which will triple the present capacity, with emphasis being placed on a health unit to provide nursing care for 80 occupants. The residential unit will provide accommodations for 40 with both single and connecting rooms for couples.

"It is the express desire of the Board of Directors to provide a facility which will be in accordance with modern trends in meeting the needs of the ever increasing numbers of older people requiring sheltered and nursing care," Mr. Hultman reported. "The present structure, the original unit of which was built in 1868, provides accommodations for 43 residents."

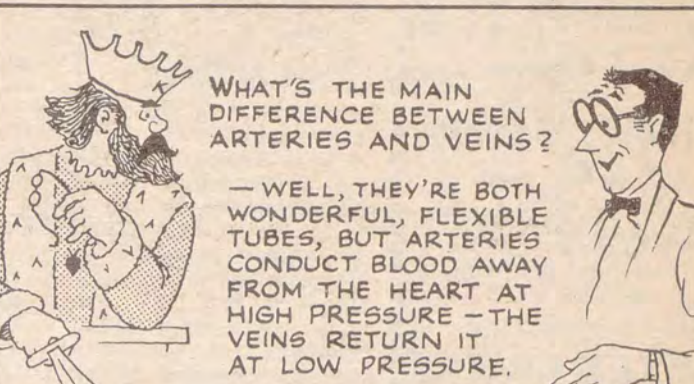

The residence wing will include living rooms, library, card room, year round porches and bedrooms with private bathroom facilities. Seven suites of two connecting rooms for couples are also planned.

Since the Church Home is the only facility in the diocese which meets the Church's responsibility in its ministry to the aging every effort is being directed toward familiarizing Episcopalians and others with its present program and future plans. A diocesan wide auxiliary has been organized as well as "The friends of the Church Home" including those who contribute financially to the operation of the Home.

The Church Home is located at 509 Mt. Hope Ave.

MEDICAL SOCIETY OF THE STATE OF NEW YORK

WHAT'S THE MAIN DIFFERENCE BETWEEN ARTERIES AND VEINS?

— WELL, THEY'RE BOTH WONDERFUL, FLEXIBLE TUBES, BUT ARTERIES CONDUCT BLOOD AWAY FROM THE HEART AT HIGH PRESSURE — THE VEINS RETURN IT AT LOW PRESSURE.

IT TAKES MORE PRESSURE TO CONTROL BLEEDING FROM AN ARTERY THAN A VEIN — THE BEST FIRST AID FOR A CUT IS TO APPLY VERY FIRM PRESSURE ON IT WITH A CLEAN CLOTH PAD. TOURNIQUETS SHOULD BE AVOIDED.

**BASEBALL FOR BOYS**

Northwest Youth Association is swinging into action for the coming 1964 baseball season.

Registration for boys of little league age (8-14) will be held Saturday, Apr. 4 and Saturday, Apr. 11, from 1 to 3 p.m. at Most Precious Blood Church Hall at Stenson and Lexington Ave.

Each boy must be accompanied by a parent at registration time. An insurance fee of \$2.00 per family is due at that time.

Plans are being formulated to raise money to replace old equipment and uniforms. To that end, John Masi of 483 Mt. Read Blvd. is handling the sale of charcoal in an initial effort. He can be reached by calling BE 5-0773.

At present, efforts are being made "through channels" to have the city prepare some much needed and past due ball fields in this Northwest district to accommodate the overflowing leagues.

In the meantime Father Sebastian Contegiocomo of Most Precious Blood Church, and through the courtesy of Mr. and Mrs. Heuther, the league has again been given permission to use their fields to play baseball during the summer months.

Still needed are volunteers for field work, managers, coaches, and umpires; also, anyone wishing to make donations to the league may contact the treasurer, Mrs. Mary Cavuto at FI 2-5115 or any of the officers.

**40 and 1 Program**

Registration for the 40 and 1 Baseball for Boys will take place on the first three Saturdays in April from 10 a.m. to 4 p.m. in the Dewey-Ridgeway Service Station.

**The Family Doctor**

In these days, it is wise for every family to be cost conscious about the goods and services we buy. That is just as true of the cost of your doctor's services as it is the cost of a mechanic's work on the family automobile. It is common practice to get an idea in advance of how much a service is going to cost, but an amazing number of patients are reluctant to ask the price of medical service. This shouldn't be so.

Patients have every right to know how much treatment is going to cost and the doctor is willing to give them this information. This is true whether the discussion relates to routine home or office calls or, in case of serious illness of surgery, the cost of surgery or extended care.

Your doctor understands that medical costs must be dealt with like any item in the family budget. He has no hesitancy about discussing it specifically, so there's no reason to be shy with your doctor. Ask him about the cost of your health care. A frank discussion may do a lot to ease your mind at a time when worry is the worst thing for you.

**JUNIOR BOWLERS**, sponsored by Northwest  
Kiwanis at Maiden Lanes, completed another success-  
ful season last Saturday. Director of the program is  
Rocco J. Pilaroscia of Seneca Pkwy., who is pictured  
in his favorite Saturday morning sport, teaching the

kids how to bowl. He has a number of coaches and  
assistants in the program, including Mary Lou Mac-  
Farlane who was assisting with some tips to two  
youthful bowlers as the photographer snapped the  
picture.

**Junior Bowlers Given Awards**

Awards and certificates were  
passed out to Kiwanis Junior  
League bowlers last Saturday by  
Rocco J. Pilaroscia, the director,  
and the bowlers turned the tables  
on Pilaroscia and presented him  
with a silver ice bucket topped by  
a bowling emblem and suitably  
inscribed.

The scene was the annual ban-  
quet, ending the fifth season for  
more than 500 boy and girl bowlers  
sponsored by Northwest Kiwanis.  
It was held at Redmen's Club in  
Lexington Ave, Pilaroscia, the  
prime mover in the junior bowling  
movement and perennial director  
of the league, was taken by sur-  
prise, but expressed his gratitude

for the trophy which was inscribed  
as follows:

"The Junior Bowlers of North-  
west Kiwanis League, 1963-64,  
take pride in presenting to its de-  
voted head coach, Rocco J. Pila-  
roschia, this service award for the  
interest he has given us in the  
cause of junior bowling."

At the head table with Pila-  
roschia were Ray Slingerland, Ki-  
wanis president; Father Edward A.  
Zimmer of Sacred Heart and Jo-  
seph Goodyear of the Maiden Lane  
bowling alleys. Jack Spallina en-  
tertained with music. A buffet  
lunch was served to the bowlers,  
their coaches and to the parents  
who were in attendance.
