SENIOR CLASSES OF 1938,  
HAVE ENDEAVORED TO PRE-  
SENT A PICTORIAL RECORD  
OF OUR DAYS IN MADISON.  
● IF IT SERVES NOW TO  
MAKE YOU SEE HIGH SCHOOL  
THROUGH EYES MADE MORE  
APPRECIATIVE BY APPROACH-  
ING DEPARTURE, AND IF IN  
THE FUTURE IT PROMPTS REM-  
INISCENCE OF HAPPY HOURS  
AND YOUTHFUL FRIENDS, THIS  
YEAR BOOK WILL HAVE  
ACHIEVED ITS PURPOSE . . .

To the Class of 1938:

I wish to congratulate each one of you upon the successful completion of your high school work.

If I thought you were to end your education at this point, I should be very much disappointed in you individually and as a group. Your success at Madison has been attributed to your keen desire for knowledge, and as you complete your work here I urge you to keep that eagerness for learning which will serve as an incentive for continued improvement.

Therefore, whatever field you enter, will you keep foremost in your mind that your preparation for life has just begun and strive each day to better fit yourself for whatever lies ahead.

# MADISON ALMA MATER

Oh, Alma Mater tried and true,  
We raise our song to thee;  
What e'er thou ask we'll fondly do:  
Thy tasks are light thy burdens few.  
Thou holdst our hearts in fee.  
Thy hallways are to us a shrine;  
Thy mem'ries round our hearts entwine.  
We'll ever work with heart and hand  
To make thee fairest in the land.

Oh, Madison of purple-gold  
Of royal line art thou;  
Thy children shall be ever bold  
The right to do, the truth uphold  
With this our solemn vow.  
Allegiance true we'll gladly give;  
For thee we'll strive, for thee we'll live  
To make thy name re-echo o'er  
High mountain top and ocean shore.

## Madisonians, I Greet You!

This year with you has been to me what Shelley says of Life: "a dome of many colored glass," for it has given me rich and varied gifts of beauty and of pleasure. May I share a few with you? These will remain to me when I remember Rochester.

Peeper piping along a stream as the stars come out. Ribbon candy. Dark rooms at Kodak. Cascades of the Genesee. Bending reeds along Irondequoit. A fast lacrosse game, with the Iroquois winning. Soccer practice in Madison Park. Christmas carols by the Madichor. The mottoes of Rundel. Expert dribbling down the basketball court. Skaters in Genesee Valley Park. Smiles coming into 377.

Friendly and hospitable Madisonians, I salute you. Good sports, sweet singers, willing students, you will always have a place in my heart.

Hail and farewell!

## To the Classes of '38 . . .

Greetings from Franklin High School and from Seattle.

Wholesome young people who are proud of their Northwest, loyal to their school, friendly, modest, tolerant, and without snobbery or sham. That's Franklin High School.

Across Lake Washington, the Cascades, startlingly beautiful when sunset changes their snowy tops to gleaming silver; to the west, the Olympics, a sterner, more rugged range; snow-capped Rainier, the "Mountain in the Sky;" sunsets over Puget Sound, and then a fairyland of lights reflected in Lake Union; "off toward the sky, lonely firs, the lingering thrill of a yet untamed country!" Everywhere, spaciousness the "evidence of a city only just emerged, and about which is still a cleanness and flavor of the wild." That's Seattle.

Madison has finished in second place. Again in interscholastic competition Madison has recognized Franklin High as its only superior on the hard court.

Led by Co-Captains George Stewart and George Clapp the Murraymen encountered the first six league tilts and emerged unscathed. Meeting last year's title holder, Franklin, was quite a different matter, however, since the Wilson Parkers felt the sting of defeat for the first time in league competition. This was the only exception to a perfect season, and Madison ended winning eight games and losing one.

Each member of the first squad deserves and should be given credit for his services. The "Madisonian" takes pride in here recording the achievements of the basketball quint of nineteen hundred thirty-eight.

# S O C C E R

Although the Madison Soccer Squad of nineteen hundred thirty-seven terminated its season with a less glorious record than some former teams, it still retained the same fighting spirit that has always dominated Madison squads.

Several times in different games throughout the season Madison seemed to have victory within her grasp, but fate sometimes decreed differently. A loss, however, never disheartened the players, who displayed in the later games the same indomitable spirit that prevailed during the earlier contests. This merely exemplifies the fact that Madison can lose and "take it," coming back and fighting harder in each successive conflict.

In most of the games, Madison was regarded as the "underdog," but she proved her worth on several occasions. She severely hurt East's chances for supremacy by holding her to a tie (1-1). West was, likewise, greatly upset when Madison battled her to a tie (0-0). These are only two confirmatory "proofs" of Madison—the team, not the "underdog."

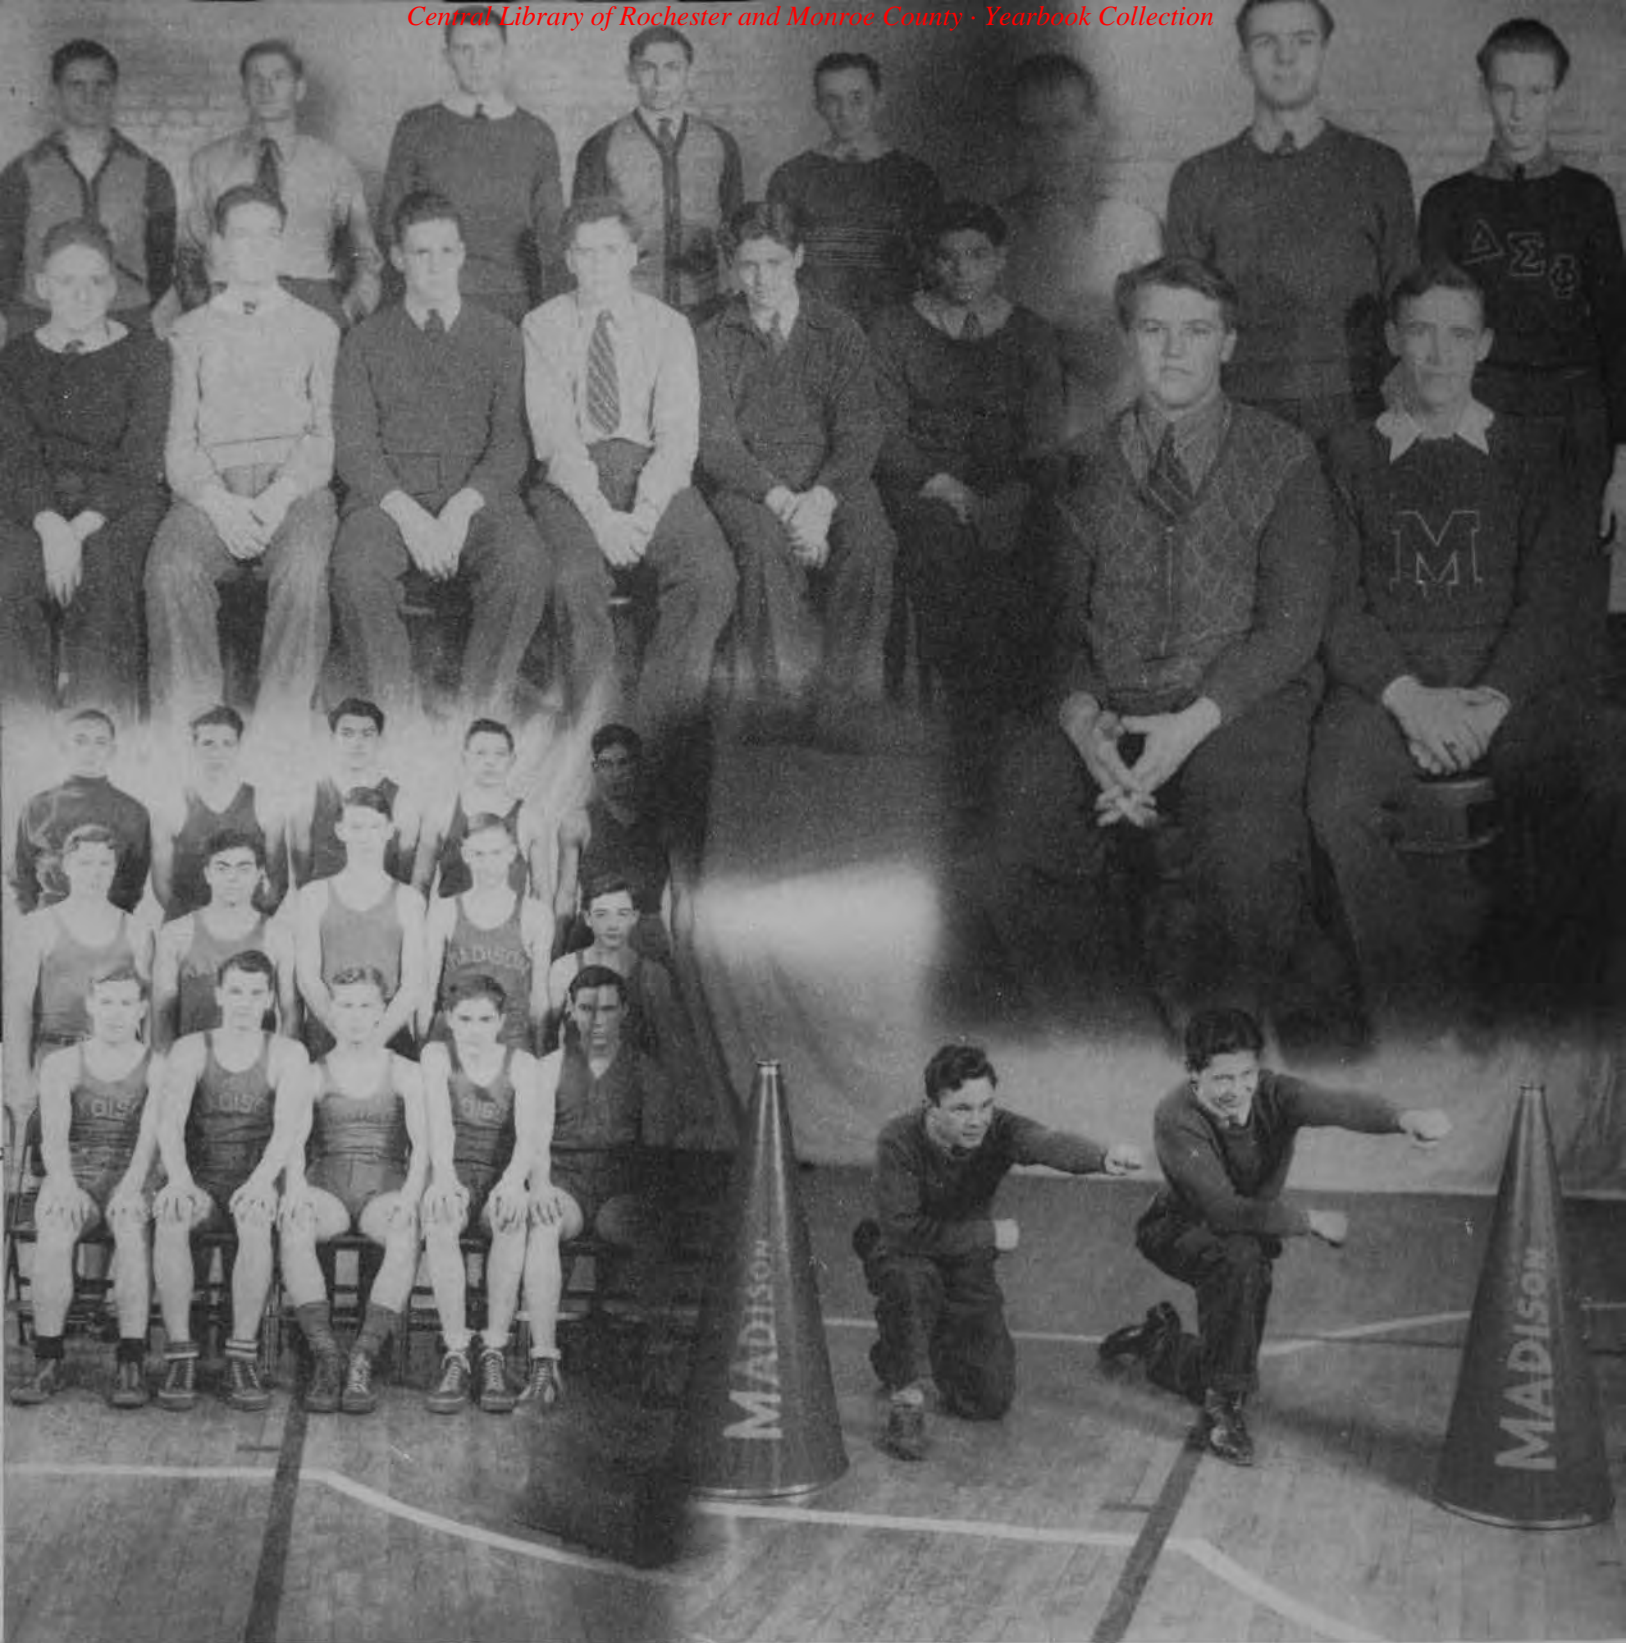

Mr. Wheeler should be lauded for his selection of the squad. Robert Pike was a member of the all-scholastic. Jim Bird received a similar honor, although of a lesser degree. All in all, Madison is and rightfully should be proud of the Soccer Team of nineteen hundred thirty-seven.

# A YEAR IN GIRLS' SPORTS

- SEPTEMBER The girls' gym at Madison is thronged this year  
With hundreds of girls brimming over with cheer,  
Awaiting the opening of clubs and the pool  
To make this the best year yet seen in our school.  
Several splendid clubs are open to all,  
Swimming, tap-dancing, and captain ball.  
To be sure our events are desirably directed,  
An efficient committee has been selected.
- OCTOBER On Mondays Doris Butler leads in Senior basketball,  
While Jean Fitzgerald gives her time in swimming class for all.  
Then Tuesdays Betty Warney makes work on ninth grade basketball easy.  
And Wednesday junior hit-pin baseball is aided by Hilda Cambisi.  
On Wednesday, too, Victoria Powell is manager of the White Caps,  
While Fridays find Ann Zutes in charge of all the clicking taps.
- NOVEMBER A new thrill was enjoyed on the fifteenth of November,  
A thrill which eight of our girls will long remember.  
Marjorie Gallagher, June Budd, Edna Powers, Myrtle Cardot,  
Margaret Zimmerman, Lucile Bartels, Elaine and Arline Ferraio *Elaine Ferraio*  
Went to attend a Play-day at Jefferson High.  
"We surely had loads of fun," was each girl's reply.  
Songs, tasty refreshments, and good clean play  
Comprised the gala festivities of this outstanding day.
- DECEMBER How glad we are to hear the last drip on the floor.  
For those cold showers are what we all abhor.  
But to cheer us up we have a lovely invitation  
To a basketball play-day at Ben Franklin,  
For us to send four forewards, four guards, and a referee,  
To show our skill as well as amity.  
Still, ahead we have a vacation for Christmas,  
When we all await a visit from St. Nicholas.
- JANUARY What a grand Christmas vacation we had,  
But that which is in store for us is really sad.  
For those mid-term exams, many a sad tale relate,  
Then too, after that many friends will graduate.
- FEBRUARY Fanny Stuhler manages a new club of twenty-four advanced players  
Girls who are instructed to become referees and umpires.  
Then too, we have bowling with girls from West High on Wednesday,  
While Jane Freund manages another club, Ping Pong on Thursday.  
In our gym classes we are working more and more,  
For in the future we have our annual track meet in store,  
And also the selection of our honor team,  
To see which nine players are supreme.
- MARCH Doris Butler has proved to be our star athlete  
By capturing first place in our track meet.  
With Fanny Stuhler in second receiving much rivalry  
From the ties for third—Floreda LaBerge and Maria Cervelloni.  
We also have our honor team in line  
With ten girls this time instead of nine:  
Attaldo, Bullinger, Bartells, Butler, Greenlea.  
Horn, Schwab, Stuhler, Sullivan, and Mele.
- APRIL We received an invitation from Washington High School  
To attend a Splash Play Day in their pool.  
We are making preparations for our annual banquet,  
So all of your wishes and desires might be properly met.  
Ah, but better yet is Easter vacation,  
Annually enjoyed by all students of the nation.  
A full week of rest enjoyed by all  
To return, pepped up for a season of volley ball.
- MAY Hurrah! Our banquet, the climax of the events of the year,  
With Messrs. Remington, Jenner, Newhall, and Mrs. Frasier.  
We all enjoyed a good game, Honor Team vs. Alumnae.  
To see to whom the term "Champions" would apply.  
With such lovely spring weather, it seems almost cruel  
That it is really necessary for us to be in school.  
But then our school days are numbered; so we don't mind,  
Because if we skip school, chances are we'd be left behind.
- JUNE How nice and yet how sad, to look forward to graduation  
But that is if we pass each examination!  
To think that for several of us that school days are finished  
We realize how much our enjoyment of life is diminished.  
No more free periods from school,  
To enjoy a refreshing dip in our lovely pool,  
But all good things must terminate  
So best of luck from each girl graduate.

The Madison Senior High Choir has enjoyed a most successful season this year. Over the air on station WHAM on February 12 and March 5, our chorus distinguished itself by an unusually fine piece of work. In the first program in the new assembly hall, the choir again presented a longer but just as splendid performance. More honors were won by the chorus in the Spring Festival on June 3 at the Eastman Theater, at which time all the city high school choruses participated.

Meeting every day, the members drill assiduously under the careful eyes of Mr. J. Alfred Casad. ## **A LAMP STUDENTS WILL APPRECIATE**

Who, better than a student, can appreciate the advantages of good lighting? Students also know the price which must be paid for carelessness in our seeing tasks.

Many homes do not have the excellent lighting which is often found in our better schools and colleges. Students find out the difference when home-work has to be done.

If your home needs better lighting for study work, you will find the I. E. S. lamp just the "ticket." Why not come in and see them on our Main Floor.
