EDITORIAL

It costs more every year to bring you your neighborhood newspaper through the mails. The annual increase of one-eighth cent per paper went into effect Jan. 1, 1965 and it now costs two and seven-eighths cents per week for each paper. A few years ago the cost was one half cent per paper, the new rate representing an increase of nearly 500 per cent.

Neighborhood newspapers are not entitled to the favorable second class rating by which small town newspapers are carried in the mails at a small fraction of our cost because they have paid subscribers.

And the postmaster-general is reported to be advocating further increases in third class, the only classification for which The Vicinity Post and Tenth Ward Courier can qualify.

Bishop To Bless Mothers-To-Be

Auxiliary Bishop Lawrence B. Casey will give the special blessing of the Church to expectant mothers of Sacred Heart parish and other Monroe County parishes on Monday night, Jan. 11, at the Cathedral.

The service at 7:45 will include the Rosary and Benediction of the Blessed Sacrament. To each of the mothers being blessed, Bishop Casey will present a medal of St. Gerard, patron Saint of Mothers.

The Rosary Guild meeting following the services at which time Bishop Casey will speak about the Third Session of Vatican II. Guests are welcome to attend from other parishes. Refreshments will follow. The Rosary Guild expresses its thanks to the Hospitality Committee, co-chairmen Mrs. Paul H. Boucher and Mrs. Francis J. O'Neil, assisted by Mrs. Hugh C. Allen, Mrs. John J. Tuite and Mrs. Robert F. Schantz.

Mrs. Gary Ludwig, Guild retreat chairman, will take reservations from members for the week-end retreat at the Cenacle Convent starting Friday evening, Feb. 19, and ending Sunday afternoon, Feb. 21st.

AIRMAN WILLIAM C. DAMBRA, (above) son of Mrs. Lillian P. Dambra of 170 McNaughton St., will undergo training at K. I. Sawyer AFB, Mich.

He has been selected for training and duty as metal repair specialists following U. S. Air Force basic military training at Lackland AFB,

Kiwinas Installing Officers Jan. 16

Northwest Kiwanis members are looking forward to their annual installation party on Saturday night, Jan. 16 at Schrafft's in Ridge Rd. W. There will be a cocktail hour, dinner and dancing to live music. Robert H. Johnson will officially induct as president along with other new officers. Francis Cramer is in charge of tickets.

The club welcomed Matt Hoffman, acting principal of John Marshall High School, into membership at its meeting yesterday. The Kiwanis-sponsored junior bowling league held the annual Christmas tournament with over 100 boys and girls taking part last week. One boy averaged 196.3 for six games to win the championship.

Seeking Accident Facts At Lyell and Mt. Read

In an effort to convince the City that the Lyell-Mt. Read traffic medians are a hazard to area motorists, names and addresses of people involved in accidents at the corner are being sought. There have been reports of several such accidents, but since they were evidently not serious enough to warrant police investigation there is no record available.

Michael Cerame, insurance broker who has an office near the intersection, has volunteered his office as a clearing house for accident reports in order to have direct evidence and not hear-say.

"If we are to prove our point to the City," says Cerame, "We must arm ourselves with facts. We are on the record as having alerted traffic engineers as to the situation out here. There have been quite a few accidents, many of them happening during the night. Those of us who live at the immediate vicinity hear the commotion, but we don't have the facts.

"It will probably take a smashup involving a fatality to arouse the public. But we must get rid of this monstrosity".

Residents of the Northwest area who may have been involved in an accident at Lyell-Mt. Read or who may have details on accidents involving friends or acquaintances are asked to see that information is forwarded to Mr. Cerame at 1259 Lyell Ave.

Feted At Dinner

Charles W. Carson, who retired Dec. 31, as president of Community Savings Bank, was honored in pictorial review and song at a retirement dinner at Rochester Club attended by more than 150 staff members, officers and trustees.

The affection and regard in which the retiring president is held was in evidence as the filmed "Who Dun It" story of his life unfolded, the feature attraction of the evening.

The planning committee for the dinner included Madelyn H. Sullivan as chairman, Richard Barker, Jr., Florence M. Moran, Chrysalis Varlan and Elizabeth Waite.

Airman Philip Tomasso (above) son of Mr. and Mrs. Philip S. Tomasso of 597 Emerson St. has completed basic military training at Lackland AFB, Texas and has been selected for technical training as an administrative specialist at the Air Training Command (ATC) school at Amarillo AFB, Tex. He is a 1964 graduate of Jefferson High School.

JOHN FASCIANO, (above) son of Mr. and Mrs. Joseph Fasciano, 511 Glide St., has been promoted to Sp/4 class in the 572 Ord. Co. While stationed in Heilbronn, Germany, he has had the opportunity to visit France, Switzerland, Italy and Amsterdam. A cousin who speaks English guided John around Rome and took him to Sicily to meet his relatives there.

Slattery Named To County Post

William G. Slattery, sales manager of a paint firm and Republican leader of the 20th Ward, has been appointed superintendent of maintenance and construction for Monroe County.

The job is in the salary range of \$9,828 to \$11,882.

Slattery has worked for the R.C. Shaheen Paint Co., Inc. since 1957, first as a salesman and then as sales manager. He worked with contractors throughout the city, estimated the costs of state and federal jobs and was a consultant to several industrial plants on their various problems of construction and maintenance.

From 1954 to 1957, he was a salesman for Suskind's wallpaper and paint firm. From 1950 to December 1953, he inspected new homes in California for the Veterans Administration, that guarantees mortgages for veterans.

Born in Rochester, Slattery attended elementary school here and was graduated in 1929 from Mynderse Academy in Seneca Falls. From then until 1936, he served in the Marine Corps, and was re-

called to active duty from the Reserves in 1939. He served as a legation guard in London and he also saw duty in the Pacific Theater. He was a sergeant major when discharged in 1950.

He and his wife and their 12 year old daughter, Susan Marie, live at 155 Hobart St. A former 19th Warder, he has been a Republican committeeman for ten years, is a former chairman of the 20th Ward GOP Committee, and has been the party's ward leader two years.

Slattery is a member of the Southwest Kiwanis Club, the Marine Corps League, and the Liederkranz Club. He plays golf and is a baseball, football and hockey fan.

The maintenance and construction division has a crew of about 60 painters, carpenters, masons, electricians and laborers who remodel and repair county-owned structures, working on everything from election booths to the County Office Building. Major construction jobs are put out for competitive bids from private contracting firms.

Richard H. Birch, former supervising teacher on special assignment, is the new principal at No. 21 School.

ANTHONY R. LIBERTI of Romeyn St. is being presented with the \$50 U.S. Savings Bond he won at the recent 15th Ward Republicans' Christmas party. Presenting the check to him is Dom DeGuarde, (at right) of Orchard St., 15th GOP leader.

Christmas Party A Big Success

Over 500 children welcomed Santa at the 15th Ward Republican committee party held at the Avery Bowling Hall on Dec. 20. Chairman Ray Towns and co-chairman Angelo Monteleone helped Santa distribute over 1000 gifts to the youngsters as well as over 1500 refreshment items. Lou Romano provided a large variety of musicians, singers and dancers to delight the children.

Anthony R. Liberti of 75 Romeyn St. won the \$50 savings bond and Mrs. Elizabeth DeCasale of 468 Child St. and J. Schaefer of 251 McKee Ave. each won a \$25 bond. Because of the big turnout this year, ward leader Dom DeGuarde announced that larger quarters would be sought for next year's party.

MR. AND MRS. PHILIP BURREWS, 746 Jay St. observed the 38th anniversary of their wedding.

Dutchtowners Get Offer of Help

Dutchtown Business Men's Association announces formation of a Dutchtown Urban Renewal Committee, President George LaCava has named this committee; Pat Grassi, Michael Cerame, Anthony Murante, Louis Casaceli and Louis J. Calabria.

Stated purpose is "to help the people of Dutchtown who will be displaced by the building of the Western Expressway connecting link, in getting funds to help relocate".

All residents of the community are invited to contact the Dutchtown Association for any help required, says LaCava.

MILITARY NEWS

Among U.S. Air Force personnel now on duty in Viet Nam assisting in the fight against communist aggression is First Lieutenant John W. Duemmel, son of Mr. and Mrs. Robert C. Duemmel of 628 Denise Road, formerly of Delmar Street.

Lieutenant Duemmel is a navigator in a Pacific Air Forces (PACAF) unit that is responsible for helping train Vietnamese forces in air tactics and techniques for combat. PACAF provides airpower for defense of the U.S. and its allies in the Pacific and Far East areas.

A graduate of Aquinas Institute of Rochester, the lieutenant attended St. Andrew's College and St. Bernard's College. He has a B.A. degree and was commissioned through the aviation cadet program.

Signs On Trees Draw Protests

"No Parking" signs nailed to tree trunks in Dix St. and also in Murray St. have drawn protests by at least two residents of the old Tenth Ward, according to an informant. The practice is "very injurious" to the London Plain trees on Dix St., they claim.

Action was promised "months ago" after notification to the "proper city authorities", they state, but the signs are still on the trees.

RP Aprilaire HUMIDIFIER

CONSTANTLY, CONVENIENTLY, AUTOMATICALLY provide the exact indoor humidity you need all winter long!

But, just any humidifier can't do it. It takes a combination of accurate control, sufficient capacity, trouble-free operation and minimum maintenance. And you get all this with Aprilaire Humidifiers. That's why the name Aprilaire has become the standard of the field... the most dependable, most copied in the industry. Compare with any other, from any angle. You'll discover why Aprilaire Humidifiers have gained the reputation as "The Finest in Forced Humidification".

HEALTH
Properly humidified air helps mucous membranes repel respiratory infections aggravated by too-dry air, alleviates dry skin and hair conditions caused by this dryness—helps complexions, too.

COMFORT
Proper relative humidity levels make 70° feel more like 75° by reducing rate of evaporation from skin. Permits lower thermostat settings, too.

PROTECTION of furniture and furnishings
Dry, heated air draws moisture from everything in your home—causing separated wood, cracked plaster, fabrics that wear too fast. Controlled humidity prevents shrinkage and swelling.

Mineral deposits no longer a problem!
Exclusive Water Panel Evaporator increases evaporation efficiency, doubles as a filter to trap deposits. Remaining minerals are flushed away—none reach working parts, or your living area.

You don't carry water—you just set a dial
That's all you do—no water to carry—no pans to fill. You just dial away too-dry air problems.

Pin-point humidity control
The indicator of the accurate humidistat is graduated in percentages (not just high, low or medium). You set the exact humidity level you need. You get it—constantly.

Phenolic housing will not rust
Rust and corrosion inevitably result when water and metal are in contact. This Phenolic housing eliminates rust problems—forever.

Provide all the capacity you need
Model 110 Aprilaire Humidifier can evaporate over 12 gallons of water per day. Model 112—over 18 gallons per day.

Occupy a small space in your basement or on your furnace—not a large space in your living room
Mounted on your forced air furnace—or between joists with steam or hot water heat. Only the humidistat is in your living area.

Plan Apartment On Lake Avenue

A zoning variance to permit the building of a nine-story apartment on Lake Ave., running back to Maplewood Ave. near the Municipal Rose Garden, will be the subject of a hearing tomorrow (Thursday) morning at 10:30 before the Zoning Board in Room 229, Public Safety Building.

Neighboring property owners, who were given a preview of the project Saturday at a meeting with representatives of the builders, are objecting strongly and expect to have a delegation at the hearing tomorrow to express their views.

The Web-Cor Development Co. has been organized to acquire the necessary land and to build the apartment. Its president and general contractor for the job is Joseph G. Cassara.

There would be 84 units with underground parking at three levels with driveways on both Lake and Maplewood Ave. sides. Rents would be in the \$125 to \$250 area and there would be three penthouse apartments at higher rental. The plot of land measures 120 feet on Lake Ave. and 160 feet on Maplewood Ave. Two existing dwellings would be demolished. Maplewood Ave. residents, most of whom have expensive homes built within the last few years, as well as owners of the older Lake Ave. homes which would be close to or adjoining, see the apartment project as a great detriment to the neighborhood. They promise to be at the hearing en masse and to bring other property owners with them.

TO THE EDITOR:

It has become clear during the past year that muggings, robberies, and other threats to the private citizen are not confined to any geographic area. I was shocked to learn that only a few weeks ago a man was assaulted by several teenagers at the corner of Magee and Dewey Avenues. The newspaper's

EDITORIAL

We now have the names and addresses of three people in our area who have been involved in accidents at Lyell-Mt. Read since the installation by the city of the controversial concrete medians or traffic dividers. We also know that a Rochester Transit bus has had a side-swiping incident there with an automobile.

We have information that leads us to believe there have been other accidents probably not serious enough to be reported to the police or possibly involving people who live outside the Northwest district. Still others have informed us of "close calls" and have endorsed our stand that the "islands" in the middle of the street are hazardous and unnecessary.

We feel that city officials may re-consider if convinced that there are too many accidents at the corner. Anyone knowing of such accidents may communicate with The Vicinity Post, 495 Emerson St.; Michael Cerame Insurance, 1259 Lyell Ave.; or Wilshire Restaurant, 1245 Lyell Ave.

Careers Topic For Marshall Assn.

Speakers for the evening will be: Jack McCarthy, Personnel Director of Kodak Park; George Hedden, Director of Admissions of R.I.T.; Dr. Ralph Pascale, Brockport State Teachers College; Richard Woolston, Director of School Program Section of the N.Y.S. Employment Service.

"This promises to be a most interesting and informative evening", say the Greenfields. "And we urge all parents and their friends to attend."

Contributions To Finance Trip To Italy For Smith St. Mother Start Coming In

Last week's Tenth Ward Courier told the story of Mrs. James Liccione, 652 Smith St., and the desire of her family to send her on a visit to her native Italy. Response from generous and sympathetic people of this area came promptly and up to press time there had been contributions from 12 sent into this office.

MISS ELAINE RUTH CANTABENE, 282 Otis St. (above) has been commissioned a second lieutenant in the U. S. Air Force Nurse Corps as announced by Captain Ethel E. Sorrell, Nurse and MSPC Selection Officer.

Lt. Cantabene attended Jefferson High School, graduating in 1961. She completed her nurse's training at St. Mary's Hospital.

Lt. Cantabene will report to the Medical Service School at Gunter Air Force Base, Montgomery, Alabama for a three-week orientation course which begins Feb. 28. At the completion of this course, she will report to her first duty assignment at England Air Force Base, Louisiana.

OUR NEW telephone number is 232-2255. BLANCHARD FLORIST, 58 Lake Ave. Ample free parking. -Adv.

In at least two stores which are stops on her husband's mail route, donations are being accepted and will be included eventually in the Concetta Liccione Fund on deposit at the Dewey-Driving Park Office of Marine Midland.

A picture of the Liccione family will be found on Page 10 in this issue.

Mrs. Liccione, mother of nine children ranging in age from 17 down to 3, has had a serious operation and the doctors are hopeful in time that all will be well. She yearns for a return to her native Melfi in Italy, to see her parents for the first time in 17 years, but the rearing of a large family on a postman's salary makes it impossible to finance such a journey.

Typical of the sentiment of several donors is that of Jane M. Correy, 519 Winchester St. who wrote: "I was very touched by the story of Mrs. Liccione which appeared in this week's Courier. Enclosed is a small donation, but if many people in this neighborhood feel as I do they will send a little, and all these will amount to a lot. I hope so anyway. I also hope enough can be raised so her husband can accompany her"

VOL. 38 NO. 2

ROCHESTER, N.Y., WEDNESDAY, JANUARY 13, 1965

MRS. JAMES LICCIONE, 652 Smith St., poses with her 7-year old twins, Michael and Constance. She would like to visit her parents in Italy, but hers is an unusual situation. (See story below for details).

Mother of Nine, Stricken By Illness, Longs For Trip To Native Italy

Seriously ill Mrs. Concetta Liccione, mother of nine, prays for a miracle.

Before it's too late, she yearns to see her kin back in Italy.

Seventeen years have passed since Concetta, then 25, met and married James A. Liccione, a Rochester ex-GI not long out of service.

Liccione, who served in the Pacific during World War II, had saved up enough of a kitty to make a trip to the old country. They were wed in Concetta's home town of Melfi, Province of Potenza, and came to Rochester.

A former Kodak Park worker, the husband has been employed as a letter carrier by the Postoffice, most of his married life. For three years now he has been the regular carrier on a route that includes

Selye Terr., Dewey and Driving Park Aves., and Mason St.

He and Concetta began raising a large family. Now the oldest child is 16 and the youngest 3--including

Fund Is Started

The Tenth Ward Courier is in receipt of a check for \$50 from Joseph Farbo, former city councilman and vice mayor "to start the ball rolling" as he puts it for a fund to send Mrs. Liccione back home for a visit with her parents.

This newspaper has consented to act as a depository for any additional contributions. Send them to Tenth Ward Courier, 495 Emerson Street, Rochester, New York, 14613.

Building Project Up For Hearing

The fate of a proposed 216 unit apartment project in the LaGrange Ave. area may be decided at the City Planning Commission meeting tonight.

The commission of which Henry R. Dutcher, Jr., of Seneca Pkwy., is chairman must sift charges that Morton Brodsky, who proposes to build the units as homes for the elderly, has been shown favoritism; as against a petition signed by area residents approving the apartments.

Brodsky has made a down payment of \$17,040 for the needed land which apparently has not been developed previously due to the rocky nature of the sub-soil. This represents 20 percent of Brodsky's offer of \$85,200 for the 12.7 acres involved. The sale has not been closed pending determination of the commission and a subsequent ruling by the Zoning Board of Appeals on Feb. 4.

Councilman Hyman B. Freeman, Republican, and Councilman Charles T. Maloy, Democrat, seem to be opposing granting of the necessary exceptions, but Robert F. Zeigler, 883 Ridgeway Ave., heads a group of home owners in the immediate area who are in favor.

There would be nine buildings erected, according to the Brodsky plans submitted in the name of Shoremont Park, Inc., which he heads. Rents would run about \$100 a month for one bedroom apartments to \$115 for two bedrooms. Total cost is estimated in the neighborhood of two million dollars.

Democrats of First Schedule Meeting

The next meeting of the First Ward Women's Democratic Club is scheduled for Thursday, Jan. 21 at 8:30 p.m. It will be held at the Italian-American Club, 395 Emerson St. New members are welcome.

Longs for Trip To Native Italy

Continued from Page 1

twins. Their home is at 652 Smith Street.

"It's been impossible to put aside any money," says Liccione. "We live from day to day".

Two years ago his wife became sickly, and her condition worsened. She knows what the illness is, and what the doctor said. So...

"Concetta's a sort of American dream in reverse," her husband said. "Her folks keep writing from Melfi, wanting to know why she can't come back for a visit, like so many Italian-Americans do. But all the streets here aren't paved with gold".

What the old folks in Melfi don't know, in addition to the heavy financial expense of a sentimental journey, is the condition of Concetta's own health.

That's why the Licciones finger their beads and pray for a miracle.

One Example Of Our PURCHASING POLICY . . .
Some ANSWERS To Some QUESTIONS!
By JOHN HENNER

Q. O-V Scotch is by Cockburn & Co. (Leith) Limited, a company established in 1796. It is light, palatable, 86 proof and bottled in Scotland. It is 8 years old. How can you sell it at such a low price?

A. A New York importer pools our order with some of the largest retailers in New York City. When the Scotch arrives in New York it is broken down into the various orders at dockside and shipped by common carrier directly to the retailers. Minimum orders are large. Distribution costs are cut to the bone and the cost prices remain as low as possible.

Q. Is this price lower than in other liquor stores?

A. It can only be purchased at Henner's. (1) The importer is set up for very large purchases and (2) by special arrangement our store is exclusive agent for the Rochester area.

Q. What is the exact price of O.V. Scotch?

A. A New York State law which was effective Nov. 1, 1964, does not permit a retailer to advertise prices. We invite inquiry, however. People can stop in the store or call us on the phone.

Q. Are there any other ways you can save on costs?

A. Yes. In most cases we receive cash discounts by paying immediately and our products obtained from many areas carry a quantity discount.

Zone Violation In Maple St.?

Although there has been an adverse decision by the Zoning Board and a so-called Form 57 has been issued to desist, a used car "graveyard" and an automobile "doll-up" business are being continued on Maple St. near the corner of Mt. Read and the neighborhood is up in arms.

The lot on the northeast corner adjacent to the entranceway to the Western Expressway has been fenced in and is filled with junked cars owned by a Chili Ave. garage. Next to it is the alleged "doll-up" shop and then just beyond there are three new homes, recently built, in the \$15,000 category.

Irate property owners claim that Leonard Gregory of the Zoning Board staff has assured them that action is being taken and yet on Dec. 27 or 28 a number of "total wrecks" were dumped there. The "doll-up" shop, they say, continues to operate spasmodically.

"This is a residential neighborhood", says Gerald Brunetti who owns one of the adjacent homes. "We have the word of the Zoning Board that this is R-2 property. Why is this allowed?"

Home owners on other streets in the area, such as Independence and McGuckin Streets, are alarmed about the possible deteriorating effect on property values. But as Mrs. Robert Craver puts it: "We are getting terribly discouraged because all we get are promises". And that seems to represent the neighborhood sentiment.

Supervisor Calls For More Police

Continued from P. 1
report of the incident indicates that the attack was unprovoked. Without judging any words that might have passed between the gentleman and his attackers, a physical assault of this nature indicates a complete lack of respect for the law and a certain sense of sadism. During the past week I received a telephone call from a 9th Warder whose wife had been put in fear for her life by four threatening men. While driving south on Dewey Ave. near Bennington Drive, the woman noticed an automobile containing four men following her closely. When she stopped at a red light, one of the men approached her car and threatened "to beat her up". She was saved by the fact that her doors were locked and her windows closed. This incident occurred in broad daylight.

Within a three day period during the Christmas holidays, seven muggings were reported. Some of these had no apparent purpose. The stabbing of the R.I.T. students is the most recent of such senseless and brutal assaults. Incidents such as the above described are commonplace in today's society. The F.B.I. report on crime

in Rochester reveals the crime rate to be up approximately 33 percent.

The problem seems to be admitted by all, but unfortunately no solutions have been forthcoming. The problem of increasing crime rates will not go away by ignoring it. Better police protection undoubtedly is part of the answer. Instead of directing attention to a Police Advisory Board, which has done nothing more than undermine the morale of the City Police Department, the City Administration would do well to take whatever steps are necessary to afford better protection for the man and woman on the streets. If more police officers are required, they should be obtained. The less important parts of the city budget should be sacrificed for the most important - law enforcement!

Others who have made donations are Mr. and Mrs. Arthur Berndt, 265 Driving Park Ave.; Mrs. Elizabeth Cudahy, 37 Selye Terr. and Mrs. Thomas Derbini; Robert L. Abel, 531 Birr St.; Mrs. Glenn Ininch, 533 Winchester St. Seneca Trail Garden Club of Irondequoit and Mrs. Edward Wahl, 278 Pepperidge Drive.

Contributions are being received at the office of The Vicinity Post and Tenth Ward Courier, 495 Emerson St.

Bell Tolls Again At Holy Apostles

The bell at Holy Apostles Church, Lyell Ave. and Austin St., was out of order for some weeks but is again ringing. It resulted in the following poem by Grover C. Scott, 47 Austin St.

"The Holy Apostles Church Bell"

Its dulcet tones awoke me every morn
For 30 years or more I heard that bell.
Its 3 times 3 plus 18 measured strokes
Assured me daily, that everything was well.

I often asked the Faithful members,
Going to and from their daily Mass or chore,
Some said they heard it, many more did not,
And none could tell me why its strokes were never less nor more.

And then one day, the Bell stopped ringing,
For weeks and weeks I missed its vibrant tone,
Some Faithful noticed it, many more did not
And none could answer, why the bell was gone.

For weeks, I asked, inquired and searched,
Why did it stop, and why the 27 strokes?
What was the matter and what the reason?
Was I the only one who cared among the folks?

And then, one day the Bell's voice sounded,
The 9 plus 18 strokes came on at seven.
It seemed so good to hear that Bell again,
It seemed to speak of God and Christ and Heaven.

No Decision Yet On Local Ap'ts.

Held for further review by the Zoning Board, the proposal for a nine story apartment house on Lake Ave. opposite Augustine St. lies dormant. Neighboring property owners on Lake Ave. and also on Maplewood Ave. hope that their protests made at the Zoning Board hearing last week will result in a turn-down and the builders feel they have a good case and should win.

A large delegation of property owners attended the hearing and a spokesman for them told the board of the neighborhood opposition. A representative of the builders told the board that "only a few" property owners were opposed even though all those present, as well as those who attended a prior meeting when the plan was unfolded at Maplewood Y.M.C.A., declared their opposition.

The Zoning Board marked the case "held for review" and on another hearing involving the Brodsky petition for LaGrange Ave., housing also withheld final decision pending a further hearing.

Sno-Ball Dance At Marshall

An eventful weekend is in store for the students of John Marshall. On Friday afternoon the student body will join in a pep rally to boost the spirits for the evening's Charlotte encounter. At 6:30 the JV squads will clash followed by the arch-rivals' varsity teams at 8.

On Saturday night, Jan. 30, the sophomore class will present the winter's annual semi-formal dance "The Sno-Ball". Theme of the dance will be the "Crystal Cotillion". Music for this occasion will be provided by Len Hawley's Orchestra from 9 to 12.

Co-chairmen of the dance are Elizabeth Cotsworth and Casey Saunders. Tickets are \$3.00 per couple and may be purchased by the students at school.

Concetta Liccione Fund Passes the \$200 Mark

The Concetta Liccione Fund passed the \$200 mark this week and the best wishes of residents of the Northwest area continue to come into the Courier office accompanied by contributions, small and large.

This is a spontaneous, rather than organized, effort to finance a trip to her native Italy for the ailing Mrs. Liccione. No particular goal has been set, but it is hoped that the next few weeks will produce enough at least for her transportation. (An offer to augment her wardrobe with some travel clothes may eliminate most of the clothing expense.)

The generous support of several people who have volunteered as collectors has already resulted in some heart-warming experiences. The best example is that of Mrs. Florio DiNatale, 398 Driving Park Ave. who brought in \$100 from 97 contributors, all of whom she visited on foot, in her neighborhood. Each of the contributors signed

Kiwanis Presents Two \$50 Checks

In celebration of the golden anniversary year of Kiwanis, the Northwest Club has presented two checks for \$50 each to two public service groups.

On Tuesday, Jan. 19, President Robert H. Johnson made the presentation of the first check to the March of Dimes. Receiving it on behalf of the March of Dimes was David Baker.

The second check was given yesterday and was for the work of the Golden Age Club of Greece. Presentation was made at the weekly club meeting at Schraff's.

Next big event on the calendar is a pancake supper for the benefit of the club's charitable activities. It will be held on Saturday, Feb. 20, at Cardinal Mooney High School auditorium. Gerard P. Hahn, Sr., chairman, states that tickets are available from all local Kiwanians.

"Bend and Sway" With Slimnastics

Bend and sway with Mary Day! Slimnastics are only a small part of the wonderful women's recreation program, sponsored by the Recreation Bureau, now in progress at East High School, Monday evenings from 7 to 9 p.m.

Mary has a profound interest in her program, and it's easy to see that the participants share her zesty enthusiasm. She leads the women in a varied program each Monday, planning wholesome activity for housewives, business gals, and teachers.

Volleyball, basketball, badminton, and other team sports are an integral part of the program, and competition with recreation departments in neighboring towns is in the planning stage.

If you're not a "cold weather sports fan" and you are tempted to spend each evening inside, try a "nightcap" of fun and exercise at East High.

Ladies who are not ski enthusiasts or figure skating fans might also enjoy a relaxing morning of swimming at the City Natatorium on Wednesdays, from 9:30 to 11:30. Instructor Gretchen Johnson is on hand to guide beginning swimmers as well as to teach new skills to more advanced swimmers. Enjoy a refreshing swim and return home in time for lunch.

The need for such a program has been seen, and a program packed with ideas awaits you. You will be able to shed that extra winter poundage in no time at all, free of charge, and have fun besides! So---bend and sway, with Mary Day!

Rosarians To View Pictures of Shrine

The meeting will be held next Monday, Feb. 1, and will be preceded by the Rosary and Benediction in the church at 7:45. Narrator will be Mrs. Frank J. Smith. Mrs. Edward Eber is the hostess.

Motor Drivers Being Sought

The local Chapter of the Red Cross announces that there is a need for motor service drivers. D. LaVerne Herman, volunteer chairman of the motor service, said that both men and women are needed for morning, afternoon, and evening hours for a variety of assignments. These include: the blind children's "fun program" of the Association for the Blind providing transportation for organizations such as our community settlement houses, the Cerebral Palsy Association, and Nursing Homes; also there is the vital service of delivering blood to the hospitals.

Anyone possessing a senior New York State driver's license and a good driving record is eligible. Retired men and women, as well as working people, are encouraged to join. Interviews will be given: Thursdays, Feb. 4 and 11, and Fridays, Feb. 5 and 12; from 10 a.m. to 12 noon, and from 1 thru 3 p.m. Interviews are also being scheduled for Saturdays, Feb. 13 and 20, from 10 a.m. to 12 noon.

For more information and an interview appointment, call 454-2400.

Self Employed Asked To Report Promptly

Joseph M. Tomaino, Rochester Social Security District Manager, today urged self-employed people to get their 1964 self-employment tax returns prepared accurately and on time.

The deadline for reporting self-employment income and paying the social security tax to the District Director of Internal Revenue is April 15, 1965. The tax is payable with your income tax return, Form 1040.

Tomaino said it is especially important for self-employed persons to complete the Schedule SE at the bottom of page 1 of their Schedule C-3 (or Schedule F-1 if farming is involved). It is from the Schedule SE, he added, that the permanent social security record of self-employment earning is made.

First Democrats Pick Officers

At a meeting on Jan. 14, the First Ward Democratic Men's Club unanimously elected the following officers to serve through 1965: President, Ralph Annucci; First vice-president, William Dady; Second vice-president, Peter Marciano; secretary, George Yuska; Treasurer, Joseph Samborski; and Sergeant-at-arms, Victor DeMonache.

Ward leader Peter J. Fuino, commended the action and expressed his deep appreciation for the excellent job each of the officers performed in the past year.

Letters have been sent to many people whom the organization feels may take an interest in ward, city and county affairs, asking them to join the First Ward Democratic Men's Club.

John Masca, appointed chairman social activities, promised the members an interesting schedule by providing notable speakers at some of the meetings and planning social events for the year.

The Men's Club meets on the second Thursday of each month at 8 p.m. at the Italian American Club in Emerson St. The yearly dues are \$2.00. All persons interested are welcome to join says President Annucci.

New Cookware Rates Your "TLC"
by LOUISE ALLEN

Are you cooking without grease—both the elbow and vegetable variety? If so, you know the answer is in the bottom of your Teflon-coated cookware. DuPont's Teflon, of course, is the completely stick-free plastic lining that makes every pan a cook's treasure.

But as any treasure, this cookware needs your Tender Loving Care.

Before using for the first time, wash and spread a teaspoon of salad oil over the black interior, to prepare the surface.

From then on, the magical material needs no help from fat or oil. Whether or not fat is used, your Club Aluminum "black-magic" Teflon-finished cookware stays stickfree.

Before frying foods, always preheat the coated pan for about a minute over a medium heat. Add chops or steak, and turn to proper temperature.

Throw away steele scouring pads when it comes to cleaning your new cookware. Food and heavy grease can be rinsed away with a little sponging.

X-RAY FILMS ARE SHADOW PICTURES. THE SHADOWS DEPEND ON HOW MUCH X-RAY IS STOPPED AND HOW MUCH GOES THROUGH THE SUBJECT. FOR EXAMPLE, AN APPLE WOULD NOT STOP AS MUCH X-RAY AS DOES A METAL ROD:

BONES STOP MORE X-RAYS AND SHOW UP BETTER THAN SOFT STRUCTURES. IN ORDER TO SHOW THE INSIDE OF SOFT, HOLLOW ORGANS BY X-RAY, RAY-STOPPERS, SUCH AS BARIUM ARE SWALLOWED. THE GALL BLADDER IS SEEN WHEN VARIOUS X-RAY-OPAQUE DYES ARE USED.

How To Save At Sales

"With white sales in progress, homemakers can save on these important household items—if they know what to look for" says Mrs. Mildred Roland, home demonstration agent for the Monroe County Extension Service.

To help you make a wise choice, the Extension Service says in its Bulletin #931 on Sheets and Pillowcases: "The bulletin includes information on prices, the meaning of terms found on labels, what size to buy, and important details to look for if you are to get your mon-

ey's worth from these purchases". It also includes many helpful hints on caring for sheets and pillowcases, as well as giving suggestions on their repair.

For your free copy of "Sheets and Pillowcases", write to the Home Demonstration Department, 249 Highland Ave., Rochester, New York 14620 or call GR 3-9018.

Resents Insults To City Workers

TO THE EDITOR:

Of recent date a letter was addressed to a local newspaper complaining about the service of city workers who are entrusted with the removal of garbage from our premises.

It appears to me as though the writer of that letter was more than a little confused as to just where the blame should be placed regarding the alleged bad service.

In one instance the writer claims

Both Y.M.C.A. and Red Cross Life Saving certificates will be awarded for successful completion of these courses.

Community Savings Makes Big Gains

Community Savings Bank's growth in 1964 exceeded all previous gains in the 95 year history of the bank. It was revealed at the recent annual report meeting of the trustees, officers and branch advisory committee members.

Charles W. Carson, chairman of Community's Board of Trustees and John E. Schubert, president, reported as well as presided.

Community Savings Bank's assets are up \$ 27,173,367 to \$258,295,674 for a gain of 12% for 1964. Deposits rose to \$230,196,88 for a gain of \$25,079,845.

An interesting new feature of the report meeting was the invitation for all present to become forecasters.

Ten leading questions on the local, state, and national economy as well as on the position of Community Savings Bank on Jan. 1, 1966, were presented. The forecasts will be sealed for comparison with facts a year from now.

that the garbage cans are not emptied completely. In another instance it is claimed that dogs come in and "mess up the whole place".

Finally it is confessed that garbage is put in cardboard boxes. This seems to me is an open invitation to dogs, cats, squirrels or other predatory animals that roam our neighborhoods.

The gratuitous insult offered the above-mentioned workers by referring to them as "garbage men" is of course abhorrent to any right thinking person.

They perform a vitally needed service, and as efficient and hard working men are entitled to every respect.

**Furniture Sought
by Fire Victims**

A fire, possibly due to a short-circuit in wiring, has wiped out all the worldly possessions of a young couple and their two small children ages 1 and 2. It is only one of a series of bad blows that they have suffered lately, but it is the most disastrous.

The mother, just out of the hospital and confronted with some big bills, had qualified for a job at Kodak and was at the personnel office one day last week when the fire in the apartment which they rented at 198 Birr St. was gutted by flames. The father, who is employed by a dry-wall firm was home taking care of the children and all escaped injury, but fire, smoke and water damage ruined their furniture and clothing. And there was no insurance because most of the furniture had been given to the young couple and they thought it was not worth insuring.

The family has found another apartment in Ravine Ave., but until they get furniture are being put up at the home of friends, Mr. and Mrs. Donald Baugh, 140 Wetmore Pk. In addition to being low on funds, the wife's purse containing \$75 was stolen a week ago.

Anyone with bedroom, living room or kitchen furniture which they would like to donate may communicate with the Baughs at ID 6-0488.

HEALTH SUGGESTION

*Resolved: That 1965's New Year will hold up! * One way you can increase longevity for your once-a-year resolution is to harness your dreams of glory...don't look for the impossible...don't practice at perfection...be a realist!

And, if you feel good, all your other resolutions have a much better chance of accomplishment. How about a few simple health resolutions?

If not 8 hours sleep, how about 7? If you plan to lose 20 pounds, don't plan to give up your favorite mashed potatoes forever and ever...just outlaw whipped cream instead, and celebrate on week-ends with mashed potatoes. Remember your boots in the rain, your egg for breakfast...and how about a five minute relaxing walk each day?

Do you know this photographer's trick for getting rid of "busy" backgrounds? Use a wide lens opening and focus on the highlights of your subject's eyes. This throws the background out of focus and softens its details.

Have you met Fred Flypogger? He's the star of a new series of model kits by Monogram Models, Inc. and he'll be turning up with a new personality each time. In his first appearance he's Super Fuzz, a way-out policeman riding in his supercharged rod prowler. Fred is being created for Monogram by Stan (The Mouse) Miller, who paints those crazy cartoons on sweat shirts at custom car shows.

Have you tried eraser painting? Cut a design in a rubber or gum eraser, dip the eraser in showcard paint and transfer the design to stationery, book marks, waste baskets or anything else you want to decorate. Remember that your print will be in reverse, so cut letters or numerals backward.

What's new in model car kits? Two different Ferraris and a "Woody Wagon," that's what. Monogram has the Ferrari 275P in 1/24 scale and the Ferrari 250 GTO LM in 1/32 scale. And they're both available in either slot racing or display versions. The wagon, of course, is the 1930 Ford station wagon that's the favorite of California surfers. It's in 1/24 scale and is equipped with two surf boards.

Stockholders Set Attendance Record
The stockholders of the Security Trust Company have set a record of their own to add to the string of new records reported to them by the bank's management. More than 300 shareholders attended the annual meeting to establish an all-time high in attendance for the event. According to bank officials, probably no more than 50 had ever attended the function in the past.

The unusual audience was apparently partially attracted by the offer of a tour of the bank's new Security Tower Plaza and Security East Banking Office in downtown Rochester, a modern complex, which opened last November.

During the meeting, shareholders heard president J. Wallace Ely describe 1964 as "historical, not only because of the opening of the major downtown facilities but because of the new records achieved in virtually all major financial categories." A 5% stock dividend was announced.

Complaint On Police Answered By Connelly

TO THE EDITOR:

A letter to the editor in the Jan. 20th Vicinity Post calls for better police protection in the area. An editorial in the Dec. 28th Democrat and Chronicle has some suggestions to resist street crimes. In a letter to the editor on 1-23-65 in the D & C, two veterans agree with the editorial and state: "As these crimes increase it is apparent that, although police are almost up to strength, it is impossible for them to be in all sections at all times."

I ask, has the supervisor of the 9th Ward inquired of anyone in the Police Bureau what has been done or what could be done?

For the residents of the area I would like to inform them that through the efforts of the late "Red" Schausell, Jeff Wilkin and myself we have acquired additional police protection. Police Chief William Lombard has assigned foot patrolmen to troublesome spots and is using unmarked police cars in addition to the regular patrol cars in the area.

It is amazing that after 13 months in office the supervisor has recognized a problem we have been coping with for the past two years.

Ever Order Money by the Pound?

Lots of folks do when they borrow here. Requests for loans vary...from a few pounds to many pounds.

If a "weighty problem" arises like too many bills and too little cash, a Central Trust Worry-Free Loan is, in most cases, just the right way to tip the scales in your favor.

Roy Farrell

Your money problem is quickly solved. You consolidate all your bills into one small, easier-to-make monthly payment. You keep your credit standing in good balance and shed many pounds of worry. Every payment is protected by Life Insurance for both husband and wife at no extra cost to you. Sickness and Accident Insurance can be included for even greater protection.

If you need money for any worthwhile purpose, stop in at the Lyell - Mt. Read office. Tell me how many pounds you need. Of course, asking for pounds is reserved strictly for Englishmen, but, if you're a Yankee like me, just ask for good old Yankee dollars. You'll get the same prompt action!

Continue Winning

The Sacred Heart Packers continue their winning way in the basketball circuit, ringing up their 50th straight victory during the past three years. The local grammar school team is defeating all comers in the C.Y.O. League and is winning exhibition games against other opponents.

Wine Marketed By Missions

"We can retire to the peaceful slopes of Hemlock Lake and in the cultivation of the grape help priests to say Mass with 'wine that is wine'". With these words, Bishop McQuaid founded the O-Neh-Da vineyards and wine cellars in 1872 and today the priests of the Divine Word Missionary order continue to make the wine which is also sold commercially at many liquor stores in this area.

James Sassone, who is representative of O-Neh-Da and a former resident of Jay St., points out that the missionary order helps support itself with proceeds from the winery.

Glaucoma Tests At No Charge

A free clinic to test for Glaucoma has been arranged by the Northside Lions Club. It will be held at two different locations and on four nights at 7:30 p.m.

Glaucoma is described as a condition involving increased pressure within the eyeball and unless discovered early and treated promptly can lead to blindness. Majority of the victims are 40 or over.

Symptoms are said to be pain in the eye; inability to adjust the eyes to darkened rooms; blurred or foggy vision, or loss of side vision; rainbow colored rings around lights; or frequent changes of glasses none of which is satisfactory.

The clinics dates are: Feb. 9 Apr. 13 at Greece Town Hall; Mar. 9 and May 11 at St. George's Church in Charlotte. Appointments, for which there is no charge, may be made at the public health office in Greece, phone UN 5-4040.

CARD OF THANKS

For their get well cards, flowers and prayers during my stay in St. Mary's Hospital I wish to thank my many friends and neighbors; also Grace Church, Wesley Church and the Ninth Ward Republican Club.

Waggs Department Store Passes Into History

Saturday, Jan. 30, 1965 was a fateful day for Waggs' Department Store. That was the day it passed into history after 63 years of colorful existence. Started as a grocery, it had developed into a general store carrying just about everything and ended up as a wearing apparel and variety shop, which will be continued, but under a new name.

Gilbert J. (Bert) Waggs, a legendary figure in these parts, was the founder. He had started on Otis St. in 1902, moved to Lyell Ave. in 1904 and about a year later took the daring step 'way out in the country to what is now Lake and Ridge which soon got to be known as Waggs' Corners, a name that will cling to it for many years yet to come.

Bert dabbled in real estate, livestock and in ventures too numerous to mention. He ran the store a great deal of the time as an incidental occupation, ably assisted by his sister Grace. "Waggs'" was known

for miles around and its hitching posts in the good old horse and buggy days were the mecca for hundreds of farm families who came to town quite regularly to stock up on provisions.

The first store at Lake and Ridge was across the street, moving to its present location in 1912. Along about that time Harvey Johnson opened up his bakery in the old Waggs' location, then moved in as a department in the new Waggs store and subsequently opened his own shop on Pullman Ave. in the Waggs

second only to Johnson's in point of tenancy.

The big expansion in Waggs' history came in 1923 when it was rebuilt after a disastrous fire. Bert died in May 1944 and the business was carried on by Grace until a few years ago when management was taken over by Ernie Larter, Miss Waggs still lives in the old Tenth Ward on Flower City Park and as trustee of her brother's estate continues as the landlord of Waggs' Corners. Her secretary is Nina

Liccione Fund Now At \$369

The Concetta Liccione Fund was at the \$369 mark as this issue went to press and it appears certain that the Smith St. woman will definitely be able to make the trip to Italy to visit her parents and her brothers and sisters. Several promises have been made by individuals and groups and if public contributions continue at their present pace, there is some hope that she may be accompanied by her husband, James, who is a mail carrier working out of Dewey Station.

Acknowledged is a group contribution collected at the Dewey Driving Park corners by Gerard P. Hahn, Sr., including besides Mr. Hahn: Marine Midland Trust Co., Arnold Pappani, Thomas J. Snow "Removal" Gets Criticism

TO THE EDITOR:

Snow removal is a responsibility of the Department of Public Works of the City of Rochester.

The recent treatment of the Ninth Ward left much to be desired. We believe it is in order to protest and complain when this area is grossly neglected. The only logical conclusion suggests indifference, incapability or ineptitude. Somebody must accept responsibility for such miserable performance of regular duty. We heard about the overworked staff and broken down equipment. If we are to accept this plea as a reason for this awful record, we shudder to contemplate our predicament if a major storm should descend upon us.

We are concerned with the experience of one of our residents who installed a sign in front of his property on Pullman Avenue protesting conditions. He was threatened with reprisal if the sign was not immediately removed. He was informed that condemnation proceedings would be instituted for alleged violation of the building code. Intimidation, not relief from snow mounds, was protested. We vigorously denounce this type of police state action by a qualified leader of the Ninth Ward. If the City Administration condones such tactics by one of its organization leaders then its time for us to alert our people to crush those who would inflict this doctrine upon us... and we will.

Waggs Store Now History

Continued from P. 1
Building. And the Johnson Bakery continues today, over a half century later, in the same location, the only one of Bert's original tenants left. Frank Grinnan's Market, a quarter century on Lake Ave., is second only to Johnson's in point of tenancy.

The big expansion in Waggs's history came in 1923 when it was rebuilt after a disastrous fire. Bert died in May 1944 and the business was carried on by Grace until a few years ago when management was taken over by Ernie Larter. Miss Waggs still lives in the old Tenth Ward on Flower City Park and as trustee of her brother's estate continues as the landlord of Waggs's Corners. Her secretary is Nina

Hodge, one of the original Waggs's Corners employees.

Larter plans to run the department store on a small scale, under management of his wife. He has changed the name to Veau's Draperies, since his own personal interest will be largely in the custom decorating and home furnishings field. But most of the items formerly carried by Waggs's will be featured, including a big infants department, ladies' hosiery and underwear, sewing notions and men's apparel such as pajamas, socks, etc. It will continue as a "convenience store" for the neighborhood trade and, as Ernie says, "we'll be happy to get our customers anything they want".

One of the items of interest in a prominent corner of Veau's Draperies is an old grandfather clock, still running, which can also be seen in photographs of the earliest Waggs stores. It is a relic of bygone days and is believed to have been acquired by Waggs from a famous downtown saloon.

Florist Thanked For Centerpiece Donation

The Tenth Ward Unit of the Red Cross recently provided refreshments and its services for a party in the Medical-Surgical Building of the State Hospital. The committee in charge asked the Courier to express its "belated but sincere thanks" to Robert Perry of Flower Fashions, Ridge Road West, for donation of a centerpiece.

Hair Style Show

"Swing into spring with a new hair style" is the theme of the 15th annual Beauty Salon Week, Feb. 14-20, and Rochester Hairdress-

ers - Cosmetologist Assn. is celebrating with a benefit hair style show and dance at the Hotel Manger Monday, Feb. 15 at 8. Proceeds will go to the School of the Holy Childhood. Donation for the affair is \$1.00, available at Mary Lou Beauty, Clara & Jean's, Jane Beauty Bar, Salon de Paris and other neighborhood member shops.

Snow Removal Charges Draw Reply, Democratic Leader Is Defended

Snow removal has been as good as possible under existing conditions, in the opinion of a resident of Pullman Ave. The protest voiced by George Esse, Ninth Ward executive committeeman, in a letter to this newspaper last week, was characterized as "undue criticism of a truly dedicated, conscientious person".

Mrs. Winifred E. Toole, who lives at 255 Pullman Ave., rose to the defense of Thomas Connolly, Ninth Ward Democratic leader, who had been "denounced" by Esse for police state action over a sign nailed to a tree during the height of the last snow storm; also for inadequate snow removal service.

Esse claimed the man who put up the sign was threatened with reprisal if it was not removed. Following is Mrs. Toole's explanation:

"Mr. Esse's statements regarding snow removal were grossly exaggerated. Snow removal has been as good as possible under existing conditions, i.e., the parked cars which make complete snow removal impossible.

"A car was parked or stalled in front of the complainant's house for two days. The plows went through the street at least three times in the two days and naturally snow was pushed up to and around that parked car. After, and only after, the car was removed did the complainant resort to what he thought was necessary. He nailed a sign, criticizing the City Administration, to a tree between the sidewalk and the curb and above it a white flag on a stick. His neighbors knew the reason there was snow at the curbside and did not approve his action.

"As for threatened reprisals, he is wrong. I and two others were present when the complainant was asked to remove the sign and flag-- in the utmost degree of politeness. The sign was removed, but the next day was back. It was really ridiculous.

A New Group "AL-ANON"

By Rev. Robert Booher

What is it? "Al-Anon is a group composed of wives, husbands, relatives and friends of problem drinkers, who have banded together to better understand the excessive drinking and to find happiness and peace of mind free from worry and anxiety." Several people have indicated their need for such group in this area of the city and we are wondering if there are others who share this need.

The mates of alcoholics graphically illustrated the worth of such a group with the following observation.

"We know from experience there are few, if any, persons more unhappy and discouraged than the mate of a problem drinker. We are familiar with the loneliness common to nearly all mates of alcoholics, and the accompanying futility with which we viewed our lives. There is a way to overcome all this unhappiness, if only we will face our problem honestly.

At this point you are probably asking, "If my problem is not an alcoholic mate, then what is my difficulty?" Most of us thought when we first inquired about the Al-Anon group, that our problem was nothing more than being close-

Sacred Heart Principal To Speak To Home School Assn. Tomorrow

Sister Ruth Agnes, principal of Sacred Heart School, will be the speaker at the meeting of Sacred Heart Home-School Association tomorrow (Thursday) at 8 p.m. in the rectory parish administration building. Her topic will be "More Meaningful Math".

Jackson Family Finds A Home

The Peter H. Jackson family, including six children, dispossessed as a result of a fire, have found a home thanks to the generosity of a neighbor, who has moved to a hotel temporarily and let the Jacksons take over his residence.

The Jackson home at 200 Seneca Pkwy. is being repaired, but in the meantime with children to keep in school and a household to run it was a serious situation trying to live in a hotel. "In this age of indifference", as one neighbor put it in a letter to this newspaper, "I would say that this man deserves orchids for his benevolence".

Joseph Kaufman, a Rochester attorney and one time supervisor of the Tenth Ward, never had known the Jacksons, but when he became aware of their plight he volunteered his home at 269 Seneca Pkwy. for the "duration" and moved to a hotel.

Census Sunday For Holy Apostles

The men and women of Holy Apostles will conduct a door to door canvass of the parish on Sunday, Feb. 21, between the hours of 2 and 4 p.m. They will leave census forms with parishioners and call back to pick them up in a sealed envelope the following Sunday at the same time.

The census enables the priests to keep adequate and up-to-date records concerning the members of the parish. These records are regarded as "very important for the proper and efficient operation of the parish". The cooperation of all the parishioners, by remaining

home between the hours of 2 to 4 p.m., Feb. 21 and Feb. 28, is asked in this project.

24th Republicans Set Card Party

Republicans of the 24th Ward have announced a card party for Wednesday, Apr. 28, and have placed tickets on sale at \$1.00 each. It will be held at the West Side Ukrainian Club in Glide St. and will be open to the public, both men and women.

ly related or acquainted with an alcoholic or problem drinker. We told ourselves, "If only my alcoholic were sober, my problems would be all solved." Our experience has taught us that this is not so. We have discovered, as mates of alcoholics, that our problems are found within ourselves. Self-pity found within ourselves. Self-pity, resentments, fears, anxieties, and lack of knowledge, were our real enemies.
Al-Anon does not sell anything. It is more a give program and they are anxious to share the program with those who want and need the help it can give. There is no cost to Al-Anon and they accept no outside contributions. Al-Anon meetings are very informal gatherings. The meetings are usually round table discussions of personal problems - not the alcoholic's problems. The Al-Anon family group is not sponsored by anyone. People of all faiths are welcome.

Robert Smith, chairman of the department on Alcoholism for the County Health Association and persons from existing Al-Anon groups in other areas of the city have said that they would help a group get started.

ordinance or to post it on his property. He refused and then was told his neighbors objected to the sign and also to his renting an apartment in his basement. He was advised, not threatened, that he was in violation of the city ordinance. He was asked to cooperate since his neighbors were the ones he was offending.

"I wish to thank Mr. Connolly for his efforts to improve service for us Ninth Warders. On Pullman Ave, we have had bad conditions for many years that he is trying his best to rectify. Cars parked on both sides of the streets, especially after 5 or 6 p.m. Mr. Connolly personally visited many people on our street, in the presence of a police officer, on our problem. I do believe that through his efforts this inconvenience to residents of Pullman Ave. will be eliminated.
"It is too bad that one person thought it necessary to attack the very one that is doing so much for so little. Mr. Connolly is not a paid supervisor or councilman. He is an unpaid, dedicated ward leader.

Priests Asks Catholics For Better Response

A Newark, N. Y. priest with a vicinity area background spoke out last week against the lack of "whole-hearted acceptance" by a great many Catholics of the new English liturgy. He is Father James Russell, son of Mr. and Mrs. Lee Russell of Jay St., who is now assistant pastor of St. Michael's Church in Newark.

Father Russell explained to a luncheon group in Newark that the term liturgy means "the work of the people" and that just now, many people were not carrying out their part in the (liturgical) work.

The "lazy way" people answer prayers and sing came in for criticism. "The bright thing about all this is the fact that these are catching on; the new liturgy is working, its spirit is sinking in—slower than I'd like to see it—but really taking in the hearts and minds of a few".

Party To Benefit School's Work

Fathers of the Parents Group of the School of the Holy Childhood will sponsor their tenth annual stag card party and smorgasbord at Immaculate Conception Hall, Plymouth Ave. South, Saturday, Feb. 27 at 8 p.m.

Celebrate Anniversary With Dinner Dance

The golden wedding celebration of Mr. and Mrs. John Bacchetta, 2084 Lake Ave., drew a gathering of over 125 Sunday evening to Ridgemont Country Club for a dinner dance. Included in the group were members of the family and friends including Sheriff Al Skinner, School Commissioner Louis Cerulli and Supervisor Vincent Tofany. Several congratulatory messages were received including one from John P. Lomenzo, New York Secretary of State. Benediction was pronounced by Father Nick Arioli.

The Bacchettas were married Feb. 13, 1915 at St. Anthony's Church and have four children, Nathan, Roy, John and Mrs. Alicia Arioli; also five grandchildren. Mr. Bacchetta is a semi-retired building contractor.

Rev. George S. Wood is honorary chairman with John Houck and Louis Profetta, chairmen assisted by Mrs. Joseph Long, tickets. Ticket donations of \$2.00 may be obtained from the parents or by calling Mrs. Joseph Long, CL 4-0112.

This party benefits the school's work in providing much needed special education and training for 85 mentally retarded children. They range in age from seven to 18, and are accepted regardless of race, creed or status. Their need for special help is the only requirement for admission.

Fire Damages Store

A fire last week has put Joe and Tom Camello out of business temporarily, but they promise to be back soon, possibly within the next three weeks. Their grocery and market in Brown St. remains intact though its contents were badly damaged by fire, smoke and water. A contractor will start the necessary repairs shortly.

WATCH REPAIRING

Ninth GOP Leader Assails Democrats

TO THE EDITOR:

The concern of the residents of the Ninth Ward for lack of basic services is not alleviated by porous statements begging forgiveness for gross failures in many directions. The Democrat organization is prone to publicize and emphasize any activity which may curry public approbation. They must therefore assimilate constructive criticism.

The hard facts cannot be avoided. The spectacle of accumulated refuse and junk allowed to pile up for weeks; inadequate police protection and almost total neglect regarding snow removal.

These charges are leveled because they reflect the thinking of abused people in an area which has been accustomed to quality service over the years.

The specific Pullman Avenue charge, supported by pictures which we have for the records, was treated in a manner indicative of the calibre of the leadership which assumes responsibility for the prevalence of these awful conditions. The futile attempt to justify these failures by prevailing upon a well-meaning, but unqualified female to wangle sympathy for "dedicated effort" solves none of the problems nor projects any plan for improvement. This is administrative demoralization.

The Ninth Ward Republican organization is impelled to crusade for better service for the good people of this area. . . the armageddon of neglect versus service.

Local Leaders Favor Vincent Tofany For County Republican Chairmanship

The Republicans are all set for a showdown on a new county chairman and ward leaders of the Northwest section of the city are expected to play an important role in a decision which could be forthcoming in the next 24 hours.

None of the six Republican executive committeemen in this area has taken a public stand, but it is assumed that all of them will cast their lot with County Manager Gordon A. Howe, former county leader, who is backing Supervisor Vincent L. Tofany of Greece for the job.

Also reportedly interested in the post, and with influential support, are Joseph Farbo, former Tenth Warder and now Fifth Ward leader; Robert H. Wagner of Perrinton and Edward J. Plante of Webster. The last is considered the dark-horse candidate. The present chairman, Donald H. Foote, is expected to resign after the \$100-a-plate dinner on March 6.

Will your daughter become Miss Rochester? (and maybe become Miss New York and Miss America)

If she is between 18 and 28 years of age - with poise and talent - the answer can be "Yes."

As a preliminary to the famous annual Miss America pageant in Atlantic City, Station WOKR-TV and the Community Savings Bank of Rochester are sponsoring a local competition - the winner of which will become Miss Rochester.

The culmination of this competition will be a March 19 one and one-half hour televised program from the grand hall of the Chamber of Commerce. The master of ceremonies will be Mike Douglas whose popular TV program is seen regularly in Rochester.

What should you or your daughter do?

Obtain an application blank, together with the rules and regulations, either by contacting WOKR-TV or dropping in or telephoning any of the six convenient offices of Community Savings Bank. Closing date for entry is March 8.

Humidity Control Is Medical Aid
 Whether it be at home or in a hospital an important aid in treating children with respiratory disease is to place the child in a cool (but not cold) highly humidified atmosphere. Striking evidence of the value of such treatment in even the most serious cases comes from 10 years of experience with 1,500 children admitted to a highly humid room at Children's Hospital, Vancouver, British Columbia, Can. Of 450 children treated in the first five years, 140 had acute laryngotracheobronchitis, a severe infection that may obstruct breathing passages and require throat incision to help breathing. No child needed throat incision, and no deaths occurred. The other 310 youngsters with various respiratory disorders did equally well. Of 1,000 children admitted in the second five years, 126 had laryngotracheobronchitis with respiratory obstruction. Throat incision was needed in only three cases, and all 126 young patients recovered. Many children and infants with pneumonia complicated by obstruction were treated with high humidification and all did well, as did 100 with asthma and 700 with various other respiratory disorders.

First Aid Class For 24th Ward?

The Red Cross is desirous of instructing all in First Aid, and a class will be conducted for 24th Warders if enough are interested. Classes are 2-hour "jam-packed" sessions for five consecutive weeks--only ten hours in class to learn Standard First Aid, says Mrs. E. Kesel, 24th Ward chairman, who states: "Now is the time to learn what to do to help yourself, members of your family, your neighbors, or others, should the need arise. When the emergency occurs it is too late. You must have the know-how ahead of time. Perhaps you need a refresher, if it is quite a while since you attended a class."

"I have not instructed 24th Warders for a couple of years. Several folks have stated they would love to attend the next class. Are you one of these? Do you know anyone--relative, neighbor, friend or club members--who desire First Aid knowledge? Groups could be male, female or mixed."

"Drop me a post card, stating your preference of time. Also include your name, address and telephone number. Send to E. Kesel, First Aid Chairman, 24th Ward, 1105 Maple St., Rochester, N. Y."

Also enlisted by the Marines and sent to boot camp are Raymond A. Young, 738 Maple St., and Santo DiGanci, 902 Jay St.

We Protest Again Educator To Speak At Sacred Heart

We protested to the city traffic engineers when the complicated traffic control was set up at Emerson, Avery and Norman St. We questioned the necessity of holding up the main stream of Emerson St. for long periods of time throughout the day and night.

We were given a polite, but firm turn-down, and an assurance that the situation would be given special consideration at a later date. That was over a year ago.

The light is a real menace to traffic movement. Motorists are mad about it and there have been many protests to this newspaper. Last Friday morning, at 7:30, for instance, the light was stuck on amber and about a hundred cars were stalled there for many precious minutes.

The traffic engineer must have power to move traffic, but we think he also should use this power for the greatest good of the greatest number. And the heavy traffic—about 100 to 1—is on Emerson Street.

GOP Card Party

Tickets are on sale for the annual card party of 24th Ward Republicans. The event, open to the public and for both men and women, will be held at the West Side Ukrainian Club in Glide St. on Wednesday, Apr. 28. Tickets are \$1.00 each.

Y Swim Classes

March 20 is the opening date in another series of small fry swimming classes at Maplewood Y. M. C. A. Classes for boys six to seven and girls six through 12, will meet eight consecutive Saturdays (except April 17) from 12 noon to 12:45 and 12:45 to 1:30.

Call 325-2880 and ask for the Maplewood Y.M.C.A. for additional information.

Miss Margaret Kenney, administrative director of elementary schools in the Rochester School District, will speak on "Learning after 3 p.m."

Miss Kenney formerly served as principal of Schools 4, 5 and 7. She has done graduate work at Nazareth College and Brockport State. Recently she is connected with the Catholic Family Service, C. Y. O. executive board and Genesee Settlement board.

Rev. Lee Beynon Lenten Speaker

The Lenten Service sponsored by Grace and Wesley Methodist Churches in Wesley Church tonight at 8 will have as guest speaker Rev. Lee James Beynon, minister of First Baptist Church. Special music is planned.

**"Artificial" Prevails
At N.Y. Gift Show**

Raymond's florist shop in Lyell Ave. is literally bulging at the seams these days as scores of packing cases with new items arrive. A visit to the New York Gift Show two weeks ago by Mr. and Mrs. Raymond Uttaro, the store proprietors, is responsible. The show was at the Hotel New Yorker. "Artificial" is the word for the show this year, say the Uttaros: especially for divider boxes and planters for the home. And Raymond's are stocking up on the latest in artificial flowers and greens, as well as ceramic containers. Milk glass will also be popular, they have discovered, and they have also expanded in this department.

**Easter Festival
For VFW Post**

Keith Miller Post Home, VFW, is planning an Easter festival on April 3. There will be the usual festive frolics featuring Easter goodies, say Kenneth Schleich and Charles Bittner, the co-chairmen. The fun will start at 8 p.m. with arrangements in charge of Milt Fox. The Auxiliary will also provide novel surprises. The Post also announces that its 18th annual banquet will be held May 8 at Island Cottage Hotel. Guest speaker will be Judge Joseph Fritsch and guest of honor will be Joseph R. Vay, lifetime resident of Dutchtown and first commander of the Post.

**4-H Club Holds
Demonstration**

A "show and tell" performance was held recently at No. 21 Recreation Center by the Bakers' Dozen 4-H Club before an audience of 35 adults. Ten projects ranging from button and bead boxes to aids for accurate measuring in cooking were demonstrated.

Mrs. Francis Bowerman, the leader, and Joseph J. Kaminski of the recreation staff, were evaluators and certificates of participation were presented by Richard H. Birch, principal of No. 21 School. Mrs. Reinhold Schenke, 6 Glasser St., was demonstration chairman assisted by Mrs. Alexander Gatti, 435 Child St.

Taking part were Joyce Gatti, Karen and Donna Schenke, Sandra Beckler, Ann Gross, Joanne Krueger, Ellen Schmucker, Kathleen Shewman, Susan Parker and Bonnie Bowerman.
