1085 CLUB has guaranteed the money for new uniforms for the ball players of the Northwest Youth Assn. and is running a benefit dance next month to get the necessary funds. Joseph Esposito, at left is president of the club and William Anderson, center, and Armand Vitale are co-chairman of the dance committee.

## Club Sponsoring Benefit Dance

Joseph Esposito, president of the 1085 Club announces a dance on Oct. 23, sponsored by the club to pay for new uniforms for the boys of the Northwest Youth Association.

The 1085 Club consists of northwest Rochester men. It was organized in the foreboding early months of World War II to help the national defense effort, and marks its 25th anniversary by switching its emphasis to neighborhood services.

This is its first money raising project. The club has many other plans for the youth of the neighborhood says Esposito, and someday believe their dream of a boys club in the neighborhood will be a reality.

A program book, to be given out the night of the dinner dance, will carry ads from many vicinity merchants. John Viavattine and Len Schur who are in charge of the program report "almost 100 per cent cooperation from the business men" and the book will resemble a "Who's Who" of the neighborhood, they say.

### Dinner Sept. 25

Tenth Ward Democrats are meeting tomorrow (Thursday) night at the Terrace Garden Lanes to make final plans for their annual candidates' dinner scheduled for Saturday, Sept. 25 at the Party House. All committeemen as well as all Democrats of the ward are invited to the meeting Thursday night as well as to attend the dinner.

Co-chairmen of the committee are Michael Culhane and Philip Booth, candidates for supervisor and constable. Frances Stiffler is the women's ticket chairman and Patricia Contino and Leo Bianchi are in charge of the program.

Transportation to the Party House on Beahan Rd. will be supplied for anyone needing it, says executive committeeman Robert Nolan. He may be called at CL4-7707 to arrange for a ride or for tickets.

"Put your complaint in writing and you'll get action," This was the advice given by two city department heads at the public meeting sponsored here last Thursday by the Tenth Ward Neighborhood Association. The meeting drew over 100 residents plus numerous ward leaders and supervisor and council candidates.

Harper W. Sibley, Jr., public safety commissioner, and Vernon Packard, Public Works commissioner, opened the meeting with short talks and then did their best to answer questions about city service, or lack of it. Both agreed that written notice of conditions addressed to the proper department will get prompt attention; that oral protests and even petitions are not as effective.

Several of those in the audience who voiced complaints vowed that they will write letters, including carbon copies to the Tenth Ward Association for follow-up. Some of the local situations touched on were:

Use of Avis St. by large trucks which collect refuse in the town of Greece.

Dangerous and ill-kept grounds in the rear of Westridge Shopping Center and in the Dorothy Ave., Christian Ave., and Bernice St. area.

Need for playground facilities at No. 40 and No. 41 Schools. Landlord carelessness in the Pierpont St. area.

**Caltanissettans Here To Repay Visit**

The visitation of 29 men and women from Caltanissetta, Sicily, has more than passing interest for this vicinity. Among the large delegation at the airport to greet the visitors and also attending the various events in their honor were numerous local people, some of them related and the others natives or descendants of parents who came from Caltanissetta.

For Giuseppe Sanfilippo, 175 Avery St. and Ralph Sanfilippo, 758 Ridge Rd. W. it meant another reunion with their sister who is the wife of Mayor Calogero Traina, the leader of the group from Sicily. The Trainas are staying with Ralph while in Rochester.

Pasquale Gattuso, a Caltanissetta contractor who was born in Rochester 52 years ago, is staying with his cousin, Sam Giancola, 241 Whitney St. Vincent Recupero, another of the visitors, recalled the six years 1914 to 1920 when he lived in Rochester and worked at Langslow-Fowler chair factory at Jay and Oak St.

The local Caltanissetta Society of which two vicinity men are top officers was largely responsible for the entertainment program. Michael C. Andolina, 105 Belknap St., is president of the society and Arthur C. Bonsignore, 230 Avery St., is secretary.

## Asks Neighborhood Police Command

The five point program of the Republicans as it relates to the Police Bureau was outlined by Council candidate Robert L. DiNieri as the principal speaker at the 42nd annual Tenth Ward Republican dinner held last night at Crescent Beach Hotel. He advocated neighborhood commands and "a more direct face to face contact with the people". A strengthened Police Bureau administration, he said, would be more effective in accomplishing the desired results than the Police Advisory Board.

Most of the Republican candidates made appearances during the evening and were introduced by Assistant District Attorney John Mastrella, the master of ceremonies.

One of the surprises of the evening was circulation of a small tabloid newspaper in place of the conventional program. The "Tenth Ward Times" carried a message from Supervisor Jerry Clifford and featured a number of photographs of Clifford and Constable "Al" Beeley inspecting neighborhood problem areas, some of which were cleaned up due to the efforts of Clifford, according to the captions.

## Family Washing Duel Imminent?

Announcement of a new executive committeewoman and a challenge to his opponent by the supervisor candidate were highlights of the candidates' dinner of Tenth Ward Democrats last Saturday at the Party House.

Mrs. Emaleo Stiles, who has been acting as membership secretary of the Democratic club of the ward, was named to the executive post. Ward leader Robert Nolan made the announcement.

"If I lose the election on Nov. 2", said Michael Culhane, "I'll go down the next Saturday and every Saturday for a month and do the family washing of my opponent. I hope he will take up this challenge and agree to do the same for me if he loses".

Culhane was referring to Supervisor Jerry Clifford whom he confidently expects to replace on the Board of Supervisors.

Andrew Celli, who is Culhane's campaign manager acted as master of ceremonies, introducing Mayor Lamb, Vice Mayor Mario Pirrello, Councilman William Malley, Assemblyman James Powers, Judge Emmett Doyle, County Chairman Leonard Schieffelin and William Posner, Democratic campaign manager.

## Registration Days Thursday, Saturday

Thursday and Saturday of this week are registration days. Polls will be open Thursday from 3:30 p.m. to 10 p.m. and on Saturday from 10 to 10.

New voters becoming 21 up to Election Day must register in order to vote on Election Day, as well as voters who have moved from one location to another since they last voted. Those who have not voted during the past two years must also re-register.

## School Board Is Criticized

"Let's stop giving our children gimmicks instead of education", was the theme of an attack on the present Board of Education by Raymond A. Santirocco, school commissioner candidate, at the dinner dance held Sunday night at Logan's Party House. He and his running mates will make many changes in the city school system, if elected, he promised.

All candidates on the Republican ticket were present for the dinner which drew a crowd of over 250. Frank Casaceli, Jr., was master of ceremonies. Among the speakers was Frank Hemmerich, supervisor candidate, who reported that residents in the neighborhood of Emerson and Glide where the city is installing baseball diamonds are

Parents of children in grades four through seven are invited to the intermediate school open house on Tuesday, Nov. 9, during American Education Week. The Parent Teacher Association will sponsor a Book Fair for parents and children during that week.

Mr. and Mrs. Edwin Beard, P.T.A. co-presidents, and Francis A. Scalise, principal, are in charge of arrangements for both evenings.

## Red Wing Star Banquet Speaker

Joe Altobelli, Red Wing first baseman, will be the guest speaker at the annual 40 and 1 Baseball for Boys banquet which is to be held Sunday, Oct. 17, at the Redmen's Club. Dinner is at 6 p.m.

Parents as well as other family members are invited to attend in addition to the ball players. Tickets are \$2.25 for adults and \$1.75 for children under 14 and are available from team managers or Mrs. June Riley, ticket chairman.

## Refuse Trucks Situation Eased

At least one of the objections to the refuse truck situation in Avis St. has met with action at City Hall as a result of the recent meeting of the Tenth Ward Neighborhood Association.

Harper Sibley, Jr., commissioner of public safety, states that the dump trucks will now be able to unload at the City Incinerator every night and will not have to remain loaded in the trucking company yards over night. Necessary arrangements have been made by Sibley's office.

"We are also exploring the possibility of either opening up Lily St. to Ridgeway Ave.", continues Sibley, "and making their trucks use this entrance to their yard exclusively, or trading their property on Avis St. for some other city owned property in an industrial area."

## Fish Fry Friday

The Women's Society of Christian Service of Wesley Methodist Church have scheduled another of their famous fish fries, on Friday from 5 to 7 p.m., in the church hall.

Tickets are \$1.25 for adults, 75 cents for children. Mrs. John Bennett is in charge of reservations at UN 5-3868. The church is located on Dewey Ave. corner Christian Ave.

## Republicans To Pick 15th GOP Queen

Two headquarters will be open during the 1965 campaign in the 15th Ward by the Republicans. One at Jay and Broad Sts., will be for the full organization and the other at 442 Lyell Ave. will be for the women's group.

The women are holding their open house tonight at 8, featuring selection of a "queen" to represent the 15th Ward in the Republican County Queen contest Oct. 7. Candidates seeking office will be the judges and all district leaders in the 15th are urged to bring a girl to the meeting tonight to compete. This will be at 442 Lyell Ave. Mrs. Mary DeGuarde, executive committeewoman, says all 15th Ward women are welcome.

The Broad and Jay headquarters

held its open house last Wednesday with an enthusiastic crowd in attendance, according to Dominick DeGuarde, executive committeeman. Angelo Monteleone, GOP candidate for supervisor promised to give "full representation" and attacked "deplorable slum conditions existing in the ward".

The third annual 15th Ward GOP picnic was held at Churchville Park on Sept. 12. Though the weather was somewhat cool, the response and turnout was most enthusiastic and the candidates warmly received, says Dominick DeGuarde.

## WHY GAMBLE ON HOME MADE WINE?

... and lose the money spent for grapes, plus the hard work to make the wine. You may be an expert wine maker with best equipment and sanitary conditions in your cellar.

But how about the grapes?

How were they handled since they were picked (perhaps half ripe) several weeks before you buy them ... shipped from California in cars ... trucked around town ... stored on the sidewalks, etc. ... Just to mention a few of the hazards of making wine that's safe to drink.

There's a bloom on fully vine-ripened grapes that tells the wine-maker just when grapes should be picked to produce the best wine. They can't be picked ahead of time.

### SO DON'T GAMBLE

**BIG CONTEST!**

(Just fill in the missing word  
in the following famous poem)

“The time has come,”  
the Walrus said,  
“To talk of many things.  
Of.....and ships and  
sealing wax  
And cabbages and kings.”

We can't give you the answer, but here's a clue:  
The missing word is something that all men wear and we sell.

Now all you have to do is come in, tell us the word, and we'll reward you with a handy little polishing cloth that will help you get a sparkling shine on your shoes... even if they aren't Roblees.

When you do come in, we promise not to put up any resistance if you demand to inspect some of our new shoe styles. And, if you insist on trying them on, we will not call the police.

You're not likely to get a fairer offer this year, so why not enter this intriguing contest? Hurry, because we have only enough polishing cloths for the first 17,000 men who come in.

**Lime Street Reunion Planned For Nov. 6**  
An old timers' reunion for present and former residents (1928-1940) of the Lime St. area is being arranged for Nov. 6 at the Mapledale Party House. Paul D'Ambrosia, Anthony Tata and James Santarose are co-chairmen. Further details will be announced later. Those interested in attending are asked to call D'Ambrosia at FA 8-5643.

It will be a dinner dance open to both men and women, according to D'Ambrosia and he says it has no other purpose than just bringing old friends together again. He recalled several notables in the sports field, both individuals and teams, which he says will bring back memories to many former Lime St. residents. He mentions such teams as the 15th Ward Tigers, baseball team; the 15th Warder football team; the Snappy Eleven and others; also such coaches as Deputy Sheriff Steve Zicari, Tony Lioi, Anthony Manella and Michael Marciano. Tickets for the affair may be obtained at the Columbia Market, 448 Lyell Ave.

Morning worship is conducted at the church every Sunday at 11. People in the community are invited. Church School classes for children from three years old through Junior High are held during the church hour. The children are dismissed from church at 11:10 for their classes. An adult is in charge of the nursery for young children.

World Wide Communion will be celebrated Sunday with Rev. Slough conducting the service.

A card party will be held Saturday, Oct. 9 at 8 p.m. in the social hall at the church. Proceeds will go for the Missionary Commitment of the Women's Association. There will be prizes. Refreshments will be served.

**The Flying Leviathan**

Staggering statistics tell the story of Lockheed's projected four-engine C-5A cargo plane designed to meet Air Force demands for a jet carrier twice the size of the mammoth airlifters now in operation, and the biggest airplane ever built. The new carrier would fly more than 6,300 statute miles non-stop, at a speed more than 500 miles an hour with a 100,000 pound payload. It could cross any ocean non-stop with twice this load. It is as high as a six-story building, as wide as a two-lane highway, as

long as some steamers, and could accommodate six Greyhound buses within its commodious interior.

The C-5A is Lockheed's latest entry in the heavy airlift field. It features a huge nose that swings up to permit free passage of trucks, tanks and other heavy equipment. Lockheed is the builder of the fan-jet C-141 StarLifter for the Air Force, and the C-130 Hercules, used by all military services and a dozen other countries throughout the world.

**Two New Schools Promised Herd Here**

Two new schools for the Northwest area are included in a major \$20 million construction program advanced by the Board of Education. A new No. 7 School will be built behind the present structure on Pierpont St., possibly to be completed by 1967. School 17 in Orange St. is also to be replaced and will probably be ready by 1968.

The No. 17 project will mean the closing of Orange St. from Saxton to Orchard and a large playground will eventually result, in addition to a larger modern school. Eighteen properties are scheduled for acquisition, increasing the school plot to about five acres, three acres of which will be play area.

**Ninth Democrats Meeting Monday**

Ninth Ward Democratic Women are holding a meeting next Monday night, Oct. 4 at 8 in the home of Mrs. Donna Burke, executive committeewoman at 1087 Dewey Ave. Purpose is to hear Harold (Jeff) Wilkin and Richard Dekdebrun, Democratic candidates for supervisor and constable, and also to elect officers. Mrs. Rosemary DeLillo is the present chairman.

**State Buying Up Dutchtown Homes**

The State has started buying up property needed for the Dutchtown extension of the Western Expressway. No announcement has been made as to which home owners have already made final agreement for sale, but it is reliably reported that acceptable purchase prices have been agreed on for several homes in the Colvin St. area with home owners given either until Jan. 1 or Feb. 1 of next year to vacate. These homes will be torn down as soon as the occupants have moved in line with desire of highway engineers to get demolition started as soon as possible.

**Demand For Blood Is Ever Growing**

The demand for blood is ever growing due to two simple factors—increased population and increased blood users.

When the Rochester Regional Red Cross Blood Program began in 1948, it needed 25,000 pints of blood to meet the demand.

This year it will require 43,000 pints!

Looking into the future, there is every reason to expect that within the next 15 years the local program may require some 60,000 pints a year.

The local Program supplies blood for 43 hospitals in the 12 counties that make up the region.

During its 17 years of operations it has fulfilled all the needs 100 percent despite the low periods that taxed its stocks of blood...an outstanding accomplishment, in itself.

But, the Program needs more donors on a continuing basis to sustain it, because the blood picture is rapidly changing.

Physicians estimate that one out of every 80 persons will receive a blood transfusion this year.

Normal usage in accidents, operations, childbirth, etc., is on the upsurge. Other uses demand ever more. Open heart surgery, for example, requires between 10 and 30 pints of blood per operation. Five pints of blood are used weekly to prime the kidney machine for each patient who undergoes kidney dialysis. Fresh frozen plasma goes to the Rochester Hemophilia Center for use in the treatment of the more than 100 hemophiliacs in this area. There are others...and altogether they put an ever-increasing drain on the supply.

## Six Schools Get Safety Pennants

For completing the 1964-65 school year without a pupil caused traffic accident 141 out of 233 participating Rochester and Monroe County schools have earned Perfect Safety Award Plaques in the county-wide Green Pennant Safety Program. The plaques are being presented to each of the winning schools at special safety assemblies by School Safety officers.

The Green Pennant Traffic Safety Program is starting its fourth year in area schools. It is designed to increase safety awareness and reduce traffic accidents among elementary and secondary school students.

There were a total of 179 student caused accidents under this program throughout the county. Of this number 123 were caused by pedestrians, 51 by bicycle riders, three by car operators, one by a sled rider and one by a horseback rider.

A student-caused accident generally is defined as an accident involving any vehicle - automobile, truck, bus, motorcycle, motor scooter, bicycle, etc. - which results in bodily injury or extensive property damage and where the student is determined by the police to be the cause of the accident. Sponsors are Rochester Products and Delco Products divisions of General Motors, daily newspapers and the police and sheriffs' departments.

Six Northwest area schools with perfect records include: Kodak Park School No. 41, Jefferson High School, Aquinas Institute, Holy Family School, Most Precious Blood School, Nazareth Academy.

The move of the Rochester Knights from Columbus Civic Center is their first in nearly 40 years. John Viavattine on the left, chairman of the 1085 Club dinner dance ad program solicits an ad from Peter Giullari as Len Schur co-chairman looks on. Dance takes place Oct. 23.

**Benefit Dance Gets Good Response**

The benefit dance scheduled for Oct. 23 by the 1085 Club is apparently getting support on all fronts. The beneficiary of the dance will be the Northwest Youth Association in general and the bill for baseball uniforms in particular.

The ticket sales are reported doing well and the souvenir program which will be given out is rapidly filling with the necessary advertising.

Following a report meeting on Monday, Sept. 20, at the Avery, ad book chairman John Viavattine and co-chairman Len Schur, were encouraged by the wholehearted support shown by the neighborhood merchants and friends. The club is pleased by the almost 100% cooperation of the merchants of the vicinity.

Dance tickets may be purchased from any member of the 1085 Club, or at Shatzel's Hardware and Esposito's Barber Shop. General chairman Arman Vitale promises many surprises. "Music by Bill Milo and his orchestra, plus entertainment will make this a night to remember," he says. "Remember this is the start of many projects planned for the youth of the neighborhood by the 1085 Club", he

continued. "Give the men of this fine civic-minded organization a vote of confidence by buying a dance ticket".

The dance will be held at the Most Precious Blood Auditorium. Entertainment, and guest appearances and many surprises are promised. The committee headed by Chairman Armand Vitale and co-chairman William Anderson promise this to be "one of the finest affairs ever held in this neighborhood". The committee as announced by President Esposito, is as follows:

Tickets: Joe Nigro, Marty Lo-Biondo, Tony Coccia, James Shatzel, Charles Thomas, Al Frattare, Charles Fricker.

Ad program, John Viavattine, Leonard Schur, Frank Nazzaro, Tony Schnieder.

Publicity, Tony Pennella, Joe Richie, Gordon Stone; entertainment, Nick DiPonzio, Sam Stendardo.

Arrangements, Armand Vitale, Elmer LeFevre, Ralph Orrico, Joseph Esposito, Wm. Anderson, Chris Hayes, Frank Perricelli, Don DiLorenzo, Bernie Hoepfl, Walt Dukelow, Frank Hemmerich.

**Air Pollution Scares New York**

Assemblyman S. William Rosenberg states that a joint legislative meeting held Sept. 10 in New York City on the subject of air pollution by automobiles was both "illuminating as well as terrifying."

Assemblyman Rosenberg, a member of the joint legislative committee on highway safety and motor vehicles, which conducted a public hearing, stated that the entire committee was most impressed by the testimony of leaders of science, medicine and industry, headed by Major Alexander P. DeSiversky.

But it was scary, said Mr. Rosenberg, to learn that the exhaust fumes may well be a contributing cause to lung cancer and other serious ailments.

"It was likewise awesome to hear experts state that the residents of New York City may someday be forced to wear oxygen masks when they venture out of doors because of the increased pollution of the air," says Rosenberg.

The assemblyman stated that it was mutually agreed by all legislators present that immediate action was essential. Although the problem is regional in nature rather than local, it was felt that in the absence of federal control, action must be taken by New York State. More than one expert stated that failure to solve this dangerous condition could result in the return of the electric automobile, which was thought to be a relic of the past.

**Services Held  
For Matt Barry**

Funeral services were held last week for Matt Barry, formerly of Seneca Pkwy., who about to leave to make his home in Florida when stricken by illness about three weeks ago. Masonic services were held for him Thursday at the Charles L. Younglove Funeral Home and interment was in Mt. Hope Cemetery on Friday.

Mr. Barry, who was 80, was the subject of an article in this newspaper early in August and at that time appeared to be in good health. He expressed his thanks to the Post-Courier for the resume of his Tenth Ward activities, but had chided the editor on omitting one or two important details.

In the mid-forties when Mr. Barry was chairman of a local draft board he originated the idea of a war memorial for service men of World War II and the honor roll which stands at Dewey Ave. and Bryan St. with some 4000 names on it is largely his work. The Tenth Ward Courier cooperated with him in raising the necessary funds from Tenth Ward organizations and individuals. Mention of this accomplishment was overlooked in the Post-Courier article.

His widow, Lucille Barry, has no immediate future plans. Their furniture had been moved to Largo, Florida, where they had purchased a home, but friends in that city are acting as caretakers, she said.

## Comedy To Benefit Sunshine Camp Fund

"Never Too Late", the rollicking comedy that ran 1007 performances in New York from the Fall of 1962 to the Spring of 1965, to become the 14th longest running play in Broadway history to that time, is being brought to the East High School Auditorium for seven performances beginning Friday night, Oct. 15 by the Community Players.

The leading roles in this explosively funny comedy have been assigned to two veteran performers, Dave Maloney as Harry Lambert, and Virginia Davis as his wife Edith. These popular favorites will be seen as a middle-aged couple going through the hilarious throes of readying a welcome to a new baby long after any more additions to their family could have been expected.

"Never Too Late" was written by film and TV writer Sumner Arthur Long, and it was one of New York's most hilariously successful comedies for two years and five months, while it was simultaneously being toured to 132 other cities, and presented in 16 foreign countries.

This is the 33rd annual Rotary play to be staged by the Community Players and sponsored by the Rochester Rotary Club for the benefit of the Rotary Sunshine Camp for physically handicapped children. There will be a total of seven performances - Oct. 15, 16, 17 and Oct. 22, 23 and 24 with a matinee on Sunday afternoon, Oct. 24.

Tickets for the play are available at the Rotary Club office in the Powers Hotel or at the Community Playhouse, corner of Meigs and Clinton Ave.

He is 29 years of age, a former FBI Agent, is a graduate of St. Andrews Seminary, St. Bernard's Seminary, and Cornell Law School. Degrees: A.B. and L.L.B. MEMBER: Sacred Heart Cathedral; Former FBI Agents' Assn.; B.P.O. Elks; University Club; Ancient Order of Hibernians; Cornell Club of Rochester; State and County Bar Assns.; 9th Ward Republican Organization; Assistant Majority Leader, Chairman of Chargeback Committee, member of Ways and Means Committee, member of Social Welfare Committee of Monroe County Board of Supervisors. His experience includes service with the FBI at Little Rock, Arkansas and Washington, D.C.; He is a practicing attorney and a partner in the law firm of Forsyth, Forsyth & Neilon.

## NEILON RENEWS STAND ON DOUBLE TAX SLASH

I was surprised and disappointed to discover that the Democrat Candidate for Supervisor of the 9th Ward, Mr. Wilkin, opposes my efforts to bring about a "double tax slash" for the residents of the City of Rochester. His letter to the editor of August 31st indicated a tendency to use half truths and character assassination to attack me and my program rather than limit himself to the real issues which are at stake.

The question is not whether or not your political opponent is putting forth an idea, but rather, whether or not that idea will benefit the ward and the residents of the City of Rochester. Because of his "shot gun" blast of inaccurate statements, the following items should be brought to your attention as matters of fact.

I am not uninformed on City and County fiscal matters. The fact is that I am only too informed on the serious and unduly heavy burden now being placed upon the City Taxpayers. When the City Administration prepared its 1965-66 budget, it was within \$16,000 of the constitutional limitation on real estate levies. In short, present real estate taxes are so high now that the City could not raise them even to meet an emergency.

The position of the Democrat Administration of the City is made clear in the report of the Bureau of Municipal research, of which I have made a thorough study. The following is a statement made by the City Manager, Arthur Curran, on May 26, 1965: "Any reduction in the rate of the sales tax or any change in the sales tax distribution formula, either of which reduces potential City Revenues, will undoubtedly cause a fiscal crisis in Rochester". A resolution of the City Council requested that the Board of Supervisors re-enact the sales tax so that the City Council might give "tax relief to heavily burdened real estate and homeowning residents in the City". The Board of Supervisors took the City Council at its word and voted to relieve the City Taxpayers' burden. I have urged and will continue to urge that the City Administration live up to its promise and relieve the City Residents of their real estate levy. I fail to see how my opponent, in good faith, can do anything but join me in these efforts. To oppose me on this very serious issue is to, in fact, oppose the City Taxpayer.

I haven't any problems with my memory as my opponent implied in his letter. There has been no increase in the County's share of the sales tax during my term of office. However, two years ago, while a member of the Board of Supervisors, my opponent cast a vote that deprived the City Taxpayers of millions of dollars in sales tax monies. This is not guess work; this is fact and can be substantiated by the record of his vote on resolution 432 on December 18, 1963. I also suggest that the opposition check the record again as to my vote on the resolution by Supervisor Collichio calling for a refund by the County. He will discover that his charge that I voted against the refund is false.

Perhaps the grossest form of inaccuracy outlined in my opponent's letter was what he termed as my "sudden concern for the City Taxpayer". If he will again check the record, such is not the case. Since the day I first took office, I have endeavored to present legislation aiding the City Taxpayer.

On November 27, 1964, I introduced a resolution to the County Board of Supervisors appointing a special committee to study chargebacks in the financing of county-wide services. This committee, of which I am Chairman, has studied in detail the exact effect of chargebacks on the county fiscal system and the effect of their elimination. Further it has studied the distribution of services between the towns and the City of Rochester, excluding chargeback items, to measure the services received by each municipality and how much each municipality is contributing towards these services. All of the above has been done by the Republican City Supervisors with a view towards the elimination of chargebacks wherever possible which could mean a total savings to the taxpayers in an amount of \$1,245,000.00.

Admittedly, I have held office for only two years, but during that time I have at least started the ball rolling towards relief to the City Taxpayer. I only wish that the Democrat Candidate for Supervisor of the 9th Ward, during his tenure, had started the same ball rolling. It would have made my job much easier.

# WILLIAMSON WARM AIR FURNACES

## 5 Steps To Yearound Comfort Heating

The heart of a complete comfort system is a WILLIAMSON Furnace. Offered for use with gas, oil, electric or coal.

During the heating season, the air in the average home is drier than the Sahara Desert. An APRILAIRE Humidifier automatically adds the proper amount of moisture for a comfortable home.

### Air Distributing System

The performance of any furnace depends on the quality of the distribution system. WILLIAMSON Seal-Tite systems are the pace setters for quality and are used in more installations than any other brand.

### Electronic Air Cleaner

A WILLIAMSON Electronic Air Cleaner removes up to 90% of all air-borne contaminants. Reduces allergy problems because you breath cleaner air than the freshest day in spring. Reduces housework and redecorating costs.

### Cooling Coil

WILLIAMSON Central Cooling Units cool, dehumidify and filter the humid air in your home.

495 EMERSON STREET and Tenth Ward Courier Clearwater 4-5200

VOL. 38 NO. 39 ROCHESTER, N.Y., WEDNESDAY, OCTOBER 13, 1965

## Minister Goes The Rounds With Police Patrol Car

The writer of this article is the Rev. Albert Jeandheur, pastor of Dewey Avenue Presbyterian Church and chairman of the Tenth Ward Neighborhood Association.

"Reverend, you are free to go in with the officers when they answer their calls, but stay behind the men, please. We never know just what we are going to find." These were the words Lieut. Richardson used in orienting me to my ride with the police through the night of September 24. He was saying specifically what many of us have imagined. . . there is danger in police work.

On September 9, our Tenth Ward Neighborhood Association invited the Commissioner of Public Safety Harper Sibley Jr., along with other city officials to a public meeting to describe for us the work of their departments. When thanking Mr. Sibley for coming that night, I asked if I could see the police bureau at closer range. I wanted to see first hand some of the problems people have in our city. Perhaps there is a way to help. It was arranged for me to ride with two officers in their patrol car from 7 p.m. on Friday night to 3 a.m. Saturday morning.

In the car, Officers Perticone and Wolkonowski and I had hardly finished the initial ritual of friendship, talking about the weather, when our first call came. "Mental Case," the dispatcher called it.

**Supervisor Thanks Blood Bank**

TO THE EDITOR:

Have you ever had a major illness in your family? Has one of your children ever required major surgery? Have you ever had a relative seriously injured in an automobile accident? Have you ever had to make frantic 'phone call after 'phone call seeking some friend or relative with the correct blood type for urgently needed blood transfusions?

If you have experienced any of these, as I have, you realize the importance of the Red Cross Blood Bank.

Twice members of my family have been seriously ill and have required blood transfusions. Both times the plasma was there. Correctly typed, sterile and ready at a moment's notice.

My gratitude to the Red Cross is very real and sincere. My family and I have been "donors"

whenever possible. I personally have been only too happy to work on their fund drives and to canvass for "blood donors".

If you or one of your family has ever received blood, won't you please say "thank you" by acting as a donor or, if you are so fortunate as not to owe them a debt of blood, won't you in a spirit of thanksgiving be a blood donor at Sacred Heart School tomorrow anytime from 1 to 6:45 p.m. Believe me, I will!

Tenth Ward Supervisor

*Continued from P. 1*  
Having had an active part in hospitalizing disturbed people before, I knew what this could be. Broken glass, strewn furniture, smashed plates gave evidence of what had been, but had now quieted down. A bit glazed and spent, the victim sat on the bed.  
"Have you any weapons?"  
"No."

(An open knife with a long blade was found in his pocket.)  
We picked up a female panhandler from a crowded public place. This is not as easy as it sounds. The crowd gathers. Five cars were dispatched on a "burglary in progress". We were the third to arrive, and we were probably there within 90 seconds. However, the public does not seem to respect the red emergency light as much as it should. Delaying the movement of a car on a call, such as this, could make a difference of life or death.

"Are you the one who called the police, dear?" They were not there to be threatening but helpful. The line between police work and social work is not really existent. They merge. That night we met many people with very human problems. The police gave first aid. Good first aid. But lasting therapy for human problems takes more than first aid. Most of all it demands an end to apathy. Both officers agreed that people who don't care, about their kids, about themselves, about what goes on in their neighborhoods, create some of the most persistent problems. How to stimulate people to care and what to do that will be constructive when people do care will be on the agenda of the Tenth Ward Neighborhood Association.

**Happy To Be Of Service !**  
— AND WE APPRECIATE THIS LETTER TOO

The foot bridge on Lily St. at the corner of Electric Ave. has been a matter of grave concern to all who have witnessed the disregard of motorists for the children who must cross Lily St. to get to and from School #40 four times each day. Lily St. has long been used as a "Drag Strip" and, not long ago, was the scene of a rather serious accident. One racer unable to control his car, rolled over the fence and landed on the railroad tracks below. A small girl was struck by a car, just last Spring, as she crossed Lily St. on her way home from school. Despite the obvious danger faced daily by the school children, who, for lack of sidewalks, are forced to walk ON Lily St., all efforts by women of the area to secure safety for the children have been ignored. For the past three years there has not even been a safety patrol from School #40 to help the children. Last Friday, Oct. 1, stop signs were erected on both sides of the crosswalk. This was done, with no fanfare, by Michael Culhane, Democratic candidate for Tenth Ward Supervisor.

We women wish to thank Mike most sincerely for the signs, and for doing this as a service, not a political issue. We are sure there are many more names that should be added to this list, for this is a great service to all residents of this area.

MANY THANKS TO MICHAEL CULHANE.

## Organizing Against Child Molesters

A group of parents has organized recently at the Charles Settlement House as a result of several area child molestings during the past year.

The organization is still canvassing the area between Broad St., Lyell Ave., Mt. Read Blvd., and West Main St. for signatures supporting a New York State law that would require convicted sex offenders to register with the local police department.

Such a law would require a convicted sex offender moving into or within the state to notify the local police department of his new address and car description. A personal photograph and fingerprints would also be placed on file.

It is felt that such a law would facilitate the police in apprehending sex offenders. It might also prevent some tragedies since the convicted offender will realize that his current status is filed with the local law enforcement agency. Failure to report such information would constitute a misdemeanor.

The group is also organizing block parents whose homes will be available in any emergency. Such houses would be marked by a green and white haven sign.

It is hoped that other interested groups will join in this goal. Those not visited who would like to sign, may call FA8-5453 or stop in at 445 Jay St.

## Masks Are in order For Senior Citizens

Annual Halloween party for the Inter-Club senior citizens will be held Friday at Lutheran Church of the Redeemer. Games and refreshments are from 1 to 3 p.m. The Greece Senior Citizens Orchestra will play for dancing. All guests are to come masked.

SYMPATHY FLOWERS always in good taste. Order them at Flower Fashions Florist, 630 Ridge Rd. W., UN 5-7270. -Adv.

## First Democrats Honoring Malley

Women of the First Ward Democratic Club will honor Councilman William J. Malley, Supervisor Raymond Margrett, and Constable Ralph Annucci at an open house at Democratic Headquarters, 827 Dewey Ave., Sunday from 10 a.m. to 2 p.m. All residents of the First Ward are invited to meet their candidates and have coffee and donuts.

Chairman of the affair is Mrs. William Dady and acting as hostesses will be Mesdames Peter Fuino, Joseph Petrelli, Dorothy Di Gennaro, Agnes Wedel, John Fuino, George Yuska, Donald Long, Ted Root, Fred Howard, Andrew Oliver, Lido Annucci, Joseph Samborski, Alfred Schmid, William Murray and Mario Annucci.

## 24th GOP Rally Listed Tonight

The final event on the pre-election program of 24th Ward Republicans takes place tonight in the West Side Ukrainian Club, Glide St. It will be a candidates' rally and all the GOP hopefuls including Frank Hemmerich and James Zicari, the supervisor and constable candidates, will be on hand to greet the voters.

In addition to short talks by the candidates, there will be music and refreshments and all 24th Warders are invited, says Frank Casaceli, the rally chairman.

## Fall Festival

Holy Apostles' fall festival sponsored by the Holy Name Society is now being organized by chairman James Guarniere and co-chairmen John Izzo and Donald Baug. The date is Saturday, Nov. 20. All organizations of the parish will be participating.

BANQUETS - Shower, reception, party facilities for over 90 people. Kitchen privileges optional, you furnish food. Call Bavarian Restaurant, 746 Jay St., BE 5-9538. -Adv.

## NEWS BRIEFS

JOHN REGAN, director of the Association for Retarded Children, will be the speaker at next Tuesday's meeting of Northwest Kiwanis. His subject will be "Helping the Retarded to Become Taxpayers Instead of Tax Consumers".

NO. 7 SCHOOL PTA is holding a baked food sale on Election Day, next Tuesday. It will be for the special benefit of the voters who will be casting their ballots at the school and will be located at the end of the main hall.

FIRST WARD Republicans drew a crowd of more than 300 to their first annual dinner Saturday night at the Redmen's Club. A program of entertainment arranged by Theresa Philippone, the supervisor candidate, followed short talks by the county leader, Vincent L. Tofany, Sheriff Al Skinner and several of the candidates.

THE 1085 CLUB DANCE was "a wonderful success" in the words of Armand Vitale and Bill Anderson the co-chairmen. The heavy financial obligation incurred by the club in buying uniforms for the Northwest Youth baseball players was written off and now the members are looking forward to more programs for the boys of the neighborhood.

MRS. MARIE H. CHURCH, 29 Parkdale Terr., is one of a group of Sibley employees to be honored at a luncheon Tuesday. She is retiring after 45 years with the department store.

JAN CAMELIO, daughter of Mr. and Mrs. Pat Camelio of McNaughton St., has been chosen as the homecoming queen at R.I.T. where she is a student.

## Vote To Decide Control Of City, County and State

One of the most heated election campaigns in many years is now in its final stages and will come to an end next Tuesday, Nov. 2, when the voters will decide who is to control the city, the county and the state after Jan. 1, 1966.

## 14 Extra Stops On The Ballot

Voters will need a little extra time behind the curtain of the voting machines next Tuesday unless they come with their minds made up on the 14 (yes, fourteen) different propositions, questions and amendments for which they can vote "yes" or "no".

The most important item, locally, is the last one on the machine. It is to provide for re-apportionment of the Board of Supervisors, with 29 supervisors instead of 43 for the city and county. Both Republican and Democratic leaders urge approval since the re-apportionment has been ordered and will be set up by the courts even if the voters turn down the new charter proposal.

Here are some of the other items to be voted on: Water pollution elimination, a billion dollar bond issue; public housing subsidies; middle income housing; call for a constitutional convention; increase from two to four years, terms of state senators and assemblymen; three amendments for New York City area; nursing homes run by the state for low income families; lengthening terms of town justices; state budget change.

The state senate and assembly lines have been greatly altered since two years ago and many voters will be confronted by new names and will not be too sure who is on the ballot in their particular districts until they enter the polling booth.

For instance, Assemblyman Charles Stockmeister who always did well in the six Northwest wards has lost all but a precinct or two as his 148th Assembly district has been shifted westward. Some of the 147th District where Assemblyman James E. Powers has been

## Candidates Face

## Re-runs in '66-'67

Times are changing and politicians understandably are not happy about it.

Ward supervisors and constables, as well as state senators and assemblymen, will have to run for election again next year and also again in 1967 due to the revolutionary changes in the political setup brought on by the one-man one-vote decision of the Supreme Court.

Another complication on the local scene next year will be the abandonment of wards, as presently constituted, drawing of entirely new lines and formation of "districts" rather than wards. The six Northwest wards will become parts of four districts, if the voters approve the charter change proposal. What happens if the voters disapprove and the courts do the re-apportionment, no one knows.

**Y.M.C.A. Lists Activities**

The Maplewood YMCA begins its 50th year in service to the youth of the Tenth Ward and surrounding vicinity with a program it hopes will fill the needs of each boy looking for a YMCA experience.  
The physical education program for boys, ages 8 - 17, is again structured by ages so that each boy coming to the "Y" will be with boys his own age. Boys will be scheduled for one gym and swim instruction per weekday and a full mornings program on Saturday. The Saturday schedule includes gym, swim instruction, crafts, a special interest period which will cover coins, stamps, models, nature lore, and other special events that will come along as the season progresses.  
High school boys can look forward to a full schedule of activities on Tuesday, Wednesday, Thursday evenings and Saturday afternoons. Basketball, weight lifting, swimming, wrestling, trampolene, track, and tumbling are just a few of the sports a high school boy can participate in.  
Maplewood also offers a full program of club activities for boys both at school and at the "Y". Gray, a club program for boys, is now in the process of organizing at 34, 7, and 41 schools. These clubs will meet in the school one afternoon per week and will enjoy monthly programs of gym, swim, and crafts.  
Indian Guides, a father and son program for youngsters in grades Kindergarten through grade 2, is also in the process of organizing and a meeting for all interested dads whose boys attend 34, 7 and 41 schools are urged to attend.  
The annual Arnett YMCA youth members Halloween party will be held, Saturday morning at 10. All members are invited to attend and bring a guest. The only entrance requirement is a costume.

The Conservative Party is the only party which fundamentally supports the neighborhood school concept and a group of us from the No. 30 School District Association having met with the Conservative School Board candidates, have discovered that our viewpoint is the same.

We are anxious to activate our association and resume the fight to save our neighborhood schools. We hope voters will cross party lines and elect Conservative Party candidates to the Rochester School Board on Nov. 2.

We need to start emphasizing basic education which is so badly needed and stop wasting time and

"Jeff" Wilkin

9th WARD  
SUPERVISOR

Jeff was Supervisor of the old 10th Ward from 1961 to 1963. During this time he was always available, ready and willing to help solve any problem that a 10th Ward resident related to him. This was a tremendous job with 32 election districts and approximately 18,000 registered voters.

Because of his untiring efforts, he earned the title of "the workingest supervisor the area ever had". For the last two years he has been doing the same untiring job in the 9th Ward as an unpaid Supervisor.

I live in the 17th District of the 9th Ward along with Bob Neilon and Gordon Terry, (who had a letter in the Democrat and Chronicle on October 21st praising Neilon). In the last 4 years in the 17th District we have had to appear at the Zoning Board on five different occasions to try and fight zoning variances that would degrade the neighborhood. On 3 of these occasions, "Jeff" was Supervisor and he took time off from his job at Kodak (even though he lived a great distance from the 17th District) to appear for the residents of the District. These 3 variances were denied.

Mr. Neilon is a lawyer and the present Supervisor of the 9th Ward. He is apparently too busy to adequately represent the residents of the 9th Ward or even the people in his own district. He did not attend the last two Zoning Board hearings at which variances involving the 9th Ward were sought.

And by the way, both variances were granted, to the detriment of the neighborhood.

I was always under the impression that we elected a Supervisor to help us in our time of need and this was a part of his duties.

I would like everyone whom "Jeff" has aided in the last 4 years to help return "Jeff" Wilkin to the Monroe County Board of Supervisors on Election Day.

The Dewey Branch Library has received a collection of books in the field of science. Captioned "Science for the Citizen," this is one of the rotating collections of non-fiction books sent out by the Monroe County Library System to member libraries. According to the librarian, Miss Burnett, the books will remain in the Dewey branch for three months before going on to another library in the system. They may be borrowed for home reading just like other

**Poem Wins Prize For 9 Year Old**  
 James T. Pies, 9 year old son of Mrs. Flora Condon, 578 Lyell Ave., won a contest recently by writing a poem about safety. Entitled "The Saf-Way", it reads as follows:

All children are very little  
 Their bones are very brittle,  
 If we would grow up strong and good  
 Let's cross on crosswalks as we should.

Anywhere we go or play  
 Let's be careful every day.  
 That is how in modern ages  
 Children will grow to ripe old ages.

So through all vacation season,  
 Let's use our little heads with reason  
 And not cause anyone dismay.  
 Just do all things the "Saf-Way".

**Tigers Undefeated**

**Record Continues**

On a mud soaked Aquinas field the 9th and 10th Ward Tigers splashed to a 26-0 victory over the Lewis St. Pacers Sunday.

Rick Brower lead the Tigers with three touchdowns and an extra point. He scored on runs of five and eight yards and a 40 yard punt return. Art Pires started the scoring with a 50 yard jaunt in the first quarter.

The Tigers were again outstanding on defense.

The final league game of the season will be played next Sunday (Oct. 31) at 1 p.m. at the St. Paul Exempt Field against the Iroquois Vikings.

Jeandheur, pastor of the church, will offer in his sermon.

In the Sanctuary the play will be read by Professor Robert Sinclair, associate professor of the Drama Department, at the State University of Geneseo, and Mrs. Jeandheur, chairman of the Religious Drama Committee of the church.

This short play concerns itself with the Last Judgement created by atomic warfare. The play depicts the conversation between a husband and his wife in the last few minutes before their extermination by the bombs. Although the play deals with a very serious subject, it is said to be punctuated with humor.

The play is being sponsored by the Religious Drama Committee of the church which has done two major productions a year for the past several years. The plays generally are presented on Saturday and Sunday evenings in the church sanctuary. This is the committee's first attempt to include drama as part of the Sunday morning service.

**ATTENTION**

**1st Ward Voters**

It's been very difficult for me to understand what the Republican Party means by HAD NUFF. Could they mean you haven't been taxed enough in the city? Maybe they'd like to show you how well they can do this. I'll admit they're experts in increasing taxes. You've had a taste of this on both the County and State level.

Could they mean that city workers have HAD ENOUGH pay raises? Maybe they'd like to see them struggle to make a living. Personally I believe they deserved the two raises in the past four years. These raises helped to bring the teachers, firemen, policemen and all city workers a little closer to what salaries are in private industry. Maybe they mean you've HAD ENOUGH streets paved, sidewalks repaired, trees planted and trees removed when diseased.

Could they mean you've HAD ENOUGH recreation areas upgraded? Perhaps, they mean you've HAD ENOUGH urban renewal, and prefer to see Rochester slowly decay.

Don't let malicious slander influence your voting. The Democratic Party has always had the working people foremost in their minds. Benefits too numerous to put in print, have been gained while our Party has been in power. I've only pointed out a few, I urge you to vote for our candidates for Councilmen-at-Large Frank Lamb, William Malley, Mario Pirrello, Charles Maloy and Roy Colicchio.

You can also be proud of the type of representation you've had by the Democrats on the Board of Supervisors. Supervisor Raymond Margrett and Constable Ralph Annucci deserve your vote of confidence. Vote Row B for continued progress in our city.

## 10th Ward Women Endorse Clifford and Beeley

As housewives and mothers of the 10th Ward we heartily endorse the re-election of Supervisor Jerry Clifford and his running mate, Constable Al Beeley. We who remain at home during the day, are well aware of our "Working Supervisor" by his frequent appearances throughout the ward and his willingness to sit and discuss issues with anyone at anytime. We know too, of his concern for problems because of the many things he has helped us with in our ward. In short, we feel we must recognize the full-time representation our neighborhood has received and offer our sincere thanks to Jerry Clifford and Al Beeley for their efforts to make our 10th Ward a better place in which to live and raise our children.

We urge all to join with us in support of these two fine candidates on election day, November 2nd!

Your First Ward Republican Organization

**As Democratic Executive Committeeman of 9th Ward, I wish to welcome a new resident to our ward.**

After 20 months in office, Mr. Neilon has - by means of political ads - publicly admitted the fact that he is the supervisor of the NINTH WARD and not primarily an official of the County and the Town of Greece.

Mr. Esse, the distinguished Republican Executive Committeeman, and Mr. Neilon blasted me and the Democratic Party in a letter in the Courier last year regarding snow conditions and services.

As a result they were contacted and offered transportation to ride with me during snow storms and early morning pick-up on refuse removal.

Unfortunately, they informed me that their schedule could not allow them to accompany me. I consistently travel the routes alone and I am very proud of the services in our Ward. I welcome any criticism - or compliment.

On November 2, please exercise our great privilege and get out and vote for the candidate of your choice.

and Tenth Ward Courier

VOL. 38 NO. 43

ROCHESTER, N. Y., WEDNESDAY, NOVEMBER 10, 1965

## Democrats & Republicans Split Honors In Election

The 1965 election, last under the ward setup, resulted in a few surprises and a mixup in political trends that almost defied explanation. Generally speaking the Democrats held the upper hand in four of the six Northwest wards, but there were several exceptions.

The supervisorships were divided evenly three and three, but the Republicans had the edge in the constable results, four and two. Kenneth B. Keating carried every ward in his sweeping judgeship win, but the First, 15th, 20th and 24th Wards went largely into the Democratic column and the Ninth and Tenth were mostly Republican.

The contest for supervisor in the Ninth was one of the most hectic in the county with Supervisor Robert P. Neilon (R) winning re-election over Harold (Jeff) Wilkin (D) by a scant 16 votes.

Frank Hemmerich (R) did another of his celebrated comebacks in the 24th, unseating Supervisor Alex Grella (D) even though the ward was otherwise pretty solidly in the Democratic column. The Republican constable candidate, James Zicari, also won over Charles Burke.

The First Ward had a lively battle for supervisor and constable but the incumbent Democrats Raymond Margrett and Ralph Annucci had a comfortable margin

Rosary Society of Holy Family Church is holding its monthly meeting tonight at 8 in the Pine Room. The meeting will be preceded by services in Church at 7:30, for the deceased members of the society. There will also be nomination of officers for the coming year.

Following the business meeting, presided over by Mrs. Joseph Heilman, there will be a Christmas bazaar featuring many hand-made articles. Mrs. George Kohlmeier is chairman.

This will be followed by lunch and the usual games. Mrs. Sam Finley will be hostess for the party. All members are invited.

## Mothers To Meet At Holy Apostles

Holy Apostles Mother's Club will meet in the parish hall next Monday at 8 p.m. and will be shown teaching aids used in the school by the faculty. A skit, "A Day in the Principal's Office," will be presented.

Tickets for the Christmas party will be available at this meeting and final plans for the fall festival, which will be held on Nov. 20, will be discussed.

First grade mothers will be hostesses. All mothers are invited.

## Win Championship

The 9th and 10th Ward Tigers won the 1965 Pop Warner championship Sunday by beating the Greece Chargers, for the second time this season, 12-6, on the Greece Dorsey Road field.

Rick Brower scored the first T.D. for the Tigers on a 15 yard run. Art Pires scored the second on a quarterback sneak.

A large crowd of 9th and 10th Warders cheered the Tigers to their first championship. They finished the season with a six win-one loss record.

## Winners Say Thanks

Thanks for the support of the voters came from all the successful supervisor and constable candidates. All 12 of them requested this newspaper to express their thanks publicly. A letter from Supervisor Raymond Margrett summed up the feelings of most of the winners. It read, in part: "I wish to thank the voters for the privilege given me and I promise not to betray their confidence. I want to thank my family, my neighbors and our dedicated ward leader Peter Fuino and all the men and women of our organizations without whose hard work this victory would not have been possible".

Supervisor Jeremiah Clifford: "I pledge to work for the betterment of our ward".

Supervisor Robert Neilon: "I am thankful for the opportunity to continue serving the Ninth Ward."

Supervisor John Scibilia: "Thanks to everyone who helped in my victory".

Supervisor George Stockmeister: "We will continue to serve all the people of the 20th Ward. Thanks to everyone and especially our leader Fred Stanton and all the workers".

Supervisor Frank Hemmerich: "I greatly appreciate the honor of once again serving the 24th. I will do my best to help solve our problems".

First Ward leader Fuino wrote in to express his thanks to the Post and Courier and the editor for their bi-partisan reporting of the issues during the campaign. "Your personal interest in our ward and civic affairs has gained you the respect of both political parties. The overwhelming vote from our ward to all five Democratic Council candidates was also a vote of confidence for our city administration. You can be sure that our city will continue to be a model example for other cities to follow".

 Election Results

Continued from P. 1  
 over Theresa Philippone and Norman Casaceli.

In the 15th Ward, Supervisor John Scibilia (D) won re-election by about 100 votes over Angelo Monteleone (R). Lou Romano (R) did it again in the constable race, however, retaining his post in the otherwise strongly Democratic ward.

Supervisor Jeremiah Clifford (R) won re-election over Michael Culhane (D) in the Tenth which had a good Republican majority for most candidates. Ellsworth Beeley (R) retained his constable post.

It was the same story in the 20th Ward where Supervisor George Stockmeister (D) won a sweeping victory over Dom Baragato (R) and the Democratic constable candidate, Carl Bertini also won handily.

Councilman William J. Malley, who won re-election did well in the Northwest area with a winning plurality in all six wards. Mayor Frank Lamb took top honors in all six wards, including the Ninth and Tenth the only local wards that placed Councilmen-elect Stephen May and Robert Wood, both Republicans, in the first five.

State Senator VanLare, re-elected, came close, but lost in the First, 15th and 20th Wards, Senator Willard captured the Ninth and Tenth, but lost the 20th and 24th in his successful bid. Assemblyman James Powers was one of the few Democrats to get a plurality in the Ninth and Tenth; Assemblyman William Rosenberg lost in the First and 15th, but won re-election.

CARD OF THANKS

The family of the late William Bieber wish to thank all the friends and neighbors who were so kind during their recent bereavement.

THANK YOU

I wish to personally thank everyone for being so patient with the poor service received in the past weeks at the Golden Crown Fish Fry, 402 Lexington Ave.

Suitable short time help has been very difficult to obtain since my three sons have been taken into the service, leaving me alone. I hope to have things running much smoother very soon.

Gratefully,

**ROBLEE.**

A new Roblee "brog,"  
and its Scotch-Irish granddaddy

As early as 1600, Scotch and Irish country-  
men were wearing a shoe made from a  
single piece of untanned deerhide with the  
hair still on, and tied with thongs. It was  
called a "brog."

Its descendants are here in our store today  
... without hair ... and known as brogues. A  
fine example, the Imperial, is pictured above.

Roblee brogues have every feature you like  
in a business shoe. Husky, hearty looks.  
Rugged, lustrous leathers, rubbed and rolled  
till they're soft and pliant. And a light,  
comfortable feel on your foot.

Drop around for a pair of Roblee brogues.  
And remember to tip your hat to the  
O'Donnells and Macphersons that you meet.

Canadian Whisky—A Blend - 86 B Proof - Imported in Original Casks by and Bottled in the United States for Barton Distillers' Import Co., New York, N. Y.

**If they're out of Canadian Mist, buy the most expensive Canadian in the store. It's probably just as good.**

Canadian Mist is as mild and mellow a blend as ever came together under blue Canadian skies.

The whisky itself costs plenty.

But since we ship it to the states in casks instead of bottles, we save money on freight. And we save money on taxes.

And so do you.

### Raise Funds For Scholarship

The Italian Women's Civic Club of Rochester held its annual Dante Scholarship dinner dance at the Manger Hotel on Saturday with music by Len Hawley and his orchestra.

The club was founded in 1919, the main objective being to aid young men and women of Italian origin to further their higher education. The Dante scholarship fund has been maintained by the annual fund raising projects and by donations of friends of the club. The first scholarship was granted at the University of Rochester in 1923 and in 1954, grants were also awarded at St. John Fisher College and Nazareth College. Nine men and eight women have received the grants at the University of Rochester; six men at St. John Fisher College and five women at Nazareth College.

Mrs. Marcus Bonsignore is president of the club and general chairman for the affair was Mrs. Ross Petralia.

**Lime St. Reunion Draws Big Crowd**

An old timers' neighborhood reunion, "one of the finest ever assembled", according to those who attended, was held recently at the Mapledale Party House. In attendance were more than 500, including husbands and wives, who lived in the Lime St. area between 1920 and 1040.

Paul D'Ambrosia, chairman of the organizing committee, says that because of the outstanding success of the party, it will probably be an annual affair. Assisting him on the committee were Anthony Tata, vice chairman; James Santarose, secretary; and Mike Marciano, treasurer.

Following a roast beef dinner, the Midtown Aires, a well known Barber Shop Quartet, entertained and then there was dancing until 2 a.m. Reminiscences were the order of the night and "hardly anyone left before the closing hour" says D'Ambrosia, who acted as toastmaster.

Sports teams that originated in the Lime St. area were reviewed; The Snappy Eleven, a football team that came from around Child and Lime Sts.; the 15th Ward GOP baseball team from Orchard and

Lime; and the 15th Ward football team from the Saxton and Lime area.

"This was a sports-minded little street", said D'Ambrosia, "which is perhaps why so many old timers were happy to see each other once again."

Contacts were made by phone and in person, making arrangements for the party. Among those who helped were Mike Andolina, Herb Pilato, Steve Zicari and Sam Marciano.

## Seek Vandalism Evidence For Roving Gang Action

Public apathy and failure to follow up on complaints were some of the principle points brought out at the meeting last Thursday of the Tenth Ward Neighborhood Association called to consider the subject of roving teen age gangs.

Cooperation of area residents in a campaign designed to "re-establish adult supremacy" will be sought and the first step is to appeal, through the columns of the Post-Courier, for specific information to be used as the basis for a public discussion early in January. City officials will be invited to take part in this public meeting according to present plans.

People must be encouraged to stand up to the issue and not to be afraid, was the consensus of the meeting attended by about 30 local residents and presided over by Albert Jeandheur, association chairman. "People should not be afraid to call police and to name names" was the way one man expressed it. "Someone must draw the line on how far these kids can go".

Strategy of the neighborhood group is to get local residents to write in specific incidences of vandalism and to "name names". Signatures are required, but will positively not be made public. The letters should be addressed to Tenth Ward Neighborhood Association care of Albert Jeandheur, 1261 Dewey Ave., Rochester, N. Y. 14613. The old Tenth Ward, now the First, Ninth and Tenth, are included in the scope of the association's influence.

The need for organization of residents to combat the growing wave of teen age vandalism and defiance of authority was stressed by speaker after speaker at the association meeting. And the need for documented information, a full report on the various types of trouble making, led to the public appeal for written evidence.

## Kiwanians Get An Early Start

Eleven hardy Kiwanians arose at dawn Monday morning at the command of President Robert H. Johnson and made their way to an Owen St. restaurant for the most important business session of the year for Northwest Kiwanis. Breakfast was on the president.

Despite the hour, it is reported that the principle business, transfer of books, records and official proceedings from the old to the new administration, took place without a hitch. Gerard P. Hahn, Jr., the incoming president who takes office Jan. 1, presided at the second half of business session, following instructions from the man he will succeed.

The early morning hour was an innovation which was welcomed by the busy executives and is under consideration for future meetings.

Among the topics discussed was the annual installation of officers, which takes place Jan. 15 at the Dutch Mill under chairmanship of Nick Neusatz; and the annual pancake supper in February which may be turned into a Sunday morning breakfast.

## Lyell-Mt. Read Again In News

More accidents at the Lyell-Mt. Read traffic "islands" were called to the attention of city traffic engineers last week by a business man who has his office at that corner.

In a letter to Eugene L. Simm, city director of traffic engineering, Michael D. Cerame pointed out that a National ambulance on an emergency call had to stop "several minutes" due to the traffic tieup and finally had to "jump" the islands to be on its way.

Another auto, due to the weather and traffic conditions, went off the road and knocked over a "No Parking" sign, ending up on the Cerame lawn, he wrote.

Cerame further pointed out that this is a continuing effort on his part to make the city aware of the "dangerous situation". He also contended that "snowfall hides the mall and traffic rams into it and shoots off the traffic lane; and if there had been any children or pedestrians walking on the sidewalk we would have a serious accident".

"I hope this report will encourage you to re-investigate the possibility of removing the mall and replacing with just plain yellow stripes which I believe will solve your problem", concluded Cerame.

## Blanchard Open House

The annual open house at Blanchard Florist, 58 Lake Ave., is scheduled for next Sunday afternoon, Dec. 12, beginning at 1. The public is invited.

If they're out of Canadian Mist, buy the most expensive Canadian in the store. It's probably just as good.

Canadian Mist is as mild and mellow a blend as ever came together under blue Canadian skies.

The whisky itself costs plenty.

But since we ship it to the states in casks instead of bottles, we save money on freight. And we save money on taxes.

And so do you.

WE'VE NEVER HAD A "RETURN"

December 26 will see all the department stores thronged with angry people, holding wrong sizes, wrong colors and just plain "wrong" gifts aloft and howling for satisfaction.

Now, on the other hand, take us. December 26 will be a rather quiet day in our shop. Customers, yes (making purchases for New Year's and week-end parties).. but none of them excited, none of them angry, none of them making "returns".

When you buy fine liquors and wines as gifts, there are none of these problems of sizes and colors, and good and bad tastes, and special likes and dislikes...just guaranteed satisfaction and a happy recipient.

So, let's get started with that list now and assure your friends and relatives of a quiet, relaxed day after Christmas.

Not much time to lose, so drop in soon. Beautiful decanters and gift wraps. Delivery as you specify...when and where.

SINCERELY  
Rona and Al Zack

**Lincoln Rochester Increases Dividend**

The Board of Directors of Lincoln Rochester Trust Company has recommended a 2% stock dividend payable by March 28, 1966, to stockholders of record on Feb. 25, 1966.

The Board also declared a quarterly cash dividend at the increased rate of 45 cents per share. President Wilmot R. Craig said that the increased quarterly cash dividend (up 12 1/2% from the 40 cents per share previously paid) is due to the growth in net earnings which Lincoln Rochester has experienced. In its nine months report, the bank showed net operating earnings through Sept. 30, 1965 of \$2.69 per share, an 11.3% increase over the comparable period in 1964.

Payment of the stock dividend is subject to approval of supervisory authorities and to authorization by Lincoln-Rochester stockholders at the annual meeting to be held Feb. 23, 1966 of the issuance of the additional shares of capital stock required for the dividend.

**Community Presents  
Gain For Year**

Interesting figures on local home ownership and savings through Community Savings Bank were announced by John E. Schubert, president, in a review of the bank's fiscal year ending Nov. 30.

Schubert pointed out that Community again continued as the leader in home mortgages, lending more money and assisting more families in the purchase of homes during the year than any other financial institution in Monroe County. New mortgagees (2,746) borrowed \$47,241,582, both new highs for the bank. This is part of the total mortgage investment of \$231,364,639 in 19,854 first mortgage loans.

In savings, Community depositors have to their credit a total of \$250,706,102 which is an increase of almost \$21 million over the previous year. Dividends paid on savings in the twelve months netted depositors \$10,042,275.

**Grace Methodist**

Rev. Franklin B. Laundry, associate minister, will preach on Sunday, at 11 on the theme: "The Bible Says -." The Sacrament of Baptism will be administered to infants. The Senior Choir, directed by Clarence Warrington, will furnish special Christmas music.

Members of the Church School, assisted by the church staff, will present a Christmas Vesper Service at 5 p.m. in the sanctuary. The program is in charge of Arthur G. Bragg, Jr.

TRAFFIC SIGNALS are being installed and will apparently be in use shortly at two busy Dewey Ave. corners. One is at Bloss and Dewey and other at Lyell and Dewey.

Surplus set aside out of earnings was at \$24,110,065, up to \$1,765,428, the highest level in the bank's history.

**Students Attending Atom Conference**

Four high school students and their science teachers are planning to attend the three day seventh annual Youth Conference on the Atom, in Chicago starting today. These students were chosen to represent the Rochester Gas and Electric's service area from a field of participants, rated at or near the top of their classes, who expressed a keen interest in scientific studies. Over 600 delegates are planning to attend the Conference to hear and discuss scientific matters with nationally recognized scientists, and educators. The trip will be highlighted by a visit to the Argonne National Laboratory, on Friday, where the group will have a chance to see experimental work in several phases of nuclear research. One of the four attending is from the Northwest area. She is Elaine M. Tunaitis of Bradfield St., a student at Nazareth Academy. Sister Rose Adelaide of Nazareth is accompanying her.

## More Changes Imminent In Northwest Area

Change is the order of the day in the Northwest area of Rochester and action by housing authorities last week accentuated the trend. As the 200 or more homes in the Dutchtown area are being taken over by the state and gradually being vacated, new residences are on the planning boards. The new buildings, duplex units and apartments, however, will not necessarily take the place of the homes about to be razed for the Western Expressway extension.

## Seek More Letters On Youth Vandalism

A public meeting at which it is hoped many of Rochester's top officials will be present has been announced by the former Tenth Ward Neighborhood Association, now known as the Maplewood Neighborhood Association. But the announcement is coupled with a plea for more cooperation from residents of the area.

As a result of the item two weeks ago in this newspaper, Albert L. Jeandheur, association chairman, reports that there have been a number of phone calls, but only one written report on "incidents" involving teen agers.

"We have had any number of verbal complaints", said Jeandheur, "and we know there is a great deal to be done to make our neighborhood a better place in which to live. Our plan of action is to take the complaints of our residents about vandalism right to the top of our city government. But we must have facts. We don't plan to use anyone's name, but we need authentic information on the activities of these roving gangs that we hear so much about today."

Letters should be addressed to Mr. Jeandheur at 1261 Dewey Ave.

The change in name of the association was decided on at a meeting of the association steering committee last Thursday. The reason is to shrink the area served by the Maplewood Association and to make room for at least two more

Continued on P. 13

Of 15 new duplex units for which the Rochester Housing Authority has been granted variances by the Zoning Board of Appeals, only one is in this area, at 593 Lexington Ave., but it is expected there will be more. About 45 units are planned.

Rental for the duplex units will be \$60-70 a month and families with yearly income of \$5040 or less are eligible.

On the fringe of the Dutchtown section at 160 West Ave. an 11 story apartment, Danforth Towers is on its way, although contractors bids have exceeded estimates of the Public Housing Authority. Thomas R. McHugh, a member of the Authority staff, says he doesn't want to say he's happy or sad over the bids.

A. Friederich & Sons is the lowest bidder for the building at \$972,927; Lobene & Hayes are low on two bids, plumbing \$182,960 and heating and ventilating \$135,960. Dwyer Electric is low on the electric contract \$114,000 and Westinghouse Electric on the elevators at \$52,313. These add up to \$1,458,160 and the estimate was \$1.4 million including other costs beside the construction.

**TOO-DRY HOME!**

Get all the benefits of  
proper humidity with an

**RP Aprilaire**  
HUMIDIFIER

THIS CHRISTMAS, make it a gift of comfort and invigorating indoor living for all winter, every winter. Artificial heating robs the air of its natural moisture. The Aprilaire Humidifier adds the necessary humidity—automatically... constantly... efficiently—to overcome the damaging, discomforting effects of desert-dryness.

And it adds humidity just as Nature does—as a vapor—no mists, droplets, "white dust". Controlled by an accurate humidistat. BIG capacity—minimum maintenance—elimination of frequent service problems. Give your family the best... an Aprilaire Humidifier.

vices. He is available at CL 4-9116. Tomorrow evening at 7 p.m., Mrs. Glen Gilbert will tell of her trip to the Orient (Japan, Hong Kong, Hawaii and Korea) where she visited orphanages and met the

**Who's dreaming of a black and white Christmas?**

Hardly anybody. Because this is the Christmas for color TV!

Imagine your Christmas tree in black and white.

Color is nicer. In trees. And TV's. Visit your television dealer.

He'll let you watch an evening of programs to see how bright and true the colors are. He'll even pass on this happy information: The prices of color sets are

lower than they've ever been.

Then, ask your dealer to arrange Lincoln Rochester financing.

Take up to three years to pay. At low bank rates. With Blanket Protection against any income emergencies.

If we may alter Irving Berlin's wonderful Christmas song a little... "May your days be merry and bright, and may all your Christmases be in color."
